A: Fraud i-We call attention to the fact of numerous unprincipled efforts that are daily making in our city by wenders of a bitter mixture, using the persuasive argument (in order to effect sales) to dealers in Hostetter's bitters, to purchase from them and sell it in Hostetter's bitters, to purchase from them and sell it in Hostetter's bottles. We hope that such impostors will be held up to public contempt by aff respectable persons who sell or use the genuine article.

Not only hree we the individual evidence of the country, but almost every paper in the Union is commenting upon the superior excellence of, and the great benefits derived from the use of this celebrated tonic; besides various diplomas awarded, among which is one from the Ohio Mechanical institute, at Cluckinnati, where the committee—composed chiefly of physicians of the city—awarded Hostetras as a tonic and strengthener of the human system. We therefore caution all against impositions, and to purchase of none but respectable dealers, whom they know would not deceive them; or of the proprietors, No. 267 Penn st., Pittsburgh. Palladelima, August 20.—The U. S. District Court, Judge Kane, commenced its August term this morning The case of Col. Kinney was called up, when an affidarit was read from his bail, George C. Presburg, in relation to the non-appearance of Col. Kinney at this term of the Court. The document sets forth that the deponent confidently believes that the said Henry L. Kinney will return to the United States and be prepared for trial on this indictment before the close of the next ression of this Court; that it is not in the power of this deponent or of any one else to prepare the dufence of the said Henry L. Kinney; and that his shipwreck at Turk's island, combined with harrassing impaliments which delayed his departure, has no doubt rendered it impossible for the said Henry L. Kinney to fulfil his purpose of being in attendance at this session of this honorable Court.
