Interesting and Astonishing Facts.

MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVAN'S celebrated Camomile and Aperient Antibilious Pills in alleviating afflicted mankind.

To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills.

LOWELL, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference that the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest: often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisments in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely retoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,

THOS. K. GOODHUE, Centralist.

INTERESTING CASE *Cured by Dr. Wm. Evans's Camomile Tonic and Family Aperient Pills*—Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease.

☞ Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. BENJAMIN BOWN.

Philadelphia October 26, 1837.

LIVER COMPLAINT, 10 YEARS STANDING.

Mrs. Hannah Browne, wife of Joseph Browne, N. 6th street, near Second, Williamsburg, afflicted for the last ten years with the Liver complaint, completely restored to health through the treatment of Dr. Wm. Evans. Symptoms—Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high colored, with other symptoms indicating great derangement in the functions of the liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans's invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate. JOSEPH BROWNE.

City and County of New York, ss.

Joseph Browne, of Williamsburg, Long Island, being duly sworn, did depose and say that the facts as set forth in the within statement, to which he has subscribed his name, are just and true.

JOSEPH BROWNE.

Husband of the said Hannah Browne.

Sworn before me this 4th day of January, 1837.

PETER PINKNEY, Com. of Deeds.

INTERESTING CASE *of Tubercular Consumption.*—Mr. John Russel applied on the 1st day of September at the office 100 Chatham street, laboring under the following symptoms—A slight spitting of blood, distressing cough, attended with an expectoration of purulent matter, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. On examination, the chest was found to sound well every where except under the left clavicle, and in the arm pit of the same side.

Treatment—Directed to take the restorative Camomile Pills, with the expectorating compound, at the same time an injunction, to call in four days; when the night sweats had ceased, the expectoration slightly diminished, an light fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week—when his health continued rapidly increasing, without the least cough. Called at the office on the 4th of this month, quite convalescent returning his sincere thanks for the benefit he had obtained.

The above patient chiefly used milk regimen, during his treatment.

ASTHMA, THREE YEARS STANDING.

Mr. Robert Munroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation, palpitation of the heart, distressing cough, costiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. E. Monroe gave up every thought of recovery and dire despair sat on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper, some cures effected by Dr. Wm. Evans's medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

LIVER COMPLAINT SIX YEARS STANDING.

MRS. SARAH BRENHISER, wife of Mr Amos Brenhiser, corner of Second street and Germantown Road, Philadelphia, affected for the last six years with the Liver Complaint, was completely restored to health by Dr. WM. EVANS'S Camomile Tonic and Family Aperient Pills. Her symptoms were habitual costiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep, great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brenhiser has made trial of various medicines now before the public, but received no relief until she was advised to make trial of Dr Evans's Pills, of which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which are not essential to intimate.

Mr. Brenhiser, (husband of the above Mrs Brenhiser, had been two years afflicted with a distressed state piles and Costiveness, of which he was effectually cured.

PARALYTIC RHEUMATISM.

A perfect cure effected by the treatment of Dr. William Evans.

Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hips, shoulder, knees and ankles, an aggravation of the pains towards night; and for the most part all times from external heat, an obvious thickening of the fascia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

INTERESTING CASE.

DYSPEPSIA & HYPOCHONDRIACISM.

Mrs. Anne G. Kenny, No. 115 Louis street, between Stanton and Houston streets, afflicted for ten years with the following distressing symptoms:

Acid eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigor or courage, sometimes a visionary idea of an aggravation of her disease, a whimsical aversion to particular persons and places, groundless apprehensions of personal danger and poverty, an irksomeness and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live, she wept, lamented desponded, and thought she led a most miserable life, never was one so bad, with frequent mental hallucinations. Mrs. Kenny had the advice of several eminent physicians, and had recourse to numerous medicines, but could not obtain even a temporary alleviation of her distressing state, till her husband persuaded her to make trial of my mode of treatment. She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence. J. KENNY.

Husband of the aforesaid Anne Kenny.

Sworn before me this 14th day of Dec. 1836.

Peter Pinckney, Com. of Deeds

ASTHMA. 5 YEARS STANDING.

Mr. Charles Hobart, No. 122 Orange street, N. Y. afflicted for five years with hutioral habitual Asthma, applied at the office 100 Chatham street on the 4th of October, laboring under the following symptoms. A sense of tightness across the chest, with the greatest difficulty of breathing, distressing cough, generally ending with copious expectoration of viscid phlegm, disturbed rest, the face turbid and of a livid hue—could not lie in a horizontal position without the sensation of immediate suffocation, languor, drowsiness, and dizziness in the head, and loss of appetite.

Mr. H. applied to the most eminent physicians in this city, likewise used several other remedies without obtaining any permanent benefit, until his friends persuaded him to place himself under Dr. William Evans' treatment. He is now relieved of his complaint, and called at the office yesterday, avowing that he had not words to express his gratitude for the benefit he had received. October 21, 1837.

We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true. SARAH BRENHISER
