HOPPER'S PATENT PLANE

THE undersigned is prepared to supply CARPENTERS, CABINET MAKERS, and Workers in Wood generally, with his Patented and valuable PLANES.

All who have tried it, pronounce it a most valuable invention, that must soon come into general use. The following letters from practical workmen are but two among many letters the Patentee has received recommending this Plane above all others for use.

PITTSBURGH STEAM CABINET FACTORY,
February 22, 1855.

We hereby certify, that during the last twelve months we have used Hopper's Patent Plane, and do not hesitate to recommend it to Cabinet Makers and Carpenters as superior to any other Plane in use. We consider it peculiarly adapted to planing oak, cherry, walnut, and all other hard wood, and for planing veneers, it is far superior to the old mode of scraping, besides being a great saving of time. One man, by using this Plane, will plane more veneers than five men can do by any other plane or method in use. H. H. RYAN & CO.

To MOSES F. EATON, Esq.:

Dear Sir—I have examined Hopper's Patent Bench Plane, and believe it to be a most excellent article for the use for which it is intended, as a combination of plane and scraper.

It is particularly adapted to planing veneers, as it does not require one fourth the time or labor of the old method; and I have no doubt, when its properties become generally known, but that it will entirely supersede the former tedious and laborious custom.

I most cheerfully recommend it to all persons engaged in the Cabinet business, as from my knowledge of it, there is nothing as well fitted to give a smooth and beautiful finish to veneers as the Hopper Patent Bench Plane.

JAMES W. WOODWELL,
Furniture Warerooms, 97, 99 Third st., Pittsburgh.

Pittsburgh, February 27, 1855.

MOSES F. EATON, of this city, is my sole Agent for the sale of Planes, or of rights to manufacture and sell them.

FIELD BOOK FOR RAILROAD ENGINEERS.—Containing formulæ for laying out curves, determining frog angles, levelling, calculating earth-work, etc., etc., together with tables of radii, ordinates, deflections, long chords, magnetic variation, logarithms and natural signs, tangents, etc. etc., by John B. Henck, Civil Engineer. Pocket-book form. $1,75.

✱✱ The object of the present work is to supply a want very generally felt by Assistant Engineers on Railroads. Books of convenient form for use in the field, containing the ordinary logarithmatic tables are common enough; but a book combining with these tables others peculiar to the Railroad work, and especially the necessary formulæ for laying out curves, turn-outs, crossings, &c., is a desideratum which this work is designed to supply.

U. S. MILITARY ACADEMY, West Point, April 18, 1854.—*Gentlemen:* I have looked over "Henck's Field Book for Railroad Engineers," and think it well adapted to the object its author proposes, and have no question but it will be found a very useful and practical volume both for office and field work. D. H. MAHAN.

TROY, April 21, 1854.

I am much pleased with Mr. Henck's little manual, the "Field Book of Railroad Engineers." With the presentation of some of the most practical and useful of recognized processes among railway engineers, he has given others which, new at least in their present form, appear to possess a mint of higher value than that of mere novelty—that of being in general susceptible of available, not to say desirable, practical use. In conclusion, while I think the design of Mr. Henck's book is such as to adapt it excellently well to professional needs, I have pleasure in expressing my cordial satisfaction with its execution, alike with the perspicuity of arrangement effected by the author, and the excellent typographical taste displayed by his publishers.

MISCELLANEOUS

SUPERIOR,

Douglas County, Wisconsin.

THIS PLACE is situated on the Bay of Superior and Left Hand River, at the head of Lake Superior, and possesses A BETTER SITE, A BETTER HARBOR, AND GREATER ADVANTAGES FOR A COMMERCIAL CITY, than any other point in the North-west; and is equalled in prospective importance by Chicago only.

The Proprietors have a clear, undisputed and unincumbered title to the land upon which SUPERIOR is laid out, and all purchasers of lots receive warrantee deeds for the same.

Superior was laid out during the past season, and already contains several hundred inhabitants, a Large Hotel, a number of Stores, a Commodious Pier, with Warehouses, and is in all respects the

MOST FLOURISHING NEW TOWN

in the West. The County Seat, the United States Land Office and Post Office are located here. The Mississippi and Lake Superior

UNITED STATES MILITARY ROAD,

now in course of construction, connecting with St. Paul, terminates at this place. It is also the Lake termini of all the projected railroads to the head of Lake Superior. The "Soo" canal will be opened in June; after which, four lines of Lake Steamers will run to Superior—one from Chicago, two from Cleveland, and one from Buffalo; all fine vessels, having been built expressly for this trade.

One Steam Saw Mill is now in operation, and the machinery for a second is now on the way to Superior, which will be set to work immediately on its arrival.

One-half of the lots have been appropriated by the proprietors to be sold by the undersigned to actual settlers on easy terms, to provide a fund for extensive public improvements. Liberal appropriations have been made for public purposes; parks, churches, railroads, &c. &c.

☞ In order to correct the misapprehension arising from similarity of names, it is proper to state that "Superior City," about the title of which a legal controversy exists, is another and different place, and in a different township from SUPERIOR.

☞ Maps of SUPERIOR are signed by Thos. Clark, surveyor, and William H. Newton, agent and attorney for proprietors, and may be seen in the principal hotels of St. Paul, Galena, Chicago, Detroit, Cleveland, Toledo, Buffalo, and other cities.

All persons who wish to purchase lots, or obtain information, are requested to apply to WM. H. NEWTON, Superior, Douglas county, Wisconsin.

Agent and Attorney for Proprietors of Superior.

Board of Health Notice.

INFORMATION has been made to the Board of Health that cases of cholera occurring outside of the city have been brought within its limits for relief. No doubt the friends of the sick are prompted by motives of humanity, yet it is proper they should be informed that they subject themselves to a severe penalty by so doing.

The Legislature passed laws regulating this matter, in cases where the disease is malignant or contagious, in order that the densely populated city may be protected from any unnecessary scourge, which, when it has gained a footing, scarcely rests so long as there remains a subject for its remorseless attack.

The Board of Health are determined to enforce the law. If patients seized with cholera, or any malignant or contagious disease, outside the city, must be removed to any of the Hospitals, persons conveying them thither must have a permit from the Board of Health.

The attention of all persons interested is called to the following sections of an act approved April 8, 1852:

SEC. 6. CURIOUS AND SINGULAR PHENOMENON!—That is, Grey Hair restored to its natural color, with all the strength and healthy growth of youth, by use of the HAIR COLORING FLUID.

The singular adaptation of ingredients in this compound affects the small vessels at the roots of the hair, and thus stimulates the natural secretion of coloring matter, giving tone and strength to its growth. It also imparts to the hair a gloss and beauty unlike that given by any other preparation, and in every case it will restore the natural color of the hair, where age or sickness has turned it grey. MEDICAL.

AYER'S PILLS:

A NEW and singularly successful Remedy for the cure of all Billious Diseases, Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Inflammations, Headache, Pains in the Breast, Side, Back and Limbs, Female Complaints, &c., &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a caustic habit of body prevails; besides, it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and Billious derangements. They all tend to become or produce the deep-seated and formidable distempers which load the hearses all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill, to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such exalted positions and character as to forbid the suspicion of untruth.

Among the eminent gentlemen who have testified in favor of these Pills, we may mention—

Doct. A. A. HAYES, Analytical Chemist of Boston, and State Assayer of Massachusetts, whose high professional character is endorsed by the

Hon. EDWARD EVERETT, Senator of the United States.

ROBERT C. WINTHROP, Ex Speaker of the House of Representatives.

ABBOTT LAWRENCE, Minister Plen. to England.

†JOHN B. FITZPATRICK, Catholic Bishop of Boston also,

Dr. J. R. CHILTON, Practical Chemist of New York City, endorsed by

Hon. W. L. MARCY, Secretary of State;

WM. B. ASTOR, the richest man in America;

S. LELAND & CO., Proprietors of the Metropolitan Hotel, and others.

Did space permit, we could give many hundred certificates from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men, is found in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable Remedies extracted by Chemical process in a state of purity, and combined together in such a manner as to insure the best results. The system of composition for medicines has been found in Cherry Pectoral and Pills both, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, every medicine is burdened with more or less of acrimonious and injurious qualities, by this each individual virtue only that is desired for the curative effect is present. All the inert and obnoxious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self evident that the effects should prove as they have proved, more purely remedial, and the Pills a more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that many medicines should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate Formulæ by which both my Pectoral and Pills are made, to the whole body of Practitioners in the United States and British American Provinces. If, however, there should be any one who has not received them, they will be forwarded by mail to his request.

Of all the Patent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no mysteries.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Prepared by Dr. JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price 25 cents per box. Five boxes for $1.

INHALATIO

FOR THE CURE OF

ASTHMA AND CONSUMPTION

NEW AND VERY WONDERFUL

HYGEANA

BROUGHT HOME TO THE DOOR OF THE MILLION

A WONDERFUL DISCOVERY has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all diseases of the Lungs. We refer to "DR. CURTIS'S HYGEANA, OR INHALING HYGEAN VAPOR AND CHERRY SYRUP." With this new method, Dr. C. has restored many afflicted ones to health, as an evidence of which he has innumerable certificates. Speaking of the treatment a physician remarks, "It is evident that inhaling—constantly breathing an agreeable, healing vapor—the medicinal properties must come in direct contact with the whole aerial cavities of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subject to the process of digestion." The Hygeana is for sale at all the Druggists throughout the country.—*New York Dutchman of January 14.*

The Inhaler is worn on the breast, under the linen, without the least inconvenience—the heat of the body being sufficient to evaporate the fluid. Hundreds of cases of cures, like the following, might be named:

One package of the Hygeana has cured me of the Asthma of six years standing. J. F. KEESBURY, P. M. of Duncannon, Pa.

I am cured of the Asthma of ten years' standing by Dr. Curtis's Hygeana. MARGARET EASTON, Brooklyn, N. Y.

Mrs. Paul, of No. 5 Hammond street, N. Y., was cured of a severe case of Bronchitis by the Hygeana.

My sister has been cured of a distressing cough of several years' standing, and decided to be incurable by the physicians, by the use of one month, by the Hygeana.

J. H. GAUGERT, Richmond, Me.

The Rev. Dr. Cheever, of New York, testifies of our medicine in the following language:

NEW YORK, Nov. 15, 1854.

DEAR SIR—I think highly of Dr. Curtis's Hygeana as a remedy in diseases of the throat and lungs. Having had some opportunity to test its efficacy, I am convinced that it is a medicine of great value, both the Syrup and the inhaling application to the chest.

N. B.—Dr. Curtis's Hygeana is the ORIGINAL and ONLY GENUINE ARTICLE; all others are base imitations, or vile and INJURIOUS counterfeits. Shun them as you would POISON.

STATEMENT FROM CANADA.—

QUEBEC, February 7th, 1854.

Having experienced so much of the beneficial effects of your Vermifuge, I feel it my duty to recommend it to the public, as, in my opinion, one of the most efficacious remedies against worms ever offered to the public.

Gentlemen, believe me to be
