Interesting and Astonishing Facts.

MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVANS' celebrated Camomile and Aperient Antibilious Pills in alleviating affected innards.

To James Dickson, 36 Cornhill, Boston, Agent for the sale of Dr. Wm. Evans' Camomile Pills. Lowell, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference that the afflicted receive of the beneficial results of medicine, I cheerfully offer mine to the public in behalf of DR. WM. EVANS' CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest; often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely restoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,

THOS. K. GOODHUE, Centralist.

INTERESTING CASE Cured by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills.

Mr. BENJAMIN BOWN, corner of Shippin and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was unable to write his name—his symptoms were, dizziness, dilt palmodic pain in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest, back and sides, constiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans' Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing symptoms.

L. Parsons, who doubts the above cure, are most respectfully directed to the above mentioned person, at the west corner of Shippin and Georges streets. BENJAMIN BOWN, Philadelphia October 26, 1837.

LIVER COMPLAINT, 10 YEARS STANDING.

Mrs. Hannah Browne, wife of Joseph Browne, N. 6th street, near Second, Williamsburg, afflicted for the last ten years with the Liver complaint, completely restored to health through the treatment of Dr. Wm. Evans. Symptom—Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high colored, with other symptoms indicating great derangement in the functions of the liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans' invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate.

JOSEPH BROWNE, City and County of New York, as

Joseph Browne, of Williamsburg, Long Island being duly sworn, did depose and say, that the facts as set forth in the within statement, to which he has subscribed his name, are just and true.

JOSEPH BROWNE, Husband of the said Hannah Browne, Sworn before me this 4th day of January, 1837.

INTERESTING CASE OF Tubercular Consumption.

Mr. John Russell applied on the 1st day of September at the office 100 Chatham street, laboring under the following symptoms: A slight spitting of blood, distressing cough, attended with an expectation of purulent matter, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. On examination, the chest was found to sound well every where except under the left clavicle, and in the armpit of the same side.

Treatment—Directed to take the restorative Camomile Pills, with the expectorating compound, at the same time an injunction, to call in four days; when the night sweats had ceased, the expectorated sputa diminished, a slight fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week—when his health continued rapidly increasing, without the least interruption. Called at the office on the 4th of this month, quite comfortable, returning his sincere thanks for the benefit he had obtained.

The above patient chiefly used milk regimen, during his treatment.

ASTHMA, THREE YEARS STANDING.

Mr. Robert Munroe, Schuylkill, afflicted with the above distressing malady. Symptoms—great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position, without the sensation of impending suffocation, palpitation of the heart, distressing cough, constiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Munroe gave up every thought of recovery and dire despair sat on the countenance of every person interested in his existence or happiness. By accident he noticed in a public paper some cures effected by Dr. Wm. Evans' medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inimitable benefit.

LIVER COMPLAINT SIX YEARS STANDING.

MRS. SARAH BRENHISER, wife of Mr. Anne Brenhisser, corner of Second street and Germantown Road, Philadelphia, affected for the last six years with the Liver Complaint, was completely restored to health by Dr. Wm. Evans' Camomile Tonic and Family Aperient Pills. Her symptoms were habitual constiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep

Public Notice.

AS it appears, that because Mr. Crane obtained no patent for smelting Iron Ore with Anthracite Coal in this country, many suppose that they are now at liberty to adopt the method of smelting Iron ore with Anthracite by the use of a heated air blast; although I gave notice last year that I had patent for smelting Iron Ore with Anthracite Coal, both by the use of a cold atmospheric and a heated air blast, I would now inform the public again, that on the 14th of January, 1838, I received a letter from the Commissioner of Patents at Washington, stating: "Sir, upon examining the case of Mr. Crane's application for a patent for Smelting Iron by means of Anthracite, I have viewed his claim as interfering with your patent of Dec. 1833, and have given notice to the attorney of this decision." Every attempt to smelt Iron ore with anthracite by the use of a heated air blast, is an infringement upon my patent, against which I caution and warn all men; as I shall prosecute every one infringing upon my rights, according to law. And I further offer to dispose of patent rights for the erection of furnaces, according to my patent, upon very liberal terms.

PARALYTIC RHEUMATISM.

A perfect cure effected by the treatment of Dr. William Evans.

Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, by especially in the hips, shoulder, knees and wrists; the gravation of the pain a tedious night; and for the most part all times from external heat, as obvious thickening of the fascia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

INTERESTING CASE.

DIYSPEPSIA & HYPOCHONDRIACISM.

Mrs. Anne G. Kenny, No. 115 Louis street, between Stanton and Houston streets, afflicted for ten years with the following distressing symptoms: Acid eructation, dilt spasmodic pain in the head, loss of appetite, palpitation of the heart, dizziness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigor or courage, a whimsical aversion to particular persons and places, grounds appeared insupportable, and she was afflicted with a sense of personal danger and poverty, an irksomeness and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live, she wept, lamented, and thought she led a most miserable life, never was one so bad, with frequent mental hallucinations. Mrs. Kenny had the advice of several eminent physicians, and had recourse to numerous medicines, but could not obtain even a temporary alleviation of her distressing state, till her husband persuaded her to make trial of my mode of treatment. She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence.

Husband of the aforesaid Anne Kenny, Sworn before me this 14th day of Dec. 1836. Peter Pinkney, Com. of Deeds

ASTHMA, 5 YEARS STANDING.

Mr. Charles Hobart, No. 122 Orange street, N. Y., afflicted for five years with humoral habitual Asthma, applied at the office 100 Chatham street on the 4th of October, laboring under the following symptoms. A sense of tightness across the chest, with the greatest difficulty of breathing, distressing cough, generally ending with copious expectoration of viscid phlegm, disturbed rest, the face turbid and of a livid hue—could not lie in a horizontal position without the sensation of immediate suffocation, languor, drowsiness, and dizziness in the head, and loss of appetite.

Mr. H. applied to the most eminent physicians in this city, likewise used several other remedies without obtaining any permanent benefit, until his friends persuaded him to place himself under Dr. William Evans' treatment. He is now relieved of his complaint, and called at the office yesterday, avowing that he had not words to express his gratitude for the benefit he had received.

Court Society, Surgeon to the Royal Union Pen-sion Association, Lancaster place, Waterloo Bridge and Perpetual Popul of Guy's and St. Thomas' Hospitals, London.

These pills having gained celebrity unparalleled in every section of the Union, are now considered by all those who value good health, indispensable as a family medicine—patronized by a numerous body of the most eminent Physicians both in this country and in Europe,—is sufficient, it is presumed, to stamp their character in the estimation of every thinking man, and it is hoped a far better recommendation than the course resorted to by ignorant and unprincipled pretenders, who to mislead and deceive the public, publish what they call practical proofs and certificates of Cures, that exceed all bounds of rational credibility, and most of which, if not all, are either gross fabrications, or procured by fraud and connivance.

The editor of the Long Island Farmer, says— "This medicine has obtained an unprecedented degree of well merited popularity. Having taken these pills ourselves to advantage and witnessed their beneficial effects on others, we have no hesitation in recommending them to the public as a safe, salutary and useful family medicine."

HEADACHE, SICK OR NERVOUS.

THE extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining a certainty a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether called sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have Nervous Headache, may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system. The object of Dr. Spohn's remedy is eminently calculated to attain—The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will they rest assured that restoration to health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries.
