Neuralgia, Rheumatism, derofule, Eruptions on the Shin, Liver Disease, Fevers, Ulcers, Old Sores, Affecthns of the Blings, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Jointe, are speedily put to flight by using this great and Invituable remedy.

Inestimable remedy. For all discasses of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impuri-ties, acts gently and efficiently on the Liver and Kidneys, strengthens, the Digestion, gives tone to the Stogasch,

strengthens the Digestion, fives tone to the Storach, make the skin clear and healthy, and restores the Consti-tution, enterboled by disease or broken down by the accurate of youth, to its pristure vigor and strength. For the Ladies, it is invariably better than all the cos-metics ever used. A few doses of Carter's Spanish Mixture will remove all sallowness of complexion, bring the roceas matting to the check, give elasticity to the step, and im-prove the general health in a remarkable degree beyond all the indicines sure heard of. The large number of certificates which we have received from percons from all parts of the United States, is the best evidence that there is no humbug about it. The prose, hotel keepers, magistrates, physicians, and public men, well known to the commutity, all add, their testimony to the

purgative is required. They have also produced some singularly succession of the second soury. They have also produced some singularly succession of the second soury. An occasional does stimulates the stomach and bowels into hearthy action, and restores the appetite and vigor They purify the blood, and, by their stimulant ac-tion on the circulatory system, renovate the strength of the body, and restore the wasted or discussed entergies of the whole organism. Hence an occasional does is advanta-geous, even though no scrious derangement exists; but un-necessary dosing should averte be carried too far, as every purgative medicine reduces the strength, when taken to exccess. The thousand cases in which a physic is required cannot be enumerated here, but they surgest themselves to the reason of every body; and it is confuciently believed this pill will answer a better purpose than any thing which has hither to been available to mankind. When their vir-tues are once known, the public will no longer doubt what remedy to employ when in need of a cathetic medicine. Propared by JAMES C. This has been strempted here, and with what success we would re-spectfully submit to the public decision. It has been un fortunate for the jutient hitherto that almost every purga-tive medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revalsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a proviously existing obstraction or derangement in the bowels. Being purely regetably, no harm can arise from their use to any quanti-ty; built it is better that any medicine should be taken judi-clously. Minute directions for their uses in the soveral disenses to which they are applicable are given on the box. Amrong the complaints which have been speedily curd. by them, we may mention Liver Complaint, in its various forms of Jaundies, Indigestion, Tauguro, and Loss of Appetite, Listlesenses, Irritability, Billous Hedacha, Billous Ferer, Ferer and Ague, Pain in the Size and Loins; for, in truth, all these are but the consequence of disensed action in the liver. THERE has long existed a public demand for an effective pargative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that do mand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the pur-
