This specific is so harmless that it may be taken by persons of every age, sex or condition, and it will not substitute for one disease others still worse, as is too often the result in the treatment by Quinine, Microury, Arsenic, and other polsonous or deleterious drugs, not a particle of any of which is admitted into this preparation.

The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA.

It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Billous disease whether, or any injury from constantly in-Fut up in metallic rackages, expressly for production No. 1, Imperial No. 1, "No. 2, No. 2, N 10 A. M.

MADAME EDWARDS, the Clairvoyant, still holds forth to crowds at her rooms on the corner of Wood and Fifth streets, second story. She appears to divide, with the spiritual media, the interest of the wonder-mongers and seekers after a sign.

It will be seen by an advertisement in this morning's paper that the steamboat Aquille, Joseph Nixon, magter, will leave the foot of Penn street every half hour for the Pio Nic at M'Kee's Rooks.
