OFFICIAL PAPER OF THE CITY.

PITTSBURGE: MONDAY MORNING NOVEMBER 12. MORNING POST JOB OFFICE. BOSINESS MEN to the fact that we have just received from Philadelphia a number of fonts of new Job Type, and are now prepared to fill orders for Cards, Circulars, Bil Heads, Paper Books, Posters, and Programmes for exhibit tions. All orders will be promptly filled

We are prepared to print paper books, for use in the Supreme Court, in good style, and on short notice, and invite the legal profession to give us a call.

ADVERTISING PUBLIC. Many persons advertising in newspapers have wrong impressions in regard to price and space. We publish below the rates and rules adopted by the Cincinnati Press which should rule here to enable printers to live. It costs no more to publish papers in the "Queen City" than it does in the "Iron City," yet the prices adopted by the press are considerably higher:

ENGLAND. The Alarm About the United States (From the London Times, Oct. 25) The English government is omitting no opportunity of reinforcing the West India squadron, latter having prevented his k rdship from entering the dressing room of an actress while she this country and the North American continent. This proceeding will, we doubt not, call forth from a large portion of the American press, that species of mild and temperate comment in which hey delight whenever the conduct of England is in question, and a political capital is to be manufactured by making her the object of invective and depreciation. We shall be told, no doubt, of the fiendish hatred of Eugland to republican America, and of the insolent menace behind which she veils her insidious and treacherous designs. Without the slightest wish to reflect in any way on the press which allows itself to be made the vehicle of such statements, or upon the constituencies whose vote are found
