Interesting and Astonishing Facts.

MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVANS'S celebrated Camomile and Aperient Antibilious Pills in alleviating afflicted mankind.

To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills.

Lowell, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference that the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisments in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely restoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,

THOS. K. GOODHUE, Centralia.

INTERESTING CASE *Cured by Dr. Wm. Evans's Camomile Tonic and Family Aperient Pills*—Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

☞ Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the northwest corner of Shippen and Georges streets. BENJAMIN BOWN.

Philadelphia October 26, 1837.

ASTHMA, THREE YEARS STANDING

Mr. Robert Monroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation, palpitation of the heart, distressing cough, shortness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Monroe gave up every thought of recovery and dire despair sat on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper some cures effected by Dr. Wm. Evans's medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

LIVER COMPLAINT SIX YEARS STANDING.

MRS. SARAH BRENHISER, wife of Mr. Amos Brenhiser, corner of Second street and Germantown Road, Philadelphia, affected for the last six years with the Liver Complaint, was completely restored to health by Dr. WM. EVANS'S Camomile Tonic and Family Aperient Pills. Her symptoms were habitual costiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep, great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brenhiser has made trial of various medicines now before the public, but received no relief until she was advised to make trial of Dr. Evans's Pills, of which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which are not essential to mitigate.

Mr. Brenhiser, (husband of the above Mrs. Brenhiser, had been two years afflicted with a distressed state of piles and Costiveness, of which he was effectually cured.

We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true. SARAH BRENHISER,

Sixth Year of Waldie's Library.

THIS popular periodical, which has been received with such distinguished favour in all the polished circles of the United States and Canada, will enter upon its sixth year on the 1st of January, 1838. Two volumes are published annually, and each being complete in itself, the first of every year is the proper time for new patrons to commence their subscriptions.

As an evidence of the capacity of the Library to convey intelligence at a cheap rate in the shape of books, it may be mentioned that during the current year it has contained five novels, four biographies, five travels, numerous reviews, fifteen tales, and a great variety of miscellaneous matter of immediate interest to the literary reader—Among the books issued in 1837, have been the following important ones:

Miss Pardoe's Life of the Sultan,
Dulens' Memoirs,
Carne's Letters from the East,
Crichton, a historical romance,
The Syracen, a Crusade romance,

Recovery of the Treasure Sunk in the Thetis,
The Life of Oliver Goldsmith,
Pretension, a novel, by Miss Stickney,
The Adventures of a French Sergeant,
Family Intermarriages, a novel, &c. &c.

The cost of the London books, *alone*, published in one year, is little less than forty dollars!—By the magic of the periodical press, this amount is supplied for *five dollars*, and disseminated to every town in the Union at little above the price of newspaper postage.

A very few complete sets, in ten volumes, are still for sale. Subscriptions for the coming year, accompanied by a remittance, will be promptly attended to. Address A. WALDIE,
