Read the Following Interesting and Astonishing Facts.
MORE conclusive proof of the extraordinary efficacy of **DR. WM. EVANS' Camomile and Aperiens Antibilious Pills** in alleviating a bilious attack.
To James Dickson, 35, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans' Camomile Pills, Lowell, Nov. 15, 1837.
Dear Sir—Knowing by experience that every reference that is affected, receive of the beneficial effects of medicine, I cheerfully offer my testimony to the public in behalf of **DR. WM. EVANS' CAMOMILE PILLS.** I have been afflicted for the last ten years with distress in the head and chest; often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, which she forwarded me to send for some, which I did, and obtained two boxes of your pills, which resulted in almost complete restoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully, **THOS. K. GOODHUE, Centralist.**

INTERESTING CASE Cured by Dr. Wm. Evans' Camomile Pills.
MR. BENJAMIN BOWN of Shippen and Georgetown, Philadelphia, afflicted for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, excruciating, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or energy, sickness and weakness, extreme debility, disturbed rest, sense of pressure and weight at the stomach, after eating, great mental despondency, severe flying pains in the chest back and side, constiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans' Camomile Pills and Family Aperiens Pills, he was induced to give them a trial, which he did at any time happy to state that they effectually cured him of the above distressing disease.
Persons who doubt the above, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georgetown streets. **BENJAMIN BOWN,** Philadelphia October 26, 1837.

PARALYTIC RHEUMATISM.
A perfect cure effected by the treatment of Dr. William Evans.
Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years, and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hips, shoulder, knees and ankles, an aggravation of the pain towards night; and for the most part all times from external heat, an obvious thickening of the fascia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson consents to meet to say that the pain have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.
BENJAMIN BOWN, Philadelphia October 26, 1837.

INTERESTING CASE of Tubercular Consumption.
MR. JOHN ROSE applied on the 1st day of September at the office 100 Chatham street, laboring under the following symptoms:—A slight spitting of blood, distressing cough, attended with an expectation of phlegm, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. On examination, the chest was found to sound well every where except under the left clavicle, and in the arm pit of the same side.
Treatment.—Directed to take the restorative Camomile Pills, with the expectorating compound, at the same time a regimen, for four days; when the night sweats had ceased, the expectation slightly diminished, a slight fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week—when his health continued rapidly increasing, without the least cough. Called at the office on the 4th of this month, quite convalescent returning his sincere thanks for the benefit he has obtained, and promising to continue chiefly used milk regimen, during his treatment.

ASTHMA, THREE YEARS STANDING.
Mr. Robert Monroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, fatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation; palpitation of the heart; distressing cough, constiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Monroe gave up every thought of recovery and dire despair sat on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper some cures effected by Dr. Wm. Evans' medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely restoring every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored; may likewise receive the same incalculable benefit.
JOHN R. COLLIER, Reading, Dec 23

LIVER COMPLAINT SIX YEARS STANDING.
MRS. SARAH BRENNISER, wife of Mr. J. Amos Brennan, corner of Second street and Germantown Road, Philadelphia, afflicted for the last six years with the Liver Complaint, was completely restored to health by **DR. WM. EVANS' CAMOMILE PILLS.** Her symptoms were habitual constiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep, great pain in the side, the left side without aggravation of years; distension in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brennan has made trial of various medicines now before the public, but received no relief until she was induced to make trial of Dr. Evans' Pills, which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which she has no time to detail. She has been two years afflicted with a

distressing state of piles and Constiveness, of which she was ultimately cured.
We do hereby recommend our signature to the length of the above case, that the contents be in every respect true.

Important Discovery.
The subscriber has discovered a method by which the virtues of that valuable root,
THE SASSAPARILLA,
May be extracted without losing any of its medicinal properties. This medicine is prepared after a receipt of the Medical College of the University of the Faculty at the best formula for the preparation of the fluid extract of Sarsaparilla.
This Extract may be given with perfect safety to children, and is conscientiously offered to the public as a purifier of the blood, which in all cases will greatly alleviate and in many entirely cure the following diseases:
Obstinate eruptions of the skin,
Pimples or pustules on the face,
Riles which arise from an impure habit of body,
Scaly eruptions,
Pains in the bones,
Chronic rheumatism,
Tetter,
Scorbutic, or King's evil,
White Swellings,
Syphilitic symptoms,
And all disorders arising from an impure state of the blood, either by a long residence in a hot and unhealthy climate or the injudicious use of mercury.
I have thought it necessary to attach a few certificates of its beneficial effects, from persons well known in the county, as references:
Reading, July 13, 1837.

We the undersigned, having used the Compound Fluid Extract of Sarsaparilla (prepared by George W. Oakeley) in our families, about a year, we recommend it to the public, as a cheap, safe and efficient medicine, in diseases arising from impurities of the blood.
This is to certify that I was for two years afflicted with an obstinate rheumatic affection in one of my legs, which broke into numerous ulcers, for which I used various remedies, which did not increase the disease, until I was recommended to try Mr. Oakeley's preparation of Sarsaparilla. I did so, and after using several bottles I am happy to state that the ulcers are entirely removed and by leg healed. Witness my hand and seal this 15th day of August, 1837.
JOHN R. COLLIER, Reading.
This certifies that my little son, about 8 years old, had suffered for a long time from extensive sores on the right knee and leg, (supposed to have been white swelling) which I found impossible to heal. By the use of the most respectable medical advice, until I was recommended to use Mr. George W. Oakeley's Compound Syrup of Sarsaparilla, eight bottles of which he not only healed the sores but perfectly restored the child's health which had suffered much in consequence of this affection. **CATHARINE BINGEMAN,** 7th above Penn St. Reading.
The above case was presented to me, both before and after the use of Mr. Oakeley's Syrup of Sarsaparilla, and I have no hesitation in believing that it was the agent of his recovery.
JNO. P. HESTER, M. D. Reading, Sept. 12, 1837.
Washington, Nov 20, 1837.

Mrs. Oakeley.
Sir—I consider it my duty to let you know that the use of the half dozen bottles of your valuable Sarsaparilla has not only cured me, but has entirely healed my leg, the Doctor told me it was a wonderful cure, and the use of your medicine would probably benefit it. The five bottles were sent before it was healed, but I took the 6th to make the cure certain; it is now better than two months since I used any more, and I am perfectly well. My physician thinks the cure perfect. Yours, &c.

BRANDRETH'S Vegetable Universal Pills.
INVALIDS—ONE DISEASE has but only an impurity of the blood, which, by impeding the circulation, brings on pain or derangement in the organs or part where such impurity of the blood settles. It is true, a variety of causes may bring about the state of the blood—such as a violent purging of the bowels, indigestion, pain in the head, &c. &c. and although it may be said that these diseases have not their origin in impurity of the blood, yet the effect is the same; they all end in the impurity of the blood. Our only object in preparing this irritating influence is to keep it in the human body, where it is continually to purge the body, as long as any unpleasant symptoms remain. With Dr. Brandreth's VEGETABLE UNIVERSAL PILLS, which if persevered with in sufficient quantities to produce frequent evacuations, will assist nature to restore every organ to a state of health. This is on the principle of draining; we drain a marshy piece of land, and from a state of sterility soon produce a most abundant fertility and so it is with the human body, when any thing is the matter with it, we have only occasion to drain it by purgation—and experience has taught those who have adopted this reasonable practice, because consistent with nature, that they have acted rightly, the result having been, that they have not more than 18 months since these Pills were introduced into the United States, but their sale has been altogether unprecedented, there having been sold of them in New York in that time, fully one hundred thousand boxes. And above 100,000 persons can be referred to in New York city, and nearly the same in Philadelphia, who have been cured when every other means had become altogether unavailing, of diseases which appeared of the most opposite character, and in many cases where the dreadful ravages of ulceration, had laid bare ligaments and bones, and where to all appearance no human means could have life, have patients, by the use of these Pills, been restored to good health, the detouring of ulcers being completely eradicated.
Dr. Wm. Brandreth was so fully convinced of the truth of the above simple theory, that he spent 30 years in experiment and laborious research, till he discovered the cause of the disease, and he has accordingly prepared the Vegetable Kingdom; his object being to compose a medicine which would act gently, and produce by specific action, a removal of all by humors from the blood by the stomach and bowels, and the continuation of the use of such medicine, such humors are sure to be carried off, and the blood assumes a state of purity; and whoever takes these Pills, and perseveres with them, will be satisfied that Dr. Wm. Brandreth has not only discovered the cause of the disease, but also an absolute and known fact; that every disease, whether it be in the head or feet, in the brain or amongst members, whether it be an outward ulcer, or an inward abscess, or any other disease, arising from many causes, reducible to this grand effect, namely, impurity of blood.
NOTICE.—As Drug and Chemical Stores are everywhere flooded with counterfeit Brandreth's Pills; it behooves the patient to be on his guard, and to purchase only of the accredited agents of those who are known to be above such dishonest practices.
Mr. S. Thompson & Co. Pottsville are the only agents for Schuylkill County.
Dr. Brandreth's Office for the sale of the above Pills, wholesale and retail, at 169 Race street, first door above sixth at north side, Philadelphia.
Always remember that Drug Stores never have the names of these Pills for sale, unless they have purchased them where they are sure to be counterfeit.

Swain's Panacea.
As the impotence and luxury of the age are hastening the ravages of scorbatic complaints and rendering the blood more impure; and as thousands have destroyed their constitutions by neglecting to apply the proper remedies; to such Swain's Panacea must be, and has been, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor. Few families are wholly exempt from scorbatic affections, which exhibit various symptoms, as eruptions, ulceration, debility, loss of appetite and digestion, all arising from impure blood, and if not properly attended to, produce the greatest injury to the constitution, and may be imparted to their offspring. Swain's Panacea is recommended at the season of the year, as a valuable restorative of the system, thereby invigorating the constitution, and enabling it to bear the debilitating effects of the summer season. It is conveyed by the circulation of this fluid, and corrects their tendency, to all those diseases which originate in vitiated blood; diseased liver, depraved appetite, or predisposition to scorbatic affections of the lungs, &c. No one, however, is advised to use it without convincing themselves of the truth of what is here stated.
This medicine is now used with success in all parts of the world, and is gaining great reputation in England.
