the Russian Court, under the eye of the Czar,

though? is the question; peut etre, mais j'en peatedly dislodged and return again to their On more than one occasion the "holy alliance" between England and France has been rudely shaken and pressed very near to a dissolution. General Canrobert wrote to his Emperor some time ago, that the English were not only useless, but absolutely in the way, at Sebastopo Napoleon remonstrated with the English Cabnet and assured them, that if he must defend England and Turkey, unsustained, that he would adopt the only course left to him. " vacate the throne, declare France a Republic, raise the Bepublican standard in Europe and let England take the consequences." This led to the collapse of the Aberdeen cabinet and the formation of the Palmerston ministry. Affairs growing still worse, the French Emperor informed the Queen, that, "her pet Lord Raglan—who is personated in French prints as n very shaggy horse, riding backwards—must be recalled, and that the Roebuck committee must

not be allowed to go on inflicting the consequences of exposure and disgrace upon the cause of the allies otherwise-although France could not be induced to refrain from the objects of the army available in the European war.

Parliament has adjourned over Easter unti April 16th.

Nine ships, in advance of the British squadwar-she should press towards the attainment of it without the alliance of England." Thus things stand, Napoleon's threat unheeded, and the Roebuck committee going on with their in. Mr. Buchanan attended a dinner at the Seathe Roebuck committee going on with their investigations; and I now repeat what I said to man's Hospital, London, and returned thanks you nearly a year ago, that this alliance will not for the aid rendered 1500 sick American sallors. ast two years. There is great dissatisfaction | Lord Palmerston presided. among the French people at their being connected with England. No public complaints are made nor will much of their real feelings be seen until the predestined spark shall be wafted

Forged bills of lading appeared in the Liverpool mrrket to the extent of £14,000, all shipped at Charleston, South Carolina, by James C. Seen until the predestined spark shall be wafted Nichols. The fraud was accomplished by ininto the magazine. But it is a fact that officers high in rank in the French Government despise body of the bill. and denounce the alliance. Napoleon has long since discovered his mistake, and he is just since discovered his mistake, and he is just the man to tack about, when the time and his own safety demand it. His hold upon the crown ed a treaty at Paris on the 21st March. The however cannot be easily loosened; he is determined to keep it to the end, and he will readily statement wants confirmation The difficulty between Austria and Prussia is change his policy to save his head when it be

increasing. The Prussian cabinet retorted on comes necessary. His grip of the jewelled Hat Austria's circular of March 8th by sending a nigger as some one says, (not Shakspeare, but some poet I suppose,) and he will not be tamely with the German diet. The language of the circular is quite hostile to Austria. The circu Prince Napoleon, who has been dezzling in the lar further charges Austria with dissimulat robes of royalty and eclipsing les petites etoiles in threatening Prussia with military dangers, as the Heir apparent, has recently been shorn of some of his feathers. It has long been understood that if the mermaids of the waters of Biboth the mermaids of the waters of Biboth the arritz by the aid of his Majesty, could not make three months.

> SPECIAL NOTICES. Opinions of the Press.

The following is from Gen. Geo. P. Morris, in the H All editors profess to be the guardians of the rights of the people, and to keep them advised, through their columns, of whatever shall arise for their benefit. We will live up to this letter, and inform them that the most wonderful and valuable medicine for their general use ever invented, is "DatLET's Magical Pair Expandron." Its vir-tues are so rare, mighty and eccentric, that often they ap-pear to work more like miracles than by science, so effect-ive, electric and astounding are its powers on the human body, that, though now it is delike tried by thousands of pear to work more like miracles than by science, so effective, electric and astounding are its powers on the human body, that, though now it is daily tried by thousands of people, not one of this great mass but is delighted beyond comrarison, and candidity confess they, on no consideration, will ever again be without it.

The inventor, Mr. H. Dailey, has wisely kept the secret to himself. Counterfeits are busy about it, but without success. Its overwhelming merits defy all competition, and its peculiarities analysis. We confidently commend all parants to seak its acquaintage, for much a friend, who THE ADAMS EXPRESS COMPANY. ents to seek its acquaintance, for sucely such a frie
