It is not likely that the friends of that project will fuse with Democrats. A call for a Republican County Convention is already published and in circulation, and the Gazette is confident that the sor-me will succeed here as well as in Ohio and

For our part we are ready to support a Demoe-sile ticket and do battle for the party as the Post has been accustomed to do for many a year; but to try new expedients that promise little but the destruction of the party is not la our line.
