Kansas. But independent of the influence those socie | quests to be paid, and save a law sult : ties, or any other adverse cause, Kansas will be a free State. Such is now the general impression; and all the alarms raised by abolitionist; journals can no longer deter northern people from seeking homes in that territory. The tide of migration towards it is now stronger than ever; and in a twelvementh its population will

probably be trebled. The late movement of the free State men in Kansas has had one important result. They resolved unanimously not to vote for delegate to Congress at the time fixed by the Legislature; but fixed upon a different day, and then turned out in their strength and elected Mr. Reeder as ber the pro-slavery party three to one. But

sum and substance of that much abused Nebraska bill; and the result of it is now perfectly apparent, and generally admitted. -

ern Democratic members vote for Whitfield he mittee. will take the scat. It will not be an easy quesa serious question at Washington next winter. ling to do the latter. But whichever way it may be decided there, it will make little practical difference with the future of Kansas so far as slavery is concerned. Should the acts of its late legislature be declared valid, the very next legislature may sweep otherwise Prof. Wilson, is alone worth the price for years," drew a pretty big crowd from the every one of those acts from the statute book of the number. by repealing acts. Kansas will be a free State.

Comparative Railroad Receipts --- The Pennsylvania Central. Below we give the comparative receipts for the first eight months of this and last year of some of the principal railroads in the Union :--

It will be observed by the above that the in- Pollock on General Power is illegal and void. crease on the Pennsylvania Central is \$898,505. while the combined increase on the three other great through routes (Erie, Baltimore and Ohio, Gov. Bigler, and his commission does not termiand New York Central) is only \$705.751. Any nate until October, 1856.
one of the other roads is at least one hundred 3d. That although Gen. Bowman is in law the miles longer than the Pennsylvania Central, and their length in the aggregate is considerably more than four times greater; if, therefore, the Baltimore and New York routes are paying concerns, that through Pennsylvania must be immeasurably more profitable. The New York Central is the only one which shows a greater gross receipts this year; but its length is 478 miles, while the Pennsylvania Central is only bitter obituary, apropos of the New York Whig 805 miles long. The grades on the New York State Convention: road are much heavier, thereby causing a far

for use in the Supreme Court, in good style, and on short notice, and invite the legal profession to give us a call.

\*\*The Family should be without them.\*

—We speak of M'Lane's Liver Pilis, which have become an indispensable family medicine. The frightful symptoms which arise from a diseased Liver manifest themselves, more or less, in every family; dyspeptia, sick healache, obstruction of the menses, ague and lever, pains in the sile, with dry, hacking cough, are all the results of hepatic derangement—and for these Dr. M'Lane's Pilis are a savering remedy. They have never been known to fail, and they should be kept at all times by families.

Directions—Take two or three going to bed, every second or third night. If they do not purge two or three times by next morning, take one or two rore. A stight breakfast and should invariably follow their use.

Mill Takeds can be had at the Omnibus Office, from the Agent of the Company, or from the Conductors.

Arrangements are being made to convey passengers from Freeport and Kiskiminitas stations to points along the Allegary and Kiskiminitas strates.

Boy and in operation between Piltaburgh and Kiskiminitas in and in operation between Piltaburgh and Kiskiminitas in and in operation between Piltaburgh and Kiskiminitas occurry, p. a. distance of 31 miles.

Trains for Passengers and Freight will leave Lawrence, the station, upper wail of Aresal, regularly every evening stations, viz.

Sharpsburg, Leland's, Sandy Creek, Verner, Hulton, Clarkers, McCain's, Presport, and Kiskiminitas Batton at 8 o'clock, and stop at the follow.

The Kzcislor Quantum Line will convey passengers to an discretion of the company, or from the Conductors.

J W. BUTLER & CO.

MOST EXTRAORDINABY MACHINE Which took the Diploma at the New York State Fair and several other Fair, FOR REMOVING

JORN FROM THE CO WE CHALLENGE any Machine in the world i RAPIDITY OF HAND WORKING! It is an entire new principle, NEVER BEFORE DISCOVER. A GREAT OURIOSITY: A boy 12 years old will shell from seventy to eighty els of Corn in a day, (without fatigue) of either dry, or green Corn—separatins it from the Cob. No els the corn required. Every kernal is removed from a cob, not destroying even the busk in which the corn cob, not destroying even the busk in which the corn instead of crushing the Corn off the cob, it is pick as a child would do with his fingors. It picks off the kernels for planting. Every farmer knows no muchic ever done this.

100,000 of these Machines MAKING AT DIFFERENT POINTS FOR THESE REMARKABLE MACHIN Execeds Credibility ! her description, see "NEW YORK TRIBUNE EXTRA,"
