PROF. DE GRATE, Phila — Dear Sir: When I left home if

Paor Di Garge, Phila.—Dear Sir: When I left home for my health, (acrofulous eruptions, &c.,) I never expected to return again, believing that my complaint would soon carry me off. When you gave me three bottles of your Electric Old to take with me, as merely a palliative, I did not think I would so very soon be called upon to thank you, as I now do, fir my complete-restoration.

I can only say, tefore the departure of the steamer, that you have only to some here with your Oil, to make a fortune in one year. There is not another similar medicine in England, If in the world. I will write by next steamer.

Yours, most truly,

It cannot be their imaginations, who state that old sores, that have discharged from six months to five years, have been cured by this Oil. It cannot be untrue, nor a deception, where pain is relieved in one day, often in haif an hour. No! common sense dictates no!—and 000 written letters say no! Come and see them.
