THE CITY POST. SATURDAY MORNING AUGUST 18. WE extract the following complimentary resolutions of Mr. Stephen Barrett from the Pitts-burgh Catholic. We understand Mr. Barrett intends removing to the West, where we hope he may receive what he eminently deserves, friends and fortune:

An Ungrateful Thire .- On Thursday evening, during the heavy storm, as a gontleman named Morgan was endeavoring to make his way up Market street, through the rain, he was ed by a respectably dressed person, who asked for permission to share his umbrella. Mr. Morgan, not being at all of a selfish disposition, of course consented, and the two proceeded towhere the stranger turned off, after thanking the other for the favor conferred. Mr. Morgan procoeded a few doors further, to a store where he made a few purchases. The articles were tied up, and the gentleman reached in his pocket for money to pay for them, but on looking for his pocket book, he found that article, containing about \$40, was amongst the things that were. The smooth spoken person who came in his company to the corner, had undoubtly abstracted it thus exhibiting villainous ingratitude for Mr. Morgan's courtesy.

ADDITIONAL SUBSCRIPTION TO THE CONNELLS-VILLE RAILBOAD .- At a meeting of the Alleghouy Councils on Thursday evening, the Committee on Ordinances reported an ordinance subscribing for 5000 shares of the capital stock of the Pittsburgh and Controlleville Railroad. A memorial from Oliver W. Barnes, President of the Road, expedit was also read, stating that \$1,000,000 had been subscribed by Baltimore, \$750,000 by Allegheny County, \$500,000 by Pittsburgh, and \$625,000 by individuals. Also, that the city of Cumberland and the Baltimore and Ohio Railroad would probably subscribs largely. On the adoption of the ordinance, there were three negative votes. and the ordinance was laid over. There seems to be no doubt the amount asked for will be

granted at the next meeting of Councils. DEMOCRATIC PRIMARY ELECTIONS .- The primary elections, to select delegates to the Democratic County Convention, will be held this afternoon and evening, in the various districts of the county. In the cities and boroughs the election will be held between the hours of five FEVER AND AGUE CURE and seven; in the townships, between the hours

of three and five.

The marked success that has attended the sale of Clark's Slomach Eitlers, and the relief and satisfaction they have afforded to those who have used them, are a sure indication that their success is owing entirely to their merits as a raluable medicine.
