CHURCH -This beautiful edifice was filled with an immer crowd on Sunday morning, upon the occasion of its dedication to the service of the Lord. The deilcatory services British and Continental Exchange, were of an exceedingly interesting and impressive chara ter, and were listened to by all with the most carnest atter tion. The congregation was addressed by the Rev. Mr Parton, the regular Pastor of the Church, in a discourse of grent beauty and power. The services were continued during the afternoon and evening, and each time the edifice was densely crowded. The church is 58 feet front by 103 feet deep and is built the CONTINENT. We also draw Fight Bills on

The church is 88 feet front, by 123 feet deep, and is built in the style of tha' period of the Middle Ages, when eccle sinstical architecture had attained to that exculsite refin

lects credit on the decigners

sistical architecture had attained to that exquisite refine-ment, the monuments of which are admired at the present day as masterworks of art and skill. The entire front, with its two massive bat elegant towars, is built of Baden store, and presents a beautiful appearance. The interior portion, devoted to worship, is eighty-dre feet long, and is capable of sexting 1,600 persons. The cell-ing is ff-y-three feet above the door. The pers, of which there are one hundred and forty-six on the main floor and forty-eight on the gallery, are of a beautiful pattern, being

forty-eight on the gallery, are of a besutiful pattern, being richly carved and trimmed with black walnut. The pulpit Dealer in Kenlucky Lease Tobacco, is an exceedingly handsome piece of workmanship, and re-RAGS AND P
