the same day. The commercial value of such speedy intelligence from all parts of the world is well understood. But its effects upon the social and political condition of the nations will be equally great and valuable. Nations so near each other in point of time must become more assimilated to each other in point of intelligence, and the relations between them become more intimate and friendly.

Spirit of the Evening Press.

The burden of the Chronicle's song, as usual, is "Flour." It mentions that " contracts have been made for flour to be delivered at New York more than six dollars per bbl. in Pittsburgh after harvest. We warn the readers of our afthe interest of the Bears of the flour market. Its holding out the delusive hope of a deoline in tofore. the face of stubborn facts and figures that "nev-

er lie," would seem to give color to the rumor. Virginia O. K .-- Henry A. Wise Governor. The returns received thus far show very dis-

Wise's majority is 1,498, with Cumberland and Powhatan (both Democratic counties) to hear

California Senatorship. There seems to be much difference of opinion as to whether Dr. Gwin is entitled to the honor

of being United States Senator from California in consequence of his having received a plurality on the first ballot. This view is taken of it by his friends, but a private letter from Stockton 8878:

"The Senatorial election has assumed a new aspect. Dr Gwin claims that he was elected on the first ballot, which was taken last winter, he having received a plurality of all the votes cast; but I do not think he will succeed in estabpressed an intention to take his life. He had lishing his claims, as an act of the Legislature says explio papers or money on his person. citly that it requires a mojority of all the votes to elect."

> Address of the Catholic Bishops. [From the National Intelligencer.]

Messys. Gales and Seaton will oblige a very large number of their most attentive readers by giving a place to the following closing son tences of an address of the Bishops of the Catholic Church, recently assembled in Council at Baltimore. The advice conveyed in it par-takes so clearly of those sentiments of heavenly The State has purchased a fall length portrait of Captain Sutter, by Jewett, for \$2,600, to be licit a place for it in your widely read journal.

hung in the Assembly Room, and ordered and licit a place for it in your widely read journal, ther of Major General Wool, U.S. A. Mining I may add that I have for nearly forty years at affairs are now more prosperous than ever be-fore. From every direction the same word is truth say that I have never heard from pulpit returned of success and golden rewards for toil and patient waiting. The dust flows freely consistent with the sentiments and principles of through the market, and you will eventually get this address.

the lion's share as usual. Quartz mining is improving monthly by in-crease of facilities in extracting ore, and by superior machinery that is now made in the State. A claim in Calaveras County, with wa ter power and three sets of crushers, has yieldthe space of the local form and the name of the local form of the have given you in the name of the Lord Jesus; last visit we shall have this season. Crops look Practise pationce, forbearance, charity towards finely, fruit trees thrive with a speed unknown all. In the exercise of your rights as free citiin June at eight dollars per barrel," and farther in your cold climate, and abundant yields of year, remember your responsibility to God, and ventures to predict that the price will not be grains, vegetables and fruits will be gathered, if act as freemen, but not as having liberty as a they cannot be made profitable to the growers. cloak for malice, but as the servants of God. The interest on our city debt will be promptly Respect and obey the constituted authorities, paid, and since my last letter parties have made for all power is from God, and they that ternoon cotemporary not to place too much re- offers at high rates to take the entire loan neces resist, resist the ordinances of God, and liance on these statements, for it is whispered sary to be made, should the bonds maturing in purchase for themselves damnation. To the among the knowing ones that the *Chronicle* is in July next be paid instead of renewed. As General and State Governments you owe alr near as can be ascertained, a majority of the legiance in all that regards the civil order Council intend paying the loan in cash, as here the authorities of the Church challenge your

obedience in the things of salvation. We have Improvements in buildings are taking place daily in our city—the past year no less than a million dollars having been expended in brick You know that we have uniformly taught you, baildings. The railroad is graded from the city fourteen daties of good citizens, and that we have never The returns received thus far show very dis-tinctly that Henry A. Wise has been elected pleted. The sleepers will be placed during the even to the highest ecclesiastical authority, any tinctly that Henry A. Wise has been elected Governor. What his majority will be is hard to guess, as the returns are very much mixed. In some counties he is represented to have even gained on the vote of Mr. Pierce, who had 15,-gained on the vote of Mr. Pierce, who had 15,-hand Piournoy has gained largely on the vote of Bacit I.
