For the Morning Post FOREIGN NEWS. BIrs. Robinson's Case Again We have received the mails by the Hermann. We have received the mains by the sole purpose of laying down this in-SNGLAND - THE ATTACE AT HANGO - BRUTAL MASSACRE BY THE RUSSIANS. Visible and innocent line, which has given im-visible and innocent line, which has given im-MESSES. EDITORS :- Allow me to give expression, through your columns, to my feelings of

sincers gratitude for your kindness in publish-In the House of Commons, Sir C. Wood con- mortality to their names, could have foreseen

Rights, still you also unspected you have unspected your opponents. I am perfectly confident that your opponents. I am perfectly confident that in the case at issue, in the case of inflicting the sin, and another Finnish sailor. Admiral Dun-disgraceful possity of hanging on a woman, your hearts are inclined to listen to the voice of mer-cy, rather than to the stern dictates of justice, to be executed by the hands of men. The score of Finland and St. Peteraburg were interrupted, and which, like the sweet echoes of heavenly melodies lingers in our souls, slast is too often bushed by the rearing voice of passion and pre-bushed by the rearing voice of passion and pre-

hushed by the roaring voice of passion and pre-judice. Oh, that man would listen to the true teachings of Christianity which proclaim forever aptured, together with the place. Juested to be put ashore at that place. The Cossack accordingly returned for that given to a purely geographical question, he

judice. On, that has would listen to the true teachings of Christianity which proclaim forever the truth, that Goor is Love, and that above His justice, His mercy endureth forever. And yet, In spite of all the dissonances which are sadly echoing the accented for the jetty. The officers and priso-still resounding in the world is going onward. The child of progress has grown up to manhood, and unfettering himself more and more from the social and ecclesiastical bondage of the past, he

and untertering numerit more and more from two social and ecclesiastical boudage of the past, he proceeds with giant steps towards the fields of passe and universal harmony. Systems of so-cial organization, of politics and religion, sys-tems that with the obstinacy of conservation, onpose themselves to the march of progress, appease themselves to the march of progress, every man fell. They then rushed into the every-day utility, should have been there aduoppeate themselved to the maron of progress, drop exhausted ou the way side. The darkness of ages past is gradually yielding to the glorious dawn of a new morn for the human family, and the day is coming in which every man will re-cognize in his follow-being a brother, a sister, to be cherished, to be loved. Minds that are disposed mersive to dwell upon

THE BALTIC FLEET AT CRONSTADT. A letter from the fleet before Cronstadt, dated | country."

4th June, says : We yesterday made a recon noisesance within eight miles of the point of Tol-It was in 1763 that the proprietaries of Penn-sylvania and Maryland agreed with Charles Ma boukin. From this spot we perfectly surveyed son and Jeromiah Diron to survey the boundary the fortifications on the south side of Cronstadt, between their respective grants, and these "two rinth of contradictions, uncertainties, and pez-zling problems which the world presents, such thing problems which the world presents, such the fortinosticons on the south side of Uronstadt, and particularly the huge Risbank batteries, en-minds are apt to lose sight of the star of Hope for a better state of things. Still we see every day more clearly, that all phenomens and trans-socied in history are governod by a mysterious law which tends to bring all things to a state of

THE REPORT OF THE PARTY OF THE

Russlans was strong last year in the Beltic, it is far stronger at this moment. This will not ex-cite your surprise, when I tell you that, at each attack of the allies upon Bebastopel, the plans of that attack, and of the defence, are immadiately forwards to the General Military Council at St Peterstorgh, which after masure communication or these the arcation of a grant and a more active man; a man of instant attack best the arcation of a grant and a more active man; a more constituent of a grant and a soverable of a grant and a more active best with a sober-

Prohibition is New York. Wednesday last was the day fixed for the new Liquor Law to go into operation in New York; but is appears that upon that day, as well as on the following day, no attempt was made to en-force it; and after all the efforts of the temper-man is virtuous or religions a humbry. The vital ela-force it; and after all the efforts of the temper-ment becard with a dead letter. It is Net the publit of any aburch comes forth to bits to possible of any aburch comes forth to bits to both the world. We do not both to following day, no attempt was made to en-force it; and after all the efforts of the temper-ment world all so the possible is a dead letter. It is Net the publit of any aburch comes forth to the following day, no attempt was made to en-force it; and after all the efforts of the temper-ment world of morality is the love of virtue litself. In a well-organised State, punishment for cf. Set and state, punishment for cf. BUNNING WEST FROM PITTSBURGH

ance men, prohibition is a dead letter. It is In a well-organised State, punishment for cf. well known Mayor Wood is unfavorable to the fences or crimes committed dees not only con-law; and the Corporation Attorney having given

well known hisyor wood is unisverable to the law; and the Corporation Attorney having given his onicion that it is unconstitutional, he will There is yet enough of the divine essence left in the

act proceed harshly with persons violating its overy man's soul, as to restore its possessor to provisions. A correspondent in New York, wrl. moral health, if the right kind of treatment is overy man's soul, as to restore its possessor to moral health, if the right kind of treatment is administered. Now we protest in the name of Christ's roligion against the mode of punishment inflicted in the menalty of Darith Let other.

ting on the 5th, 5ays: There was no sitempt whatever, either in Brookiyn or in this city, to enforce it yesterday, and to day, so far as I can accertain, there are just se many porter houses open, and men ap-just se many porter houses open, and men ap-pear to be imbibling about as freely as over. Brith, kaoper of a solon in to operation, but nobody has seen it operate. True, a Mir. Brith, kaoper of a solon in Howard street, was erreated yesterday, and brough before the Ma-rine Court to day, to easawer the obarge of sell-lag a glass of brandy and water, but his counsel
