the removal of Governor Reader. The Mormons are in trouble this year. The

grasshoppers are destroying their crops through

out the Salt Lake valley. The citizens of Hamilton, Hamilton county, Ohio, were intensely excited, a few days ago, with the alleged infamous conduct of its Probate Judge, who was charged with having enticed two little girls, each about twelve years of age, into his office, and there, after looking the door, attempted to violate their persons. A very large public meeting was held on Thursday, and another was to be held on Friday night.

Passmore Williams, who headed the mob that took the slaves from Mr. Wheeler, at Philadelphia, has been imprisoned for contempt of court, and is to be indicted for perjury in making an alleged false return to the writ of habeas corpus. The slaves are not found, and probably will not be. Judge Kane in delivering his opinion sums as we stated them in our paper of Saturday KANSAS AFFAIRS.

But a new project is on foot by which the counties of Missouri, and contains a large population and a large number of slaves. It would not be difficult to persuade Missouri to relinquish those counties if slavery could be estab-to take up the snake—she cried, and objected lished in Kansas by it. The Missouri Legislature meets in November, and it is believed that an act will be passed providing for such a transfer, and the Kansas Legislature will no doubt for, and the Kansas Legislature will no doubt the severely on her arm. Yesterday afternoon the child was reported to be sick, and no exhibition was given.—Boston Post. provide for it before they adjourn. This would If the authorities did right they would indict of Missouri to it in order to scoure a vote in tirely untrue. favor of slavery, would be a fraud that ought not to succeed, and must not. The Stringfellows the recoil will yet annihilate them in Kansas. The Legislature adjourned on the 6th inst., to meet again on the 16th at the Shawnee Mission. This Mission is just on the eastern line of the territory, opposite Westport in Missouri. It is thus in fact a Misouri Legislature in location, as well as from the fact that Missourians, as is well known, elected the members. That the people of the North shall submit to such frauds is impossible, and we care not how soon the Mis souri Compromise Line is restored. We would wote for its restoration to-day if there is no

other way to put an end to such rascality. Large Sales of Land. It is said the official returns show that 18,-825,720 scres of public lands have been sold edifice' has been removed, for it would have during the fiscal year ending on the 30th of been a rare and refreshing sight to have seen June; for which there has been received by the Government \$10,670,386. This is exclusive of hands and repentant eyes, weeping over the lands located with military bounty land warthe sales of public lands ever been so large. Over 400,000 acres were sold last year in the terrritory of Minnesota. Sixteen hundred thou- and r sand acres were sold in Wisconsin; and twelve hundred thousand in Illinois. In Iowa 3,276,-000 scres were sold; and Missouri 2,866,000. The rate at which it was sold in Iowa was \$1,25 per acre, while in Missouri it averaged 43 cents

interests of the West, and that its population is rapidly increasing. The land sold last year would make one hundred and thirty-eight thou- There is a safer and much better plan for adopsand two hundred and fifty-seven farms of a tion. The piles which our Admiral examined hundred seres each. More than a hundred were put down to prevent access to St. Petersthousand more farms have been granted or applied for in bounty land warrants. Uncle much easier to raise piles than to drive them Sam is certainly rich to sell 188,000 farms in down, and that these can be raised up no doubt one year, and give away 100,000 more. The "locations" in Kansas and Nebraska must be the same fate of Kertch. In the upper part of added to the above figures, and may be estimated at between thirty and forty thousand sea of Azoff are to be repeated. On the Nemore farms. With such a rapid increase in the va the defences betrayed a consciousness that number of farms and producers of food it would seem probable that food would be abundant and prices low hereafter, except in years when some extraordinary cause reduces the crops, as last year.

A. and O. Trlegraph—Election of Officers. -The Directors of the Atlantic and Ohio Telegraph Company held their annual election of offices last Thursday, in Philadelphia, when Allen Robinett, Esq., was re-elected President, James D. Reid, Esq., re-elected Superintendent, B. F. Bayley elected Treasurer (in place of A. Boyd Cummings, who declined,) and Joseph Sailer Secretary. The re-election of Mr. Reld, by the Directors, in the face of invendoes and bitter opposition by interested parties, is a triumphan Windication of his conduct while in the Company's employ.

CALIFORNIA NEWS. Kansas Legislature When elected Speaker, Dr. Stringfellow ad dressed the House of Representatives as follows "Gentlemen: I need not say to you that I am proud of the distinction you have conferred ipon me, that from my heart I thank you—to lo so would convey but a feeble idea of the feelings which animate me on this occasion. You from the war-path, is now the scene of life the strength of his recent nomination in Ohio have to day, gentlemen, conferred on me an honr which I prize more highly than any other in he gift of the House or the people. The honor of presiding over the first House of Representatives in Kansas territory. " To have intimated one year ago that such a result would be wrought out, one would have been called a visionary—to have predicted that to-day a legislature would assemble, almost unanimo

y pro-slavery, and with myself for speaker, I would have been thought mad. For these rea sons, and because of the fact that the destinies of our glorious Union hang upon our actionsthe Louisville Journal on the son of Henry Clay eyes of fanatical and malignant enemies are close watching us—the eyes of sypathizing ffiends are anxiously fixed upon us—for these reasons, and feeling that it is a high and respon-sible trust you have confided to me, I feel both proud and most grateful. "In conclusion, allow me to hope, gentlemen, that in our deliberations, courtesy and candor may mark our course, so that nothing unpleasant may interrupt that barmony which I hope vill ever subsist among us."

Camouflets at Philadelphia. In conducting the siege of Sebastopol, Canrobert had recourse to stink pots to drive the Russians out of their rifle pits. The leader of Sam's southern division in the National Council, taking a hint from Canrobert, threw that great tical stink pot, the " nigger," straight in the face of the opposing division. The effect was immense! Men who had nerve enough to steal nigger in the dark, were reduced to a state of a nigger in the dark, were reduced to a state of a sphyxia when the nigger was thrust under their nose in broad day light. The moment they recovered their breath, they scratched out of Sam's rifle pit as if the very Old Scratch himelf was after them. With wistful eye and watery mouth they gazel at the flesh pots, but the ink-pots were a trifle too strong for them. Sam's Sebastopol is taken. One-half his army destroyed-stifled by a stink-pot ! George Law's Schemes.

From the New York Correspondence of the Boston Post Being quite at home, (though not quite home) n the Empire State, I had no difficulty in over bauling the wire-pullers and obtaining a peep behind the curtain. There is certainly remarkable complication of political affairs in this quarter, and one "can't always tell" whether he is hob nobbing with his friends or foes. George Law, the "live oak" which sus holds daily levees, at which some, who in public ssume the garb of Domocracy, secretly pander o the vain ambition of a money-king, assuring im that he must and shall be our next chief nagistrate. George has thrown out a sop to the iron interest by promising to recommend to Congress the construction of any quantity of iron steam frigates; but his most sanguinary partisans begin to think that oaken vessels a he only ones which will ever prove to him a rofitable speculation.

A weather-beaten old sea-captain gave efinite notion of Sierra Leone in one little "Sierra Leone, sir," he said; "I'll tell you what Sierra Leone is like. A black fellow, sir, goes into the market. It's as hot as In a new book, by Dr. John Davy, we farthings—and what does he do with it? The find the theory that sea fish, besides being nearly as nutritive as butchers' meat, contains more as a robin. He buys his melons, cut it in halves,

CAPTAIN SAMURY BRADY AND CORN. PLANTER. A Legend of the Allegheny River.

[From the Knickerbocker for July.] Many of the wild legends of border strife and ndian barbarity that have been enacted along the shores of the Allegheny and Ohio have never been rescued from the dim and fading remem-brances of a past age. But occasionally a story of thrilling interest is enatched from the linger-ing records of the red man. has had the frankness to admit it. In this great metropolis wealth is more equally distributed, the climate is more favorable to longevity, there Cornolanter. (whose remains now repose in silence and loneliness on the banks of that beau-teous river he loved so well,) was in his glory. His tribe roamed over the dense and unbroken forests along its banks, fearless, unmolested and

His people were hostile to the whites, and New York and cisewhere. Our only has the shortest railroad connections with the West, the Southwest and the Lakes. With the same industry, abilities and energy, a young man has a better chance of "getting along" in Philadelphia, than than in any other city, perhaps, and consign him to the stake and torture. But the watchful, shrewd and deadly for of Cornplanter and the whole "tawny race" was the indomitable and fearless Captain Samuel Brady. This veteran Indian hunter was one of the slake. those noble specimens of the hardy foresters who

and is sourcely half a mile scross the neck.

Here, in this bend, Complanter, returned from some successful inroad upon the whites, had see the opinions, local, political and social, which, in the long run, have generally governed the Republic.

But Philadelphia is not only, to a great degree, the reflex of Pennsylvania; it has also a character of its own, independent, to a certain extent, of the State. It is really the social metropolis of the Union. We mean by this, that it is the great central point, where North and South meet on neutral ground. Boeton is thoroughly a New England town. New York is substantially a European city. Washington is only a village of officials. But Philadelphia is American in overy source of the word, having neither foreign nor provincial, but national manners. Seutherners, spend a few days at the hotels of New York, but no provincial, but national manners. Seutherners, spend a few days at the hotels of New York, but no provincial, but no provincial to manners of all sections are fused to the place of forture. At this moment, a voice, but the place of forture are fused to the place of forture. At this moment, a voice, but the place of torture are fused to the place of torture. At this moment, a voice, but the place of torture are fused to the place of torture. At this moment, a voice, but the place of torture are fused to the place of torture. At this moment, a voice, but the place of torture are fused to the place of torture. At this moment, a voice, the place of the throat or lines are fused to the place of torture. At this moment, a voice, the path of the path o

to the place of torture. At this moment, a voice, out from the thick hemlocks that crowned the hill opposite, halled Cornplanter in the Indian tongue, imforming him that " he was an Indian warrior, just returned from the war path with a goodly number of prisoners."

Re desired that the ceremonies of the torture

might be suspended until he could ford the river and join them, when they would celebrate the The flames that had been kindled were extinrees.

and suitable to the season, which may be always obtained in the meantime, Brady, for it was he who 'Wholesale and Retail at his Store, corner of Market alley

the deep cut near the foot of Plane No. 9. The locomotive in its rapid course passed over the locomotive in its rapid course passed over the communicated by a deadly discharge from his unorring rifles. The ladians fought with desperation, but were overpowered; all were killed o taken prisoners save the chief, Complanter who, finding bimself alone, plunged into the riv

er, and swam for the other shore. Being a good swimmer, he remained several ninutes under water, but as he rose for breath, he was greeted with a shower of bullets. In this at Mansfield with the Newark and Sandusky City read way, alternately swimming under water as long and at Creatine with the three roads concentrating there as he could hold his breath, and then rising to for pertirulars see handbills. No trains run on Sanday.

Through Tickets sold to Cincinnati, Louisville St. Louis other shore in safety, secreted himself behind a large standing rock. The prisoners were of course unbound, and all joined in the joilification and joy at the timely and unlooked for release. The rock that
shielded Complanter from Brady's bullets was

For Tokets and Grather information, apply to cinted out to me by the old Indian, in a recent

trip down this river. It is known as "Corn-planter's Rock." The old Indian gave me the story with a sad and dejected countenance, in broken English. "Alas! what a change! Where then the sheeny tide of the beauteous Allegheny parted only to the swift skimming birchen cance, and echoed to the wild voices that came out of the dense, dark forest, now is heard the shrill whistie of the steam pipe and the rushing of the mighty steamer. Where the tawny savage then realized mon the shade hards from his and activity.

the advance of civilization, and given place to farms, beautiful villas and bustling towns. The they but miserable, decaying relics of what they once were, are now occasionally seen, the descendants of the proud race that once could call these hills, and groves, and rivers all their own.

Tinks by the Ohio and Indiana Railroad.

J. R. STRAUGHAN, Sap't. Alas! in the language of the poet: Chieftains and their tribes have perished, Like the thickets where they grew."

[From the San Francisco Times] FOURTH DISTRICT COURT, June 25 .- Extraor tary Charges preferred by Mr. Alvin Adams : elation to the California Business of Adams o.-Messrs. Halleck, Peachy, Bilings and Park, attorneys for Mr. Alvin Adams, of Bo have taken proceedings against Woods and Hashell, the partners here, in which they charge that a fraud was committed in the formation of the contract of partnership which was signed by Mr. Chas. G. Bowers, as the general agent of Adams & Co. The affidavit of Mr. Adams him self is annexed to the pleading, in which he adnits that the terms of the contracts make him esponsible to the California oreditors; but that he never contemplated any other liability than that of a special partner; and that Mr. Haskell had admitted to him that, by the agreement, he should not be held liabile for the future lia-bilities of the California house beyond twentyfive thousand dollars The affiant goes on charge that the contract was knowingly, falsely and fraudulently imposed upon Bowers, by I. C. Woods, through the instrumentality of Mr. Hackett, an attorney at law. He also charges that Woods had further deceived him by pretending to apply to the California Legislature for an act of Incorporation, under which the house would be re-organized, and the affiant relieved from his general responsility in the partnership.

[From the Pennsylvanian, July 27.] Organization of the Democratic State Central Committee. At 10 o'clock, yesterday, the State Central Committee met at the Merchants' Hotel—James F. Johnston, Chairman, presiding. H. A. Gildea, of the city, and Jacob Zeigler, of Harrisburg, were appointed Secretaries, and G. G. Westcott Treasurer. Arrangements for celebrating the anniversary of the adoption of the Constitution of the United States were made. The Committee have taken ample precaution for excluding members of the "Dark Lantern" party from all connection with the party, either as candidates or members of committees. Their ext meeting will be held at Buehler's Hotel, in arrisburg, on the 15th of August.

Court House Struck by Lightning... Man Killed and Six Injured. [From the Fayette (Pa.) Standard, July 20.] We learn from a gentleman direct from Prun-ytown, Va., that on Monday last, while there, e Court House in that place was struck by lightning. The Court being in session, a lawyer, whose name he could not remember, was instantly killed, and about fifty persons were prostrated to the floor, of whom six remained precarious condition when our informant left. The house was set on fire, and it was with great difficulty it was prevented from being destroyed.

Ar Ask any one who has ever used Dr. P Lane's Celebrated Liver Pills, what they think of them Minety-nine in a hundred will tell you they are the bes Pills for Liver Complaint, Sick Headache an 1 Dyspepsi that they have ever used. Read the following from one o

our most respectable cluzens: New York, August 8, 1852. I do hereby certify that I have been suffering from a pain in my side and breast for a long time, and after trying many remedies came to the conclusion that my liver lelebrated Liver Pills, and the few that I have taken have lready given me more relief than all the other medicir I have taken put together. I went to a clairvoyant to consult him; after examining me carefully, he advised me to continue the use of Dr. M'Lane's Pills-that they would effectually cure me. W. W. PHILIPS, No. 2 Columbia Place P. S.—The above valuable remedy, also Dr. M'Lane's ce

celebrated Vermifuge, can now be had at all the respec rug Stores in this city. Purchasers will please be careful to ask for, and tak such extremes of wealth and property as in never lost any opportunity to lie in ambush and none but Dr. M' Lane's Vermifuge and Liver Palls.
