sequiesced in. But now it requires a contract, varieties of grapes in and in this or any other -A story was circuisted yesteriay, by interest frand to effect a nominal fusion, and then it is of them the best raised in this or any other ed parties, that Passmere Williamson had de immediately repudiated. Then every one out- country. We would not object to his sending clined, in a letter over his own signature. No side of the strict democratic party was for fusion us a few more of these small white ones. What such letter has made its appearance, and we and ticipats none of the kind. Let no such trick mislead any one. DEATH OF MRS. ROGER B. TANEY AND DAUGHTER. -- We regret to have to announce the SAULT Sr MARIE. -- The ship canal is now in

to help secure its defeat. Which way do the death and burial of the wife and youngest excellent condition. Forty-five vessels of 24,ourrents run this year? Everybody can see, and death and ouriat of the wife and youngest castain the daughter of Chief Justice Taney. They died 442 tons measurement passed through it in the The currents this year are manifestly tending the summer. Mrs. Taney died of paralysis, of maintaining the work for the month was \$163

And the daughter of yellow forer. They were both buried in one grave, on the farm of Col Segar, near Old Point, on Monday. In this sudden and double affliction the venerable Chief Justice will have the united sympathy of all. GOVERNOR SHARRON.—A Washington corres. been witness to several cures performed.

A PUBLIC BENEFACTOR .- Some three weeks since, a gentlemen whese vocation is one of The New York Tribune approximates to luna publi: as well as of individual benefit, came

Senator last winter, and left our State only half represented in the United States Senate. That will be made right next winter. Simon Cameron "The readiness of the Tribune to improve an the number who called upon him was but small. may want the services of C. S. Eyster and D. L. occasion is amusing enough, but the reasoning Smith next winter, but the people will give by which it seeks to impress its dogmas upon its how here to the services of the gentlemen's professions, placed readers is often positively ridiculous. For the himself under treatment, and the result was a *Tribune*, there are at present but two subjects of interest in the world—slavery and alcoholic liquors; and any event, any catastrophe, however dire, is only of importance as it can be brought to bear upon violent suppression of these evils. Thus, a terrible epidemic has devasted two places south of Mason and Dixon's line. See the know, from childbood had been annoved with an ces south of Mason and Dixon's line. See the know, from childhood had been annoyed with an dire effects of slavery! ories the Triburr. A fa-tal affray occurs between two sober men in the tal aliray occurs between two sober men in the nim since, and he expressed himself perfectly bar-room of a highly respectable hotel, and the satisfied of his cure, and speaks as fuently as *Tribune* exclaims. See the words consequences of rum! But a show of reason is attempted, thus; There used to be forty cities [what sort of cities?] others, whose names we do not deem it proper man admitted that the Democratic vote would on the Campagna of Rome; but there were slaves to mention, have since placed themselves und be six thousand, too. "And then," said he the outside vote will decide it." And now, suppose it to be so. With the current all tend-mind way and her marked her marked and her so slaves Ar-suppose it to be so. With the current all tendsuppose it to be so. With the current all tend-ing in favor of the Democratic ticket, who doubts gal with miasmatic disease, while slavery fosters it, himself to the system of Dr. W. was entirely with be been in the brother state of the beauties of t
