THE LESSONS of experience are the most reliable, and if not too costly are sought faired by the practical. The following is the voluntary restimony of a worthy and well known physician, relative to his experience of the efficacy of B. A. FAHNESTOCK'S CELEBRATED VERMIFUGE, during a practice of twenty-five years.

GENTLEMN:—I am one of those individuals backward in giving certificates, but in the present instance consider it use to humanity to say that I have been engaged in the practice of medicine for twenty-five years, and have never met with any remedy so effectual for worms as your Vermifuge. In adults, even in cases of Fever, I sometimes use it to carry off calomel taken the previous night, and often find billous evacuations and worms to follow. I use no other Vermifuge in my practice, and desire no better. Respectfully, W. M. HANKINS, M. D. Prepared and sold by B. A. FAHNESTOCK & CO., corner First and Wood streets.
