WM. E. STEVENSON continues to manufacture genta, etc. etc., by John B. Henck, Civil Engineer. Pocketbook form. \$1.75.

"The object of the present work is to supply a want
wery generally felt by Assistant Engineers on Ralicosals.
Books of convenient form for use in the field, containing
the ordinary legrarithmatic tables are common enough; but
a book combining with these stables others peculiar to the
Ralicosal work, and especially the necessary formulæ for
laying out curves, turn-outs, crossings &c., is a desideratum
which this work is designed to sapply.

"U. S. Militzar Acadear, West Point, April 18, 1854.—
Gentlemen: I have looked over "Henck's Field Book for
Ralicosal Engineers," and think it well adapted to the object its author proposes, and have no question but it will be
found a very useful and practical volume both Acoffice and
feld work. "D. H. Adana,
Thor, April 21, 1854.

I am much pleased with Mr. Hencr's little manual, the
"Field Book of Ralicosal Kngineers." With the presentation of some of the most practical and useful of recognized
processes among milway engineers, he has given others'
which, new at least in their present form, appear to possess
a mint of higher value than that of mere novelty—that of
being in reneral susceptible of available, not to say desirable practical and account of the susceptible of available, not to say desirable practical and account of the susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and account is a susceptible of available, not to say desirable practical and poste received of Par and Current Funds.
