DAILY MORNING POST. WEDNESDAY MORNING: MARKION ADDRNING: MEDNESDAY MORNING: AN TRANSFOR HOUSE. AS TRANSFOR LIVERING - An invening ge-nius, desirous of promoting the domestic rearing of hens, has invented a pontrivance to keep them from soratching up the garden. It is a small in-strument, some what resembling a very long spur, attached to the hind part of a hen's leg. The instrument is so arranged that when the hen is about to scratch the carth, the spur catches in the ground before her foot has fairly descended, nud obliges her to bring her foot down quietly and harmlessly a little in front of the place which she has aimed at. The hen thereupon tries the other foot, with a like regult. She keeps on trying, and before she is aware of ir, the machine has walked her right out of the gar-dent. This will be just the thing when the "hen THE UNCENSES, DATELY BULERY'S HOTELL:
