THE NEWS.

The Lutheran Synod of Pennsylvania and adjoining States is now in session in Harrisburg. Bov. J. C. Baker, of Philadelphia, was elected President. Illinois appears to have adopted the stringent Liquor Law passed by the late Legislature, and

The Fort Wayne and Chicago railroad will be also a literally "air line" road, except eight or nine miles of its distance. In the west, air line roads mean straight roads. This road, under the diligent and excellent management of Judge Hanns as president, and Isaac R. Strong, Esq , as chief engineer and superintendent, is being constructed in the most substantial manner, and will doubtless be completed in the fall. These roads are ballasted with heavy gravel, and sodded over, thus making them solid and avoid-
