Such use is unsuthorized by me, and, moreover, the matter is incorrectly stated and misappled. The *facts* are these: About a year ago I wrote to Baumgarten & Heins, Pinno makers in Hamburg, (Germany,) for a Flano of a new and peculiar construction, and of which I furnish-ed a minute description. They replied that they did not manufacture any such, and requested me to examine a Pinno ot their make seet to Mrs. Blume, at the same time offering to furnish me with a similar one, in case I liked it. I accordingly examined the instrument, but as it did not please me, I declined purchasing of thom. I have since rought and am now using a Pinno trom the factory of NUMES & CLARE, N. Y.
