OFFICIAL PAPER OF THE CITY.

PITTSBURGH: TUESDAY MORNING .....AUGUST 7.

## FOR CANAL COMMISSIONER, ARNOLD PLUMER, OF VENANGO COUNTY.

Agents, are the Agents for the Pittsburgh Daily and Weekly Post, and are authorised to receive ADVERTISEMENTS and CONSORIPTIONS for us at the same rates as required at this office. Their receipts are regarded as payments. Their NEW YORK, 122 NASSAU STREET, BOSTON, 10 STATE STREET.

MORNING POST JOB OFFICE. We would call the attention of MERCHANTS AND BUSINESS MEN to the fact that we have just received from Palladelphia a number of fents of new Job Type, and are now prepared to fill orders for Cards, Circulars, Bill-Hoads, Paper Books, Posters, and Programmes for exhibit tions. All orders will be promptly filled.

Persons leaving the city during the summer, who de-sire the daily or weekly Post forwarded to them, can have if

dictions generally turn out correct.

We will publish to morrow Ex-Governor Reeder's letter to Secretary Marcy, explaining his land speculations in Kansas; and we shall endeavor to find room for the memorial of the Kansas Legislature to the President, asking his

> officials found a momentary relief, and imperialism was vouchsafed a few days more. The telegraph wires from the Crimea—blessed in-struments—fortunately broke down, to stay broken down, for several days, and until France could breathe freer and deeper; despatches were issued to all the Departments and Editors to at once contradict the first foul news; Galignani's Messenger, which had extracts from Eng lish papers, was stopped for some days and ordered not to leave the office, and France once more became quiet and resigned. And then ingenuity went to work and has continued her la-bors until she has almost manufactured that horrible rout into a glorious victory, admitting that the Allies lost only about 7,000 in killed and wounded. The real losses of that day will never be correctly known, but enough is known from private sources, to confirm the opinion

any, of 20,000 men. Fortunate, indeed, it was for the Emperor that e did not go to Sebastopol, for with the immeliate responsibility of this defeat on his shoulders ne could not again have entered la belle France. By the way, have you ever heard why it was that he did not go to the Crimea? Some contend that all his pretensions were bosh, and that h never had the slightest idea of going; but this, I think, is wrong. An after thought saved him. He did not want to go if the place could not be taken, and he therefore sent an eminent engineer, General Niel, to examine the works, and

y, by means of the telegraph, issues orders him self for every movement in the Crimea. It was and sensible yeomany of this Commonwealth went from the United States to Liberia when six will be the shame; and as fail we must, I choose to decline." Decline he did; and be then got or a dismissal. He, of course, preferred the bug. The Chief Justice of our Supreme Court tion and wants of the country. He is well former; and Pelissier was given the chief comdecides that our State Courts have no right to spoken of as a citizen, a scholar and a business mand, and ordered to attack immediately. At-

Long before the battle of the 18th, the Emperor beat that! Vive la humbug!

Spain is again in terrible trouble, and I am

For some time past there have been almost daily outbreaks in various parts, but generally with nt concert of action. These broils have been instigated and led on by the Carlist party, who im at the elevation to the throne of the Count e Montemolin. They are the friends of Don Carlos, who care were the crown of unhappy Spain. There seems to be no law or order stopped on the reads, the passengers plundered. of their valuables; and it is unsafe to travel in Scrofula.

property was appropriated; they then took his medicine on a member of my own family, and under my horses from the carriago and left my Lord to own observation and superintendence, after the skill of the invent some other mode of locomotion. A row broke out last week in Barcelona Polk. The questions of the acquisition of Loui. thus showing there was no folsting him upon the sians and California were used in the same way meeting at all. This indicates a great change in which has led to a revolution not yet suppressed to all who may be suffering from that dreadful malady. It commenced by a domand, on the part of the Chicago rowdies and blackguards attempted, and being refused, they tarned out in a hody to the number of several thousands, and barrloaded fellow citizens on his course in Congress. Time the etrects. The national guard refused to fire upon them; and the insurrection has spread infelt an interest, or ever whom I could exercise influence or THE RUSSIANS IN ASIA.—While sustaining a so seriously angaged in another quarter, there

"They have absorbed the American party
broughout the New England States—they have
broughout the New England States—they have broughout the New England States—the New England States—the New England States—the New England States—the New En throughout the New England States—they have reduced it to a capitulation in Pennsylvania—they have swallowed it up at a mouthful in cafed at least the form of a trial; but now, men and at Crestline with the Newark and Sandusky City read and at Crestline with the three reads concentrating then Ohio and Indiana-and almost everywhere else are torn from their friends, and fathers from throughout the Northern States, excepting the State of New York, we find the Cayennes playing second fiddle, and acting as tide waiters to opinions which do not happen to please the Emperor. This from one who was for years and years an exile in the United States, in England, in Switzerland and elsewhere, kindly and ton at 7 A. M. and 1 P. M. generously treated by all, is really too bad. Frenchmen themselves denounce it freely, even

some who once thought Napoleon a God. The result of these proceedings may be seen in a recent propesition of the Spanish Cortes, to send a small force in aid of the Allies, and to become a party to the alliance. I much doubt, however if all that Spain can do for the Allies would be a fair equivalent for the damage these things have done, and will yet do, to Napoleon. If, with the scrape he is in at Sebastopol, the general hard times, crippled state of commerce, short crops and high prices, political quarrels with Ministers and Generals, the general dissat-
