Read the Following. MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVANS' celebrated Camomile and Aperient Antibilious Pills in alleviating afflicted mankind. To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans' Camomile Pills. Lowell, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference that is addressed, receive of the beneficial results of medicine, I cheerfully offer mine to the public in behalf of DR. WM. EVANS' CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest; often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely restoring me to health, although I have not yet entirely benefited. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it as you may see fit. THOS. K. GOODRUE, Centralist.

INTERESTING CASE Cured by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills.—Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, afflicted for seven years with extreme nervousness, by which he was unable to write his name, his symptoms were, excruciating daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach, a dry eating, great mental depression, severe flying pains in the chest back and side, costiveness, dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he has at this time been able to state that they effectually cured him of the above distressing disease. If Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north-west corner of Shippen and Georges streets. BENJAMIN BOWN, Philadelphia, October 26, 1837.

LIVER COMPLAINT 10 YEARS STANDING. Mrs. Hannah Browne, wife of Joseph Browne, N. 6th street, near Second, Williamsburg, afflicted for the last ten years with the Liver complaint, completely restored to health through the treatment of Dr. Wm. Evans. Symptoms—Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastrium, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high colored, with other symptoms indicating great derangement in the functions of the liver.

Mr. B. was attended by three of the first physicians, but received but little relief from their medicine. Mr. Browne procured some of Dr. Wm. Evans' invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate. JOSEPH BROWNE. City and County of New York, ss. Joseph Browne, of Williamsburg, Long Island, being duly sworn, did depose and say that the facts as set forth in the within statement, which he has subscribed his name, are just and true. JOSEPH BROWNE. Husband of the said Hannah Browne. Sworn before me this 4th day of January, 1837. PETER PINKNEY, Com. of Deeds.

INTERESTING CASE of Terribular Consumption.—Mr. John Rose applied on the 1st day of September at the office 100 Chatham street, laboring under the following symptoms:—A slight spitting of blood, distressing cough attended with an expectation of purulent matter, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. On examination, the chest was found to sound well every where except under the left clavicle, and in the arm pit of the same side. Treatment.—Directed to take the restorative Camomile Pills, with the expectorating compound, at the same time, in addition, to call for four days, which the night sweats had ceased, the expectation slightly diminished, as light fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week—when his health continued rapidly increasing, without the least cough. Called at the office on the 4th of the month, quite convalescent, returning his sincere thanks for the general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. The above patient chiefly used milk regimen, during his treatment.

ASTHMA, THREE YEARS STANDING. Mr. Robert Munroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, lightness and stricture across the breast, giddiness, nervous irritability and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation; palpitation of the heart, distressing cough, costiveness, pain of the stomach, drowsiness, great debility and debility of the nervous energy. Mr. R. Munroe gave up every thought of recovery and dire despair set on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper some cures effected by Dr. Wm. Evans' medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same distressing symptoms similar to those from which he is happily restored, may likewise receive the same inescapable benefit.

LIVER COMPLAINT SIX YEARS STANDING. MRS. SARAH BRENHISER, wife of Mr. Wm. Evans, corner of Second street and Germantown Road, Philadelphia, afflicted for the last six years with the Liver Complaint, was completely restored to health by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills. Her symptoms were, habitual costiveness, excruciating pain in the stomach, depression of

spirits, languor, extreme debility, disturbed sleep, great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brenhiser has made trial of various medicines now before the public, but received no relief until she was advised to make trial of Dr. Evans' Pills, of which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which are not essential to intimate. Mr. Brenhiser (husband of the above Mrs. Brenhiser, had been two years afflicted with a distressing state piles and Costiveness, of which he was effectually cured.

PARALYTIC RHEUMATISM. A perfect cure effected by the treatment of Dr. William Evans. Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hips, shoulder, knees and ankles, an aggravation of the pains towards night, and for the most part all times from external heat, an obvious thickening of the fascia and ligaments, with complete loss of muscular power. For the cure of those afflicted in a similar manner, Mr. Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

ASTHMA, 5 YEARS STANDING. Mr. Charles Hobart, No. 122 Orange street, N. Y., afflicted for five years with humoral habitual Asthma, applied at the office 100 Chatham street on the 4th of October, laboring under the following symptoms. A sense of tightness across the chest, with the greatest difficulty of breathing, distressing cough, generally ending with copious expectoration of viscid phlegm, disturbed rest, the face turbid and of a livid hue—could not lie in a horizontal position without the sensation of impending suffocation, languor, drowsiness, and dizziness in the head; and loss of appetite. Mr. H. applied to the most eminent physicians in this city, likewise used several other remedies without obtaining any permanent benefit, until his friends persuaded him to place himself under Dr. William Evans' treatment. He is now relieved of his complaint, and called at the office yesterday, avowing that he had not nearly so experienced his gratitude for the benefit he had received. October 21, 1837. We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true. SARAH BRENHISER, JOHN STEIF, Baker, Philadelphia, Oct. 21st, 1837.

Dr. Wm. EVANS' Medical Office; for the sale of his excellent Medicine, is at No. 19, north Eighth street, Philadelphia. Sold by J. T. WERNER, Sole Agent for Schuylkill County. **INTERESTING CASE.** DYSPEPSIA & HYPOCHONDRIACISM. Mrs. Anne G. Kenny, No. 115 Louis street, between Stanton and Houston streets, afflicted for ten years with the following distressing symptoms. Acid eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigor or courage, sometimes a visionary idea of an aggravation of her disease, a whimsical aversion to particular persons and places, groundless apprehensions of personal danger and poverty, an insomnence and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live, she wept, lamented desponded, and thought she led a most miserable life, never was one so bad, with frequent mental hallucinations. Mrs. Kenny had the advice of several eminent physicians, and had recourse to numerous medicines, but could not obtain even a temporary alleviation of her distressing state. Her husband persuaded her to make trial of my mode of treatment. She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence. J. KENNY, Husband of the aforesaid Anne Kenny. Sworn before me this 14th day of Dec. 1836. Peter Pinkney, Com. of Deeds.

Comfort and Convenience TO THE HEALTHY AND SICK. The subscriber respectfully informs his friends and the public at large, that since his return from Europe, he works with a new zeal and diligence at the manufacturing of Elastic Mattresses in this Borough, and flatters himself, without fearing the accusation that he is a Boaster and Charlatan, with being able hereafter to make such mattresses as not to be inferior to any work of this kind, in reference to their beauty, solidity, and durability, and people will certainly be convinced of the comfort and saving of time, which these articles afford, principally when there is somebody sick in the family. Besides the subscriber knows the old adage, "the work must give credit to its maker," and he therefore, very politely invites those wishing to get an article of this description, to come and examine for themselves, one of the said Mattresses, just now finished, that they may be convinced of the truth of his saying. HENRY MEYER, Reading, Jan. 18, 1838.

P. S. Persons wishing to buy Elastic Mattresses, of the description aforesaid, will apply to the subscriber, a few doors above Fisher's Store, in Reading, where a list of subscribers is open to the public, as the manufacturing thereof wants some time. The Mattresses will not be delivered before May next. The undersigned has, at the request of Mr. Henry Meyer examined his newly invented "Double Spring Elastic Mattress." Its uniform elasticity renders it truly a luxury for common use; and to the sick especially. Such as are long confined to a horizontal posture, it promises to prove invaluable. Its permanent smoothness will supersede the necessity of removing the patient "to make his bed," while its elastic quality appears well calculated to obviate in a great degree or entirely prevent the sloughing so apt to occur in cases of long confinement. ISAAC HESTER, M. D.

I fully concur in the opinion above expressed, in regard to Mr. Meyer's "Double Spring Elastic Mattress." JOHN P. HESTER, M. D. Having carefully examined Mr. Henry Meyer's "Double Spring Elastic Mattress," I concur in the above opinion; believing it to answer all the purposes intended. JOHN B. OTTO. I have examined Mr. Henry Meyer's "Double Spring Elastic Mattress" with care, and I would recommend it to all persons, and especially to the sick, as it would be a great advantage. JACOB MARSHALL. Having carefully examined Mr. Henry Meyer's "Double Spring Elastic Mattress," I fully concur in the opinion expressed, in the foregoing certificate. A. H. WITMAN. I have examined with care Mr. Meyer's "Elastic Mattress," and fully concur in the opinion above expressed, as to its usefulness and general good qualities. H. H. MUEHLBERG. At Mr. Meyer's request, I concur in the favorable opinions expressed by the above named gentlemen. SOLOMON G. BIRCH.
