MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVAN'S celebrated Camomile and Aperient Antibilions Pills in alleviating afflicted mankind.

To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills.

LOWELL, Nov. 15, 1836. Dear Sir—Knowing by experience that every reference that the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest: often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisments in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely retoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to

yourself, or the public, you have my cheerful permission to publish it." Yours, respectfully, THOS. K. GOODHUE, Centralist, NTERESTING CASE Cured by Dr. Wm. Econo's Camemile Tonic and Family Aperient Pills Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was not able to write his name—his which he was not able to write his name—his symptoms were, eruscation, daily spasmodic, pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness exteme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

EPersons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. BENJAMIN BOWN. Georges streets. BENJAMI Philadelphia October 26, 1837.
