In a case in Philadelphis, last week, where a subscribers to the stock of the Bank; others, President in 1852. person was being tried for solling liquor on Sun-day, contrary to law, Judge Kelly informed the policemen present "that when the keeper of 4 policemen present " that when the keeper of a persons are eligible, and would serve if elected, place for the retail of liquors kept open on Sun- and we think will be very generally supported : day, and it was evident to the police, from the Reuben Miller, Jr., James A. Hutchison, Robt. day, and it was evident to the police, from the number of people going in and standing around the bar, and to all appearance were being sup-James P. Hanna, Wm. J. Morrison, John W.

plied with liquor, in such eases he considered it Butler, John Herron, (Minersville;) Geo. W. not only right and proper, but the duty of the Casa. police to enter the place, obtain liquor, and pay THE PENNSYLVANIA RAILBOAD.-Rumors and for it, in order to be able to furnish the court and jury with positivo testimony. On the other hand, for policemen to enter a place in or about the cars and boats of several of the Philadelphia hand, for policemen to enter a pisce in or about which there was no appearance of the law being Pennsylvania Railroad Company. On the one violated and the Sabbath descerated, and to use hand it has been alleged that the Comp inp have efforts to induce a violation of the law, was such become the owners of all the stock of D. Leech conduct as in his opinion deserved severe repre- & Co., Lewis & Butler, &c., and the notice given by the latter, that they would receive no

CORN IN LOUISVILLE .- Our dealers in corn,

like the wiss men in Egypt, have been provident. been made between the parties, though we have ly eapplying themselves with corn during the season, speculating, some may term it, and the as yet seen no official or authorized denial. If true, it would seriously injure the public works, result is that there is a large stock on hand. and reduce the revenue of the Commonwealth. The boats could be used upon some other canal, and the cars taken off the State road and placed One dealer alone has 86,000 bushels in store, all purchased in Indiana. This is equal to the en-tire estimated stock in the city, published last

We hope the aforesaid speculators will be ities for transportation. But as we understand compelled to keep it until next fall, when they it, the charter of the Company does not permit compelled to keep it until next fall, when they it, the characteristic of transportation may possibly get forty cents per bushel for them to become the owners of transportation lines, or to engage in any other business than lines, or to engage in any other business than such as is usually allowed to similar companies; any time since last January. There is such a and we have too much confidence in the sagacity thing as being too greedy. We have no doubt and integrity of the officers to think that they rer-Pouttannock, CL, Feb. 0, 1845 :there is a large quantity of breadetuffs locked up in the same way in different parts of the country; but now that the success of the new erop is secured beyond doubt, it will back the success of the new crop is secured beyond doubt, it will have to

come out. The high price of breadstuffs, and Too Auxious, By HALF -- AD amusing affair the scarcity of monsy among farmers, (who are really the most needy class since the almost to-tal failure of last year's crop,) will bring new tal failure of last year's crop,) will bring new purchaser,) inspected the weighing of the coal strong and firm, and precents a rich, glossy and healthy Flour into market much earlier than is usually himsolf, and felt perfectly satisfied that he got appearance. Yours, traly, the case. Indeed we would not be surprised to his full allowance, without any desire on the Poultrannic. the case. Indeed we would not be supplet to part of the coal design to "shave." However, see it in such abundance, from new Wheat, that while the coal design with the driver of the by the first of September, Flour had fallen to seven dollars per barrel, or even lower. bis fall weight of coal.
