ILLUSTRATION OF REALITY. *Read the following and be convinced!*

A BEAUTIFUL HEAD OF HAIR

IS the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives are consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning grey, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtue of Oldridge's Balm are shown by the proprietors.

☞ Read the following:

ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentlemen.

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable not only as a preventive against the falling off of hair, but also a certain restorative. WM. THACHER, senior,

Methodist Minister in St. George charge, No. 56 North Fifth-street.

JOHN P. INGLES, 331 Arch street.
JOHN D. THOMAS, M. D. 163 Race st.
JOHN S. FUREY, 101 Spruce st.
HUGH McCURDY, 243 South 7d st.
JOHN GARD, Jr. 123 Arch st.

The aged, and those who persist in wearing wigs may not always experience its restorative qualities, yet it will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30.

[From the Mayor.]

COMMONWEALTH OF PENNSYLVANIA, City of Philadelphia.

I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. Ingles, John S. Furey, and Hugh McCurdy, whose names are signed to the above certificate, that they are gentlemen of character and respectability, and as much full credit should be given to the said certificate.

In witness whereof, I have hereunto set my hand, and caused the seal of the city to be affixed, this [L. S.] sixth day of December, &c.

ROBERT WHARTON, Mayor.

ROYAL COLLEGE OF SURGEONS, LONDON.

Miskin's Pills.

THE Original Hygeian Universal Vegetable Medicine, prepared by W. MISKIN, Esq. Member of the Royal College of Surgeons, Licentiate of Apothecaries Company, Fellow of Bol. Court Society, Surgeon to the Royal Union Pension Association, Lancaster place, Waterloo Bridge; and Perpetual Pupil of Guay's and St Thomas' Hospitals, London.

These pills having gained acelebrity unparalleled in every section of the Union, are now considered by all those who value good health, indispensable as a family medicine—patronized by a numerous body of the most eminent Physicians both in this country and in Europe,—is sufficient, it is presumed, to stamp their character in the estimation of every thinking man, and it is hoped, a far better recommendation than the course resorted to by ignorant and unprincipled pretenders, who to mislead and deceive the public, *publish* what they call practical proofs and certificates of *Cures*, that exceed all bounds of rational credibility, and most of which, if not all, are either gross fabrications, or procured by *fraud* and connivance.

The editor of the Long Island Farmer, says—"This medicine has obtained an unprecedented degree of well preserved popularity. Having taken these pills ourselves to advantage and witnessed their beneficial effects on others, we have no hesitation in recommending them to the public as a safe, salutary and useful family medicine."

☞ None are genuine without the signature of the General Agent on the label, by whom the above medicine is imported into this country.

Public Notice.

AS it appears, that because Mr. Crane obtained no patent for smelting Iron Ore with Anthracite Coal in this country, many suppose that they are now at liberty to adopt the method of smelting Iron ore with Anthracite by the use of a heated air blast; although I gave notice last year that I had a patent for smelting Iron Ore with Anthracite Coal, both by the use of a cold atmospheric and a heated air blast, I would now inform the public again, that on the 14th of January, 1838, I received a letter from the Commissioner of Patents at Washington, stating: "Sir, upon examining the case of Mr. Crane's application for a patent for Smelting Iron by means of Anthracite, I have viewed his claim as interfering with your patent of Dec, 1833, and have given notice to his attorney of this decision." Every attempt to smelt Iron ore with anthracite by the use of a heated air blast, is an infringement upon my patent, against which I caution and warn all men; as I shall prosecute every one infringing upon my rights, according to law. And I further offer to dispose of patent rights for the erecting of furnaces, according to my patent, upon very moderate terms.

HEADACHE,
SICK OR NERVOUS.

☞ The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain.—It is an admitted fact that this complaint, whether called sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to attain.—The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration to health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries.
