Page General Agent. Also, J. P. Fleming, Allegheny my29-day my29-day my29-day

I can see the breezy dome of groves,
The shadows of Deering's Woods.
And the fielendships old and early loves
Come back with a Eabbath sound, as of doves
In quiet neighbothoods.
And the verse of that sweet old song,
It flutters and murmurs still:
"A boy's will is the wind's will,
And the thoughts of youth are long, long thoughts." I remember the gleams and glooms that dart

Arons the schoolboy's brain;
The song and silence in the heart,
That in part are prephedice; and in part
Aro loneings wild and vain.
And the voice of that fitful song
Sings on, and is never still:
"A boy's will is the wind's will,
And the thoughts of youth are long, long thou There are things of which I may not speak;
There are dreams that cannot die:
There are dreams that cannot die:
There are dreams that cannot die:
There are thoughte that make the strong heart weak,
And brings a pallor into tha cheek,
And a mist before the eye.
And the words of that fatal song
Come over me like a chili:
"A boy's w. li is the wind's will,
And the thoughts of youth are long, long thoughts."

o me now are the forms I When I wist that dear old town;

When I wist that dear old town;

But the native air is pure and sweet,

And the trees that o'ershadow each soll known street

As they beaned up and down,

Are sloging the beautiful song

Are eighing and whise ring still:

"A boy's will is the wind's will, and the thoughts of youth are long, long thoughts.

And Decring's Woods are fresh and lafr.
And with joy that i almost pain
My heart goes beak to wander there,
And among the dreams of days that ware,
I had my lost youth sgalin.
And the strangs and beautiful song,
The groves are repeating still:
"A boy's will is the wind's will,
And the thoughts of youth are long, long thoughts."

did last year, no doubt." pleasure, and jumped for joy.

The butterfly stretched out his shim which sat quite still, and seemed inclined The butterfly stretched out his shimmering wings, fluttered up and down in the sunshine, and then alighted on a nettle. There was something on the nettle already like a shrivelled, away leaf; the sun shone upon it, and it began to move, two little leaves shot out, and the leaves changed into splendid wings! Behold—it was gooth. o splendid wings! Behold—it was anoth—and her brother, had great pleasure in this er butterfly just crept out of the chrysalis, and benumbed with cold of the night, Now would grow, and when its wings would which now met again. They danced round easy, and as if it were sleepy. It would and round each other; played at hide and not eat any more, and seemed to become A BUILDING LOT IN ALLEGHENY CITY, 24 feet by Al 100. A good bargain can be had by applying soon at the office of the MORNING POST.

Just the superhuse and round each other; played at hide and not eat any more, and seems the office of the MORNING POST.

Just the superhuse and round each other; played at hide and not eat any more, and seems the office of the MORNING POST.

tering restlessly against the window panes, and when, now and then, it rested itself,

" Now the little butterfly has got home, and to those whom it loves !" thought the

and under the large willow tree, which scattered dow a upon them the loveliest yellow catkins, which they called goslings, and played at tending, and from the stems drank to one another from the developer wings began to grow upon its shoulders.

The child gazed at it with a throbbing ette, and which are called "dew cups," or heart. She saw the wings become larger, irgin Mare's Hand," as well as cup moss which grew upon the dark, crag-

gy rooks. Karin now gathered flowers for sale. Nettles were quite over, but still the netaway, she saw that a small, greenish egg, lay upon the leaf, just where the butterfly had alighted. She carefully marked both he pettle and the leaf

en red—sometimes sad and sometimes merry—first one, and then the other. Yes. very likely. Sometimes I shall go to bed without any supper, perhaps; but still gath or flowers and ride in the hay-field; as I did lest year no doubt. took it home with her. By the time she possession over two hundred certificates of its virtue, all She laughed as she remembered all that had reached home, however, all the little creatures had crept away, excepting one

pleasant beams. His sister went out again, as she had done the former Spring, to gather nettles and wild flowers, but no longer with a merry heart. When she came home she brought flow-

He was dead. He was laid in a small sweet words of consolation, and the resur. rection from death which were read. Karin knew only that her brother was dead; that he never again could play with her; never more would be with her for her whenever she thought how pretty and how great willow tree, and gathered its golden. fringed catkins, and took them, with other flowers and young leaves, and scattered them upon his grave. She, sat upon his

One day she took the pot with the balsam from the window, and thought to herself, "I will plant it on his grave, and the butterfly—chrysalis shall be laid in the She wept bitterly and said, "Mother tells

No,, no -he is dead, even as the butterfly chrysalis is dead. I shall never see either of them more!" Poor Karin sobbed bitterly, and wiped good little Karin, and she was glad that she had given it its liberty.

Summer came. The children played summer came. The children played long time while she set upon the grave under the lime trees, by the church yard, long time, while she sat upon the grave, the warmth of the sun's rays penetrated the shell of the chrysalis: there was a strong movement within-and, behold! a living insect crept hastily forth, which cast off its of which they cut whistles. The pine and shell as a human being would cast off a spruce fir trees blossomed, and gave them garment, and it remained free and fluttersheep and calves" to play with. They ing on her hand. In a few moments,

and take color and brilliancy from the out of the small purple rimmed cups of the of the Spring sun; she saw the new born butterfly move itself heavily, and attempt to fly upon its infant wings. She recognized the nettle butterfly.

At length it raised itself upon its wings the butterfly fluttered gaily around them. for flight, and fluttered round Karin's head, One day, Karin saw one setting upon a leaf, and then flew forth over the flowers of the as if quite aged and tired, and when it flew meadow. An unspeakable sentiment of
