publican Party; A Fool and his Folly; Is the Post Consistent : Cannel Coal, &c., &c. kets; Local News; Telegraph Reports, &c. THE JOURNAL STILL AT US-OUR

only consistent but right.

time, and now counsels disobedience and forci- her of it. his resistance, though such disobedience and resistance may result in ruinous fines and imprisonment. Such conflicting counsels are a sin and a snare. They dig a pit for the citizens, and bid them fall into it. As to the general

price, or for popularity and pay.

help him a little, asking no questions, for conscience sake." Now, a fair interpretation of well as from some regard for appearances and batteries of all kinds, divided from each other that sentence would be, that if any man, white respectability. The law will not work well, and by creeks and ravines, and admitting of separate colossal statue of the goddess of liberty. The or black, "came to us hungry or in distress," we doubt whether much effort will be made to some charity would be bestowed. But in order enforce it between October and January. The tack, General Eyrs and instruction of the building is 800 feet. The building is 800 feet. The property of the building is 800 feet. The property of the building is 800 feet. The property of the building is 800 feet. The building to raise a case for cavil and criticism, the Journal being statute meets in January, and an effort will be made to repeal it, and probably a successful one. We think the law will do no good, and man, and a fugltive alave besides. Such an ingoing for the care of the care terpretation is not justified by the language, the interpretation—an unwarranted assertion—made interpretation—an unwarranted assertion—made for the purpose of getting a fact on which to base an argument proving inconsistency. Such an argument is unfair and unsound, and can prove nothing, and convict no one. The "man prove nothing, and convict no one. The "man hungry and in distress" may be white or black, the distinguished constitutional convention of the American Protestant Association. As will be seen by an extract which we give from the functional convention of its vicinity; indeed, it is regarded by our engineers as the key of the whole position in that the capture of one may facilitate, if not insure; the capture of one may fa slaves only are men: Southern white folks, scoundrels: Northern white folks, doughfaces:
and abolitionists and Union-dissolvers, Christians and patriots. But we stick to the old use of words. The "man" we spoke of might be slaved and declared their intention to become an aking, through the length and breadth of her enormous empire, to fill up the gaps which the sword and disease have opened in the ranks of her army. Restrictions without end have been removed, and all classes of men who, from ago, infirmity or social ties have been hitherto wise of words. The "man" we spoke of might be of words. The "man" we spoke of might be be a member of that or any other organization. was a fugitive slave? Does the fugitive law them against the measure they were about con forbid our feeding a hungry man? No. Does State. it provide a penalty for preventing starvation or freezing, or relieving the sick? No. Does it forbid common charity even to a fugitive slave when we know of no pursuit? No. But what do we mean by saying we would "ask no ques
ports are blockaded, her commerce destroyed, the possengers and concers of the boot tied and her flag is unseen on the surface of the cocan; while that of her enemies is displayed off one side of his hoad, stripped off his cloth-unmolested in every portion of the globe. Her soldiers must, night and day, be upon the slert against a wary and an active fee, who is ready to dart upon any part of her coasts which are plug him with big sticks for one hour, until he do we mean by saying we would "ask no quesgoing to furnish himself with such knowledge for? In the case of a night's lodging "a little learning might be a dangerous thing;" and we have a right to think that under such peculiar circumstances "ignorance is bliss." It is enough for common humanity that the night is cold and the stranger shelterless; and we are Yet the Journal counsels close questioning that is utterly useless; and would only result in expelling the stranger from our door, or rendering us liable to the pains and penalties of that unpalatable law whose enactment the Journal adversally esteemed wherever he is known.

We have confidence in any company that has vocated. Our neighbor seems resolved that our amounts of the property of the pr vocated. Our neighbor seems resolved that our citizens shall not escape from the pit he helped now urges its constant and forcible violation; ant Governor Purdy for re-election. It also

If so, the Journal is wrong; and we submit the question to the public judgment.
