**Read the Following Interesting and Astonishing Facts.**  
**MORE** conclusive proofs of the extraordinary efficacy of DR. WM. EVANS'S celebrated Camomile and Aperient Anthonilous Pills in alleviating afflicted mankind.  
To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills, Lowell, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference to the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest; often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost complete recovery. I am now healthy, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,  
THOS. K. GOODRUE, Centinel.

**INTERESTING CASE Cured by Dr. Wm. Evans's Camomile Tonic and Family Aperient Pills.**  
Mr. BENJAMIN BOWEN, Currier of Shippen and Georges streets, Philadelphia, afflicted for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight in the stomach, after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at this time happy to state that they effectually cured him of the above distressing disease.  
Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. BENJAMIN BOWEN. Philadelphia October 26, 1837.

**PARALYTIC RHEUMATISM.**  
A perfect cure effected by the treatment of Dr. William Evans.  
Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hips, shoulder, knees and ankles; an enlargement of the pained joints; and an extraordinary thickening of the fascia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

**ASTHMA THREE YEARS STANDING.**  
Mr. Robert Munroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability, and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation, palpitation of the heart, distressing cough, costiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Monroe gave up every thought of recovery and dire despair at the continuance of every person interested in his existence or happiness, till by accident he noticed in a public paper some cures effected by Dr. Wm. Evans's medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

**LIVER COMPLAINT SIX YEARS STANDING.**  
MRS. SARAH BRENHISER, wife of Mr. Amos Brehmiser, corner of Second street and Germantown Road, Philadelphia, afflicted for the last six years with the Liver Complaint, was completely restored to health by Dr. Wm. E. Evans's Camomile Tonic and Family Aperient Pills. Her symptoms were habitual costiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep, great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brehmiser has made trial of various medicines now before the public, but received no relief until she was advised to make trial of Dr. Evans's Pills, of which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which are not essential to intimate.  
Mr. Brehmiser, (husband of the above Mrs. Brehmiser, had been two years afflicted with distressed state of piles and Costiveness, of which he was effectually cured.  
We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true.

**BRANDRETH'S Vegetable Universal Pills.**  
INVALIDS—ONE DISEASE has two only—An impurity of the blood, which, by impeding the circulation, brings on pain or derangement in the organ or part where such impurity of the blood settles. It is true, a VARIETY of CAUSES may bring about the state of the blood—such as a violent bruise or fall, damp feet, indigestion, pain in the head, &c. &c., although it may be said that these diseases have not their origin in impurity of the blood, yet the effect is the same, they all end in the impurity of the blood, and only object to prevent the irritating influences by kept up, in order to prevent the action of the blood, and to restore the system to a healthy state. It is not more than 18 months since these Pills were introduced into the United States, but their sale has been unprecedented, there having been sold of them in New York in that time fully one hundred thousand boxes. And above 10,000 persons can be referred to in New York, and nearly the same in Philadelphia, who have been cured when every other means had become altogether unavailing, and persons who were thought to be incurable, and in many cases where the dreadful ravages of ulceration, laid laid bare ligaments and bone, and where all appearance of human means could save him, have patiently, by the use of these Pills, been restored to good health, the devouring disease having been completely eradicated.  
Dr. Wm. Brandreth was so fully convinced of the truth of the above simple theory, that he spent years of time and labor in research into the medical properties of the numerous plants composing the Vegetable Kingdom; his object being to compose a medicine which would at once purify, and produce by specific remedies, the effect of nature, and apply to the blood by the stomach and bowels, as by the continuation of the use of such a medicine, such persons are sure to be carried off, and the blood is purified, and the system restored to its natural state of purity; and it is with this view that Dr. Wm. Brandreth's Pills were first introduced into the United States, and nearly the same in Philadelphia, who have been cured when every other means had become altogether unavailing, and persons who were thought to be incurable, and in many cases where the dreadful ravages of ulceration, laid laid bare ligaments and bone, and where all appearance of human means could save him, have patiently, by the use of these Pills, been restored to good health, the devouring disease having been completely eradicated.

**SWAIN'S PANACEA.**  
As the impurities and luxury of the age are hastening the ravages of scorbutic complaints and rendering the blood more impure; and as the hands have destroyed themselves by neglecting to apply to the medicine, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor, and as it is an important remedy in all cases of scorbutic affections, which exhibit various symptoms, as eruptions, ulcerations, debility, loss of appetite and drowsiness, all arising from impure blood, and if not properly attended to, produce the most dangerous and fatal consequences, we have prepared a new and improved Panacea, which we recommend at this season of the year, as a valuable restorative of the system, thereby invigorating the constitution, and enabling it to bear the summer season, and to correct the tendency to all those diseases which originate in vitiated blood, diseased liver, depraved appetite, or prostration of the powers of the lungs, &c. &c. without conceiving themselves of the truth of what is here stated.  
This medicine is now used with success in all parts of the world, and is gaining great reputation in England. A fresh supply of the Medicine just received and for sale by

**Important Discovery.**  
The subscriber has discovered a method by which the virtues of this valuable root,  
**THE SARSAPARILLA,**  
May be extracted without losing any of its medicinal properties. This medicine is prepared after a receipt of the Medical College's receipt recommended by the Faculty at the best formula for the preparation of the fluid extract of Sarsaparilla.  
This Extract may be given with perfect safety to children, and is conscientiously offered to the public as a purifier of the blood, which in all cases will greatly relieve, and in many entirely cure the following diseases:  
Obstinate eruptions of the skin, Pimples by patches on the face, Bites which arise from an impure habit of body, Scaly eruptions, Chronic rheumatism, Tetters, Scrofula, or King's evil, White Swellings, Syphilitic symptoms, And all arising from an impure state of the blood, either by a long residence in a hot and unhealthy climate, or the injudicious use of mercury. I have thought it necessary to attach a few certificates of its beneficial effects, from persons well known in the county, as a reference.  
Reading, July 13, 1837.

We the undersigned, having used the Compound Fluid Extract of Sarsaparilla, prepared by George W. Oakley, in our families, most cheerfully recommend it to the public, as a cheap, safe and efficient medicine, in diseases arising from impurities of the blood.  
JOHN MILLER, WM. H. MILLER, MS. RICHARDS, WM. RHODES.  
Reading, July 13, 1837.

This is to certify that I was for two years afflicted with an obstinate impetiginous affection in one of my legs, which broke into numerous ulcers, for which I tried various remedies, which but increased the disease, when I was recommended to try Mr. Oakley's Compound Fluid Extract of Sarsaparilla. I did so, and after using several bottles I am happy to state that the ulcers are entirely removed and my leg healed. Witness my hand this 16th day of August, 1837.  
JOHN R. COLLIER, Reading.  
This certifies that my little son, about 8 years old, had suffered for a long time from excessive sores on the right knee and leg, (supposed to have been white swelling), which I found impossible to heal, by even the aid of the most celebrated medical advice, until I was recommended to use Mr. George W. Oakley's Compound Fluid Extract of Sarsaparilla, eight bottles of which not only healed the sores, but perfectly restored the child's health, which had suffered much in consequence of this affliction. J. A. THIRN, B. J. MEDIAN, 7th above Penn st. Reading.  
The above case was presented to me, both before and after the use of Mr. Oakley's Sarsaparilla, and I have no hesitation in believing that it was the agent of his restoration. Witness my hand and seal, this 16th day of August, 1837.  
Reading, Sept. 12, 1837. Wilmington, Nov. 20, 1837.

Mr. Oakley, Sir—consider it my duty to let you know that the use of your valuable Sarsaparilla has cured me of a skin disease which I had for many years, and which I had been told by the Doctor that it was of a scrofulous character, and the use of your medicine would probably be of little benefit. The five bottles were not taken before it cured; it is now better than two months since I used any, and there is no appearance of a return, my physician thinks the cure perfect. Yours, &c.  
CHARLES BROWN.
