We only publish this now to show the opinion of the Union then, as compared with the following remark in the Union of yesterday.

"When you were using the best of your dirty "little-ability to prevent the passage of an act "relieving Mr. Hastings," &c.

Now, this change of tone is easily explained. In 1822 we were not an editor of the Post, to which paper the owners of the Union have the vanity to consider their paper a rival.

We did oppose, openly and above board, the passage of an act to relieve Mr. Hastings from liability for the \$10,000, of which the Custom House was robbed. We published an article on the subject on the first of February, which we here re-publish:

HOPPER'S PATENT PLANE.

THE undersigned is prepared to supply CARPENTERS, CABINET-MAKERS, and Workers to Wood generally, with his Patented and valuable PLANES.

All who have tried it, pronounce it a rest valuable in vention, that must soon come into g neral use. The following lotters from practical workmen are but two among many letters the Fatentee has received recome med og this Plane above all others in use:

Pitters and content in the plane and the plane and to recommend it to Cabinet-Makers and Carp meters as superior to any other Plane in use.

We hereby certify, that during the last twelve months to recommend it to Cabinet-Makers and Carp meters as superior to any other Plane in use.

We hereby certify, that during the last twelve months and adapted to planing coak, cherry, walnut, and all sorts of hard wood, and for planing vene-ris, it is far superior to me many by using trils Plane, mill plane more the lold mede of scraping, besides being a great saving of time. One man, by using trils Plane, will plane more veneers than five men can do by any other plane or method in use.

To Moses F. Earon, Esq.:

Doar Nr-1 have examined Hopper's Patent Bench Plane, and the lower it to be a most excellent article for the lase for which it is intended, as a combination of plane and scraper.

To Moses F. Earon, Esq.:

Doar Sr-1 have examined Hopper's Patent Bench Plane, and believe it to be a most excellent article for the lase for which it is intended, as a combination of plane and scraper.
