Pupils who wish to ceeves a sound and thorough knowledge of the following branches of, education: Writing,
Book-Keeping and all its collateral sciences, Algebra, Geometry, Trigonometry, Mensuration, Navigation, the use of
Globes, Geography, Arithmetic, &c., &c. The Principal
needs not to be recommended, as his name and capability
are well known to this community, being a Teacher in this
city for several years, and for the last three months has successfully taught in the Iron City Commercial College, but
has left it on his own accord, with the intention of establishing an Institution in which the youth of Pittsburgh
can acquire a knowledge of things more profitable than
making unintelligible hieroglyphies, though by no chance
will Writing be neglected.

The Principal's capabilities can be tested by any person
who doubts his qualifications, as they were by the gentlemen whose names are attached to the following testimonials: North-Western Police Agency,

IN an advertisement of Mirak Blume, in this paper, my name is made use of in connection with the Hamburg Pranos. Such use is unauthorized by me, and, moreover, the matier is incorrectly stated and misapplied. The facts are these: About a year ago I wrote to Baumgarten & Heins, Plano makers in Hamburg, (Germany,) for a Plano of a new and peculiar construction, and of which I furnished a minute description. They replied that they did not manufacture any such, and requested me to examine a Plano of their make sent: o Mira.
