JOHN HORNER, Clerk. ROCHESTER IS BOUND TO GO AREAD. ounty, ru.
In 1854, the subseriber sold at this place, about one hus

ensive establishment for the building of Roil Road Care, with a foundry, carpetter shops, blacksmith shops, dr., to accommodate 150 workmen. These workmen will, many of them, remove with their f. milies to Rochester, from Philadelphia, New York and New England, within the next r manaphila, were fork and new England, within the next elixy days.

This car building establishment is made of slone, and extends 235 feet, three stories high, on the Ohio Front, or public landing, and 202 feet on New Fork street, which is now being graded, 100 feet wide, from the car buildings and railwand track, through the hill, into the centre of the reside on the upper level, 50 to 100 feet above the "lower town" And ou this upper terrace nine-tenths of the future building must be done, for years to come, as there is not on the bottom.

The First Fullic Sile of Lots, at Rechester, for the year

The First Public Sile of Lots, at Rechester, for the year 1855, will take place on the premises on the FIFTEENTH DAY OF MARCH, instant, at ten o'clock; and a similar sale will be made monthly, through the season. At these sales not less than 0 to 18 will be disposed of earling the season, and not less than 0 thy to seventy-five buildings will be created at Rochester, in 1855.

Among the buildings now in contemplation, the most prominent are, a magnificent Hotel a large establishment (by an kastern company,) for building ombines, coachies, earriages, wagons, Ac; an extensive Pottery and Fire Brick concern; an Academy, with public lecture rooms, Ac; two or three Churches, and a Female Seminary.

These establishments, with the labor necessary to complete the Uleveland and Putsburgh Railroad, from the

it, houses will be built upon them—the purchaser having his own time to pay purchase money, so that he pays promptly, a reasonable ground rent, and interest on the building as agreed.

The undersigned is authorized to contract for the immediate crection of twenty tenement houses for this particular object; also to receive proposals for a large amount of grading, excevation, removal of earth, ec; and to offer for sale or rent, coal banks, coal yards, stone quarries, and stone yards, brick yards, lumber yards, &c... in and adjacent to the Borough for all of which, maps, specifications, prices, &c., will be ready on the 18th instant.
