BRITISH IRON MARKET.

Quarterly Meeting of Iron Masters. ter, has involved himself in difficulty by interfering with the religious laws and customs of the country; and M. Turgot, the French Minister, was having a discussion with the Government, concerning an incident growing out of the war.

Car's Cour In The Investigation one at Wolverhampton yesterday, was far from being so numerous as usual of late years, and the tone of the proceedings was rather of a despondent than exhilarating character; but the spondent than exhilarating character; but the business was net worse than a week ago. Although the nominal fall of 1/ per ton, adopted a fortnight ago, was still adhered to by the makers of "marked" iron, the quotations among the second-class makers, and even distinct the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and solicit his removal. But it is not their right to represent the fact to the President, and the tight to represent the fact to the President, and solicit his removal. But it is not their right to represen makers of "marked" iron, the quotations among the second-class makers, and even among some of the first manufacturers, were to get into a quarrel with the Gazette, but the Gazette declines the contest. The publication of The fact appeared to be admitted, such large that this proclamation the Know Nothing Ritual in the Gazette excited is the system of underselling which prevails in constitution. We believe that this proclamation the Know Nothing Ritual in the Gazette excited the market, and iron can be bought at much about the way it was procured as though a lar about the way it was procured as though a lar ter of course, many of the first firms in the distance of the market, and iron can be bought at much called, by a few restless, ambitious men, who, called, by a few restless, are unwilling and conscious of their own guilt, are unwilling and conscious of their own guilt are conscious of the conscious of th ceny had been committed. To this the lie almost direct is given, and that is all he gets for his pains. He takes pains, too, to deny his connection and speedily take place, a sense of the Territory, even if they do not like

tion with "the order:" or at least with any branch or portion of it that is not hostile to appearance in Staffordshire, but it is extremely questionable whether any firm of first-rate Now, neighbor, as you feel in a belligerent mood, and can't get a quarrel out of the Gazette, suppose you try the Post. And, to give you try the Post. And the Post and the something to start on, we demand payment of the \$50 year so beared but and lost on the sheets \$0. 10s.: nail rods \$l. There were, however, needy sellers of common makes offering which was large and enthusiastic, and which Indianapolis, Chicago, Rock Island, Fort Wayne, Cleveland,

given out and accepted for between 500,000 and 600,000 tons of iron, chiefly for India. The legislature of Massachusetts have carried, by a late reduction of 10 per cent. in the wages of large majority, the address to the Governor to

sworn duty as a public officer. He is a are found to be unsuited to the make of first good judge, and a most estimable citizen, class iron. The statements made with regard to the setoath of office to take part in that case, and to administer the laws as he found them. Because he did his duty faithfully he is to be removed. as yet been made at the meetings held up to the We consider this conduct of the Massachu-setts legislature exactly upon a par with the of hardware manufactures several "arrangeraid of the Missourians upon the ballot boxes in Kansas. Both are attempts to set the laws of the United States at defiance. If we condemn the Missourians at the west, we must be ments' have taken place, but oredit has, upon the whole, been well maintained. It is clear, however, from the paucity of orders given out by the merchants and manufacturers, that the demn the Missourians at the west, we must be ments' have taken place, but oredit has, upon doors were thrown open, and the crowd entered and grasped the band of the Hon. Minister, however, from the paucity of orders given out by the merchants and manufacturers, that the band outside discoursing spirited music, and the band outside discoursing spirited music, and the more boisterous of the crowd exercising the more boisterous of the crowd entered and grasped the band of the crowd ente home demand has greatly abated; while, on the other hand, there is little inclination, under present circumstances, to make for stock.

At the meeting which is to be held at Stourbridge to-morrow, the prices of coal and stone of the more posserous of the cut-throats of Europe!"

COTTAGE HILL ACADEMY. A Classical and Collegiate Boarding School, THE ELEVENTH BESSION OF THIS INSTITUTION will commence on TUZEDAT, ist of May.

This School is located in the pleasant, healthful and romantic village of Turtle Creek, distant tester miles from Pittsburgh, and is of easy access, several times a day, by Reilroad.

The Academic Edifice (extensively known as Brown's Exchange.) is a large, siry, and commodious building, three stories aboye the basement, numbering foatr ROOMS, and is most admirably and conveniently arranged for a Boarding School.

The Grounds attached to the Echool afford ample space for the healthy exercise of the pupils.

ents. Those who have children to educate, are invited to call nd examine the arrangements made for the accommodation f scholars.

L. CATON, Principal.
