FRANCIS MARTINOS.—The Democrats do turn out in good numbers this evening to elect delegates to the County Convention. See that none but true Democrats run, and that none but Democrats vote. We hope no others will try to interfere with these meetings. The opponents of the Democracy are pretty generally known now, and we attach great importance to their names, which are not yet submitted to the election.

In the two cities and the borough the meetings take place between the hours of five and seven : in the townships from three to five.
