THE NORTHAMPTON BANK.

The undersigned, Business men of the Borough of Northampton in the County of Lehigh, in which the Northampton Bank is located, take this method to assure the public, that the reports which have lately been circulated, calculated to injure the credit of the Northampton Bank, are without foundation. In ordinary times, when Banks pay Specie, the best test of the Solvency of a Bank and the confidence in which it stands, is, that it is at all times ready to meet its Notes, when required so to do, in Specie, and to keep them at par in the Commercial Emporium of the State; but during a general suspension of Specie payments, the only means of testing the Solvency and standing of an individual Bank is, that it is able to draw on the principle Commercial City of the State, for notes presented for payment at the Counter of the Bank and keep its Notes at par in such City, which has been done by the Northampton Bank for the last fourteen years and done at this time, and we have the assurance, that there is no difficulty in the Bank continuing so to do. The subscribers were pained, to observe a Statement in one of the papers this morning, published in this Borough, respecting the Northampton Bank, which we know to be unfounded and we therefore caution the Public against such or similar attacks in newspapers upon the said Bank, as they are calculated to injure the Public as well as the Bank, without benefit to any, unless those, who would be willing to speculate upon the credulity of others.

BRANDRETH'S
Vegetable Universal Pills.

INVALID!—ONE DISEASE hath thou only—an impurity of thy blood, which, by impeding the circulation, brings on pain or derangement in the organ or part where such impurity of the blood settles. It is true, a VARIETY OF CAUSES may bring about the state of the blood—such as a violent bruise or fall, damp feet, indigestion, pain in the head, &c. &c., and although it may be said that these diseases have not their origin in impurity of the blood, yet the effect is the same, they all end in the impurity of the blood: and our only object to prevent the irritating influences be kept up, in other words the acrimonious humours, is continually to purge the body, as long as any unpleasant symptoms remain, with Dr. Brandreth's VEGETABLE UNIVERSAL PILLS, which, if persevered with in sufficient quantities to produce copious evacuations, will assist nature to restore every organ to a state of health. This is on the principle of draining: we drain a marshy piece of land, and from a state of sterility soon produce a most abundant fertility; and so it is with the human body; when any thing is the matter with it, we have only occasion to draft it by purgation—and experience has taught those who have adopted this reasonable practice, because consistent with our nature, that they have acted rightly, the result having been sound health. It is not more than 18 months since these Pills were introduced into the United States, but their sale has been altogether unprecedented, there having been sold of them in New York in that time, fully *one million five hundred thousand boxes*. And above 10,000 persons can be referred to in New York city, and nearly the same in Philadelphia, who have been cured when every other means had become altogether unavailing, of diseases which appeared of the most opposite character, and in many cases where the dreadful ravages of ulceration, had laid bare ligament and bone, and where to all appearance no human means could save life, have patients, by the use of these Pills, been restored to good health, the devouring disease having been completely eradicated.

Dr. Wm. Brandreth was so fully convinced of the truth of the above simple theory, that he spent 30 years in experiment and laborious research into the medical properties of the numerous plants composing the Vegetable Kingdom; his object being to compose a medicine which would at once purify, and produce by specific action, a removal of all by humors from the blood by the stomach and bowels, as by the continuation of the use of such a medicine, such humors are sure to be carried off, and the blood assume a state of purity: and whoever takes these Pills, and perseveres with them, will be satisfied that Dr. William Brandreth fully attained his philanthropic object. It is now an absolute and known fact, that every disease, whether it be in the head or feet, in the brain or meanest member; whether it be an outward ulcer, or on inward abscess, are all, though arising from many causes, reducible to this grand effect, namely, impurity of blood.

NOTICE.—As Drug and Chemical Stores are literally *flooded* with counterfeit Brandreth's Pills, it becomes those who want the genuine article to purchase only of the accredited agents or those who are known to be above such dishonest practices.

Mr. S Thompson & Co. Pottsville are the only agents at present for Schuylkill county.

Dr. Brandreths Office for the sale of the above Pills wholesale and retailis at 169 Race street, first door above fifth st north side, Philadelphia.

Always remember that Drug Stores never have the genuine Brandreth Pills for sale, therefore all purchases of them are sure to be counterfeit.

Swaim's Panacea.

AS the intemperance and luxury of the age are hastening the ravages of scorbutic complaints and rendering the blood more impure; and as thousands have destroyed their constitutions by neglecting to apply the proper remedies—to such, Swaim's Panacea must be, and has been, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor. Few families are wholly exempt from scorbutic affections, which exhibit various symptoms, as eruptions, ulcerations, debility, loss of appetite and dejection, all arising from impure blood, and if not properly attended to, produce the greatest injury to the constitutution, and may be imparted to their offspring. Swaim's Panacea is recommended at this season of the year, as a valuable restorative of the system, thereby invigorating the constitution, and enabling it to bear the debilitating effects of the summer season. It is conveyed by the circulating fluids, and corrects their tendency to all those diseases which originate in vitiated blood, diseased liver, depraved appetite, or predisposition to affections of the lungs, &c. No one, however, is advised to use it without convincing themselves of the truth of what is here stated.

This medicine is now used with success in all parts of the world, and is gaining great reputation in England.

Interesting and Astonishing Facts.

MORE conclusive proofs of the extraordinary efficacy of *DR. WM. EVAN'S* celebrated Camomile and Aperient Antibilious Pills in alleviating afflicted mankind.

To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills:

LOWELL, Nov. 15, 1837.

Dear Sir—Knowing by experience that every reference that the afflicted receive of the benefical results of medicines, I cheerfully refer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest: often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, which she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely reforing me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,

THOS. K. GOODHUE, Centralist.

INTERESTING CASE *Cured by Dr. Wm. Evans's Camomile Tonic and Family Aperient Pills*—Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

☞ Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. BENJAMIN BOWN.
Philadelphia October 26, 1837.

ASTHMA, THREE YEARS STANDING.

Mr. Robert Monroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position; without the sensation of impending suffocation, palpitation of the heart, distressing cough, costiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Monroe gave up every thought of recovery and dire despair sat on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper all the cures effected by Dr. Wm. Evans's medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

LIVER COMPLAINT SIX YEARS STANDING.

MRS. SARAH BRENHISER, wife of Mr. Amos Brenhiser, corner of Second street and Germantown Road, Philadelphia, affected for the last six years with the Liver Complaint, was completely restored to health by Dr. WM. EVANS'S Camomile Tonic and Family Aperient Pills. Her symptoms were habitual costiveness; excruciating pain in the stomach; depression of spirits; languor, extreme debility, disturbed sleep, great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brenhiser has made trial of various medicines now before the public, but received *no relief* until she was advised to make trial of Dr Evans's Pills, of which she is happy *to state that they effectually relieved her of the above distressing symptoms, with others*, which are not essential to intimate.

Mr. Brenhiser, (husband of the above Mrs Brenhiser, had been two years afflicted with a distressed state of piles and Costiveness; of which he was effectually cured.

We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true. SARAH BRENHISER,

Sixth Year of Waldie's Library.

THIS popular periodical, which has been received with such distinguished favour in all the polished circles of the United States and Canada, will enter upon its sixth year on the 1st of January, 1838. Two volumes are published annually, and each being complete in itself, the first of every year is the proper time for new patrons to commence their subscriptions.

As an evidence of the capacity of the Library to convey intelligence at a cheap rate in the shape of books, it may be mentioned that during the current year it has contained five novels, four biographies, five travels, numerous reviews, fifteen tales, and a great variety of miscellaneous matter of immediate interest to the literary reader.—Among the books issued in 1837, have been the following important ones:

Miss Pardoe's City of the Sultan,
Duteus' Memoirs,
Carnes' Letters from the East,
Crichton, an historical romance,
The Saracen, a Crusade romance,
Wraxall's Historical Memoirs,
The Gurney Papers,
Recovery of the Treasury Sunk in the Thetis,
The Life of Oliver Goldsmith,
Profession, a novel, by Miss Stickney,
The Adventures of a French Sergeant,
Family Interference, a novel, &c. &c.

The cost of the London books, *alone*, published in one year, is a little less than forty dollars!—By the Magic of the periodical press, this amount is supplied for *five dollars*, and disseminated to every town in the Union at little above the price of newspaper postage.

A very few complete sets, in ten volumes, are still for sale. Subscriptions for the coming year, accompanied by a remittance, will be promptly attended to. Address A. WALDIE,

Important Discovery.

The subscriber has discovered a method by which the virtues of that valuable root,

THE SARSAPARILLA,

May be extracted without losing any of its medicinal properties. This medicine is prepared after a receipt of the Medical College, a receipt recommended by the Faculty as the best formula for the preparation of the fluid extract of Sarsaparilla.

This Extract may be given with perfect safety to children, and is conscientiously offered to the public as a purifier of the blood, which in all cases will greatly alleviate and in many entirely cure the following diseases:

Obstinate eruptions of the skin,
Pimples or postules on the face,
Biles which arise from an impure habit of body,
Scaly eruptions,
Pains in the bones,
Chronic rheumatism,
Tetter,
Scrofula, or King's evil,
White Swellings,
Syphilitic symptoms,

And all disorders arising from an impure state of the blood, either by a long residence in a hot and unhealthy climate, or the injudicious use of mercury.

I have thought it necessary to attach a few certificates of its beneficial effects, from persons well known in the county, as references:

Reading, July 13, 1837.

We the undersigned, having used the Compound Fluid Extract of Sarsaparilla, (prepared by George W. Oakeley) in our families, most cheerfully recommend it to the public, as a cheap, safe and efficient medicine, in diseases arising from impurities of the blood.

JOHN MILLER,
WM. H. MILLER,
M. S. RICHARDS,
WM. RHOADS.

This is to certify that I was for two years afflicted with an obstinate *impetigenous* affection in one of my legs, which broke into numerous ulcers, for which I tried various remedies, which but increased the disease, when I was recommended to try Mr. Oakeley's preparation of Sarsaparilla. I did so, and after using several bottles I am happy to state that the ulcers are entirely removed and my leg healed. Witness my hand this 16th day of August, 1837.

JOHN R COLLER, Reading.

This certifies that my little son, about 8 years old, had suffered for a long time from extensive sores on the right knee and leg, (supposed to have been white swelling,) which I found impossible to heal, by even the aid of the most respectable medical advice, until I was recommended to use Mr. George W. Oakeley's Compound Syrup of Sarsaparilla, eight bottles of which not only healed he sores but perfectly restored the child's health which had suffered much in consequence of this affection. CATHARINE RINGEMAN,
7th above Penn st. Reading.

The above case was presented to me, both before and after the use of Mr. Oakeley's syrup of Sarsaparilla, and I have no hesitation in believing that it was the agent of his restoration.

Wilmington, Nov 20, 1837.

Mr. Oakeley.

Sir.—I consider it my duty to let you know that the use of the half dozen bottles of your valuable Sarsaparilla that I got of you in June last, has entirely healed my leg, the Doctor told me it was of a scrofulous character, and the use of your medicine would probably benefit it. The five bottles were not taken before it was healed, but I took the sixth to make the cure certain; it is now better than two months since I used any, and there is no appearance of a return, my physician thinks the cure perfect. Yours &c.

CHARLES BROWN.

The Penny Magazine of useful Knowledge,

IS decidedly one of the cheapest and most popular periodicals now extant.—there are 200,000 copies sold every month in England, and 63,000 in America.

The Parts of vol. 6 (for the year 1837) as far as received, can be had at this office. Price 1½ per part, or $2 00 per annum.

This Magazine is published in monthly parts, containing 40 large pages; the present volume is much enlarged and improved. The illustrations of wood cuts are executed in a superior manner.

There is an advantage in taking this work over all others, in person can discontinue it whenever he sees proper, for each part is always complete within itself.

Complete sets of this work from the commencement can be procured of the subscriber, at $2 per volume. B. BANNAN.
