MECHANICS' BANK -Letters patent baving been granted by the Governor for the Mechanics' Bank of Pittsburgh, an election for Directors will be held at the Merchants' Erchange on Wednesday next. For the benefit of those of our readers who have subscribed for stock we give below a statement of the number of votes each shareholder is entitled to under the provisions of the Act of 1850:

······ 4 ·

2 shares entitles the holder to 11, 12 and 13 14, 15, 16 and 17 22, 23, 24 and 25 49 to 49

THE CATHEDRAL. - The new Cathedral in this most splendid church in the country in its style erable excitement was manifested by the spectabut antagenism to foreigners. A party coming commend at that time, with that issue, declared workmanship and finish. We thought when the stone church on Grant street, St. Peter's, was finished, that nothing could excel it; but the finished, that nothing could excel it; but the vast magnitude of the Cathedral, its perfect nominated the following gentlemen for their that it was the opinion of the Know Nothings proportions, and its beautiful finish makes it fall ticket: excel anything we have seen. When the two towers of the Grant street front are completed, its external appearance will equal its interior. We understand the tower on the corner of Grant and Fifth streets will be 180 feet in height, and will have on it a chime of belle, and a large clock that can be seen over the greater part of the city. The interior is now nearly completed, and it is to be dedicated next

Nothing Council recently held in Philadelphia provided for a National Council to be held in Philadelphia, commencing on the 22d of February next, to select candidates for President and Vice President of the United States. The delegates are to be from each State, equal in number to its representation in both branches of the United States Congress, and to be chosen by the State Councils, two being from the State

AFTER SAM. - The Boston Post is after Sam. After Sam.—The Boston Post is after Sam with a funeral text. It suggests "that the following will answer that the following will answer that the following of Bible Societies will flag."

We hape the author may not be found prying around on that day, or begging free admission. The Hindoo Pagoda.—This beautiful structure, located in the Diamond Square, Alleghery, is crowded nightly by admiring audiences. The

FUSION IS CONFUSION. It is very clear that any dereliction from par usages and political duty, however apparently favorable in its anticipated result, is uniformly attended with a penalty commensurate with the fault, and that there is no instance of a party shrinking from its principles and manifesting a desire to compromise them for some apparent advantage that in the long run

the disadvantages of an abandonment of its We would call the attention of MERCHANTS AND | purity is not felt in its inmost core. Such would BUSINESS MEN to the fact that we have just received now seem to be our condition in so much as for the purposes of amalgamation we have allied ourselves in principles and practice with our opponents. As oil and water are incapable of mixture without adding some neutralizing in-Agents, are the Agents for the Pittshurgh baily and Weekly gredient which totally destroys the specific Post, and are authorised to receive Adventusement; and character of the one or the other, so is it impossible for Democracy and Whiggery to coalesce unless in the formation of a neutral political tint that bears the resemblance of neither. There is no doubt that there have been many

wise and good were to receive public promotion, in which all differences were to be sacrificed in which all differences were to be sacrificed relation to the Territory of yourself or of either upon the alter of pure patriotism, and a feast of the other gentlemen named to continue, un-The total valuation of real and personal pro- "of fat things, of wine upon the less well re- less the impressions which now rest upon his perty in Buffalo, for taxation for 1855, is \$33,- fined" was to be enjoyed by every man, woman

That fusion will breed confusion must now be servant. The Secretary of the Commonwealth has ap- obvious to every one, that we cannot fuse with pointed Mr. James I. McCormick, County Super- the Whigs without yielding to them, is day by intendent of Public Schools for Westmoreland day becoming apparent; and that if we would, demonstrated.

What are we? Democrats in principles and

alone. That town is binated on the narrow for a foundation having a different basis. We certain that he such theory can account for the block. Ear the extraordinary cure of Wm of Harward, a block representation of the block re

contrary, hold tenets in entire hostility to these principles of a free exercise of the rights of conscience and the extension of equal rights of citicans in the foreigner. They dread such exemples as may invite to our such as the color of free took place on the const of Graen in store and for sale and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained and suitable to the rosson, which may be always obtained.
