Pittsburgh Mathematical & Commercial

COLLEGE

IS now opened for the reception of Ledy and Gentlemen Pupils who wish to receive a sound and thorough knowledge of the following branches of education: Writing, Book Keeping and all its collateral sciences, Algebra, Geometry, Trigonometry, Mensuration, Navigation, the use of Globes, Geography, Arithmetic, &c., &c. The Principal needs not to be recommended, as his name and capability are well known to this community, being a Teacher in this city for several years, and for the last three months has successfully taught in the Iron City Commercial College, but has left it on his own accord, with the intention of establishing an Institution in which the youth of Pittsburgh can acquire a knowledge of things more profable than making unintelligible hieroglyphics, though by no chance will Writing be neglected.

The Principal's capabilities can be tested by any person who doubts his qualifications, as they were by the gentlemen where names are attached to the following testimonials:

Late Professor in Pittsburgh Commercial College.
Physical College.
Mr. Barry is eminently qualified for impuriting instruction
the retence of Arithmetic and Double Entry Book-Keep
g I found him even critically acquainted with those
anches of knowledge.
Principal Third Ward Public Schools I state it as my opinion, that as a Mathematician and Book Keeper, Mr. John Barry has few equals, and no superiors. I think all the Teachers of this county Association JOHN KELLY,
Principal First Ward Schools, Allegher The Writing department will be attended to by a gentle can of superior qualifications, who will devote all his at-ention to the immediate improvemedt of the pupils. Hours of instruction from 9 A. M. to 10 P. M.
