POTTSVILLE.

WEDNESDAY MORNING, SEPT. 12, 1838.

The Porter papers declare that if John Stonebraker's Affidavit is true—he has made his father out a villain and a knave. If it is true that he is a villain and a knave pray Mr. Porterites, what must honest David R. Porter be, who made him so?

Every man who advocates the Sub-Treasury, acquainted with its provisions, is an Enemy to the Business of Schuylkill county—an Enemy to the business of the country—in favor of converting our Republic into a LIMITED MONARCHY, and consequently must be an Enemy to our Republican Institutions. Van Buren is our Father of the Sub-Treasury—and David R. Porter is one of its supporters.

Christopher Loeser, Esq.—We learn that the Porter men are circulating in the county that Christopher Loeser, Esq., of Orwigsburg, is Porter man. Such is not the fact, Mr. Loeser publicly stated in the presence of the editor of this paper, but a short time before he left for England, that he had heretofore opposed Joseph Ritner, but intended to support him at the next election—because he had made a good Governor—and he could not support David R. Porter.

Callowhill Street Bridge burnt.—The upper bridge crossing the Schuylkill near the water works, was destroyed by fire on Saturday night 1st inst. supposed to be the work of incendiaries. It was 340 feet in height, and cost \$150,000. Insured for \$40,000. It was owned in stock principally by Jacob Ridgway, Esq.

The Mexican ports are to be blockaded six months longer—so says the N. O. Picayune.

Great Gathering of the People in Brunswig township.

A very large meeting of the Democratic Republicans of Brunswig township, and adjoining districts, was held at the house of Samuel Yost, on Saturday the 8th inst. DANIEL BOCK was appointed President, and WILLIAM ADENHEID, Esq. JAMES PRICE, Esq. JOSEPH MILLER, ABRAHAM ALBRIGHT, MAJ. JOHN SHAEFFER, and PETER SKITTE, Vice Presidents, and Dr. J. F. Treichel, William J. Moyer, Andrew Beck, and George Neiswender, Secretaries.

On motion a committee of 45 were appointed to report proceedings, to wit:

Charles Witman, Esq. John Moyer, Jacob Emrich, Daniel Neiswender, Joseph Albright, Isaac K. Shaeffer, Geo. Medlar, Esq. William Koch, Joseph Hummel, Jacob A. Leib, Henry Kremer, sen. Jonathan De Long, Morgan Bensinger, Peter Boyer, Henry Koch, Wm. Yost, Charles Focht, John Heiser, John Bond, Wm. Kenels, Josiah, Fenstermacher, Daniel Dunert, Daniel Koch, Frederick Pfinger, Tobias Hedding, Charles Jones, John A. Yost, Jacob Ellis, Abraham Albright, Eli De Long, Sam'l. Pison, Michael Linder, William Garret, John P. Hobart, James H. Graeff, Esq. John Moyer, jr. Henry Saylor, Geo. Borger, Wm. Wise, Edward Rehr, Samuel R. Lattimore, Henry Heiser, Geo. Leininger, Samuel Yost, Nicholas Jones.

The committee then retired for a short time and reported the following proceedings, which were prefaced with some very eloquent and appropriate remarks, by James H. Graeff, Esq. They were then read and unanimously adopted.

Whereas it is incumbent upon us as freemen to preserve the liberty achieved for us by the blood of our forefathers; and whereas, a deposition has manifested itself by the federal Government to enlarge its powers by forced obstructions of the con-

stitutional charter; and whereas if encroachments upon our rights and liberties are not checked by the people in their bod, they may become so deeply rooted as to cause the speedy downfall of our republic; and whereas, the energies of the patriot should not sleep when his country's safety is menaced.—Therefore

Resolved, That we view the late attempt by Martin Van Buren and his followers in Congress, to place the additional power of money and patronage, under the disguise of the sub-treasury scheme, in the hands of the chief magistrate, as inimical to our liberties, and that we will not as democrats support men for office who are the advocates of Martin Van Buren's Sub-treasury scheme, which would place under his immediate control the gold and silver of the country, without regard to the currency of the people.

Resolved, That Martin Van Buren in casting his vote while a member of the Senate, in favor of the gag law, has shown that he entertains principles more hostile to liberty and free discussion, than the sedition act of 1798.

Resolved, That we recognize in the leaders of the Van Buren party, the same men that were the supporters of the elder Adams, and the revilers of Jefferson, Madison and Monroe.

Resolved, That it is an insult to the people by the followers of Van Buren, to style themselves democrats, when it is well known that their chief is a Federalist of the Hartford Convention stamp; and that he is counselled by such men as Buchanan, Woodbury, Tansy, Rush, Ingersoll, &c. federalists of the old school, and would be Tories if they had lived in the Revolution.

Resolved, That the unlawful tampering with the currency by the Federal Government, is the cause of our cruel sufferings; and that we will labor with untiring energy to defeat the party which, for the sake of experimenting, has brought upon us that national calamity.

Resolved, That the recent elections in North Carolina, Indiana, Rhode Island, and Illinois, evince a disposition on the part of the people, to rise in their majesty and throw off the yoke of radical oppression; and that we welcome them to the enviable honor they have attained, by breaking loose from the party shackles of those who have lorded it over the laws and constitutions.

Resolved, That we cannot support David R. Porter because he is the advocate of all the unwise measures of the General Government, and if elected would be the pious tool of Martin Van Buren.

Resolved, That we have no confidence in the integrity of David R. Porter, and that he is not the man to whose keeping the rights, the honor, the welfare and interests of this great commonwealth may be with safety entrusted.

1. Because he is declared by those "who know him" to be totally void of integrity and morality.

2. Because he stands now charged by his neighbors, under oath, with the wilful crime of perjury.

3. Because, after he was discharged as an insolvent on his oath, he recovered money due before his insolvency, on bonds and book accounts, to the amount of several thousand dollars, and applied it to his own use, thus defrauding his honest and unsuspecting creditors.

4. Because since he was discharged, he has refused to pay his just debts, contracted before his insolvency, though he is estimated by his friends to be worth \$40,000, and though suits have been brought for their recovery.

5. Because a short time before he took the fearful oath to deliver up all his property for the use of his creditors, he cancelled bonds, deeds, accounts, books and other property to the amount of about \$5000.

6. Because he was not only dishonest enough to defraud his creditors, but mean enough to sneak into a garret to consult his concealed horde, and draw off accounts for collection, the proceeds of which he, and not his creditors, received.

7. Because the foregoing charges stand against David R. Porter up to this day unrefuted, although an opportunity has been afforded him to enter into an amicable action to be tried by his countrymen on a wager of \$1000, to disprove any of the charges if he could, but which he and his friends have hitherto refused to do.

Resolved, That in Joseph Ritner, the farmer of Washington County, we recognize an Executive, uniting the attributes of patriotism, moral firmness, unyielding devotion, to enlightened freedom and to the great interests of this Commonwealth.

Resolved, That in the administration of Joseph Ritner we have realized our most sanguine expectations. Our people are released from an onerous system of taxation, rendered necessary by his predecessor. Our public improvements are rapidly approaching to completion, without a single dollar of increase to our State debt.

Resolved, That the charge of abolition, got up against Joseph Ritner by the Federal papers, is proved to be destitute of

foundation and only invented to keep the public attention from the villainous acts of their own candidate, and that we disclaim any connection with abolition, colonization or any other society formed for like purposes, but that we have just ground to charge the Porter party with abolition and amalgamation, from the well known fact they have supported Richard M. Johnson for the second office in the Government—one who has furnished living evidence of his adhesion to the practice of such amalgamation.

Resolved, That to show the base hypocrisy of the Loco Foco who have raised a hue and cry about the Gettysburg Rail Road, in hopes of injuring Governor Ritner, it is only necessary to state the following facts, viz:—

1st. The Gettysburg Rail Road was commenced in 1835 under Governor Wolf.

2nd. The House of Representatives of 1836 passed a Bill appropriating \$150,000 to the Gettysburg Rail Road, for which Bill David R. Porter voted.

3d. That bill was vetoed by Governor Ritner, and the house which passed it was composed of a large majority of the political friends of David R. Porter.

4th. David R. Porter voted last winter for an appropriation of \$45000 to the said Gettysburg Rail Road.

Resolved, That with the foregoing facts on the public records, it is evident to every unbiased man that the false representations of the Porterites for the purpose of directing public attention from the misdeeds of their own David R. Porter.

Resolved, That this meeting view with no ordinary feeling of disgust, the perversions of truth set forth in the address of the Van Buren and Porter central committee of Harrisburg, and to which the Loco Foco State Treasury David Sturgeon was base enough to lend his name, charging the present administration with an increase of State debt, when it is incontrovertibly proved from the official records, by the Secretary of the Commonwealth and the auditors general Messrs. Burrows and Hobart, both of whom are with the State Treasurer Commissioners of the internal Improvement Fund, that the State debt was on the 4th day of December 1835 \$24,330,000.32 and that it was on the 18th day of August 1838 \$24,230,003.32 which makes it \$100,000 less than it was when Governor Ritner came into office.

Resolved, That the Ticket settled by the Democratic Ritner Convention of Schuylkill county is highly approved and will be cordially, unanimously and zealously supported by this meeting, and that we can and will elect the whole Ticket by a handsome majority.

Resolved, That we approve of the recommendation by the Young men of Pottsville to hold a General County Meeting in the Borough of Pottsville, on Saturday the 29th inst., for the purpose of adopting such measures as may be deemed necessary to further the cause of the people and secure the re-election of our present worthy Governor and the Ritner county Ticket.

Resolved, That the proceedings be signed by the officers, and published in all the Democratic papers in the county.

After the adoption of the proceedings, William Adenheid, Esq. was called upon and addressed the meeting in a very able and impressive manner, for about three quarters of an hour in the German language.

The meeting then adjourned, and gave six hearty cheers for Joseph Ritner, the Farmer Governor.

(Signed by the Officers.)

SAMUEL STURGEON VINDICATED.

The Porter papers, (After Samuel Sturgeon swore that David R. Porter offered to cry his claim against him of upwards of \$700, for \$180 provided he, Sturgeon, would give him a certificate that he was an honest man, which he refused to do,) pronounced him a perjured scoundrel and vagabond, upon the certificates of one Pat X Maden, and another person by the name of Fuller, who certified that he Samuel Sturgeon had purchased a Farm in Armstrong county from Abraham Fiscus, jr., which he, in imitation of David R. Porter, did not deliver up to his creditors when he took the benefit.

It will be observed by the following, that Mr. Fiscus has stated that he did not sell Samuel Sturgeon a farm, and that the character of Samuel Sturgeon stands high among his neighbors.

For the honor and credit of the State, we hope that David R. Porter can vindicate himself as triumphantly as Samuel Sturgeon has, from the foul charges made against him.

The undersigned citizens of Armstrong county, do certify that we have for many years been intimately acquainted with Captain Samuel Sturgeon, a resident of Plum Creek township, in said county, and from our personal knowledge of his general character, conduct and reputation, we believe him to be a man of veracity and integrity and that he would not make any statement to the public not strictly true. That he has at all times received the confidence of his neighbors and

low citizens, by whom he has been elected for several years past, to offices of trust, and has uniformly belonged to the Jackson party.

I certify that I have been acquainted with Samuel Sturgeon, now a resident of Plum Creek township, Armstrong county, since he was six years of age; that he has resided in Armstrong county for a number of years, and from my acquaintance with him I believe him to be a man of honesty, veracity and integrity, and against whose character I never heard a charge alleged, until recently through the public prints.

ROBERT BROWN.

August 6th, 1838.

To which is added the following: showing that Samuel Sturgeon did not buy land in Armstrong county, and own it when he took the benefit of the insolvent laws, as was asserted by the Porterites, on the strength of which he was charged with perjury. We call upon those Porter papers which have published the foul slanders against Mr. Sturgeon, to re-publish these certificates from the records of Armstrong county, and do justice to the innocents they have injured.

ARMSTRONG COUNTY, SS.

Personally appeared before me, a Justice of the Peace in and for said county, Abraham Fiscus, jr. who being duly sworn, says that he has at any time sold any land to Samuel Sturgeon, of Plum Creek township, in said county, nor does he believe that any person of the name of Fiscus, a resident of the said township ever sold any land lying in the same township, to Samuel Sturgeon, but some time in 1818 he entered into a contract with Robert Sturgeon, and sold to him about one hundred acres of land, in the neighborhood of Middletown, in said county, and made him a deed for the same. That he gave the said Robert the possession of the land, and the said Robert still continues to occupy the same. That he has been well acquainted with Samuel Sturgeon for the last twenty years, and that he never knew him to purchase any land from any man by the name of Fiscus during that time.

ARMSTRONG COUNTY, SS.

I John Meching, Recorder in and for Armstrong county, do certify that there is recorded in my office, in Record book vol. 3, page 274-5, a deed from Abraham Fiscus, jr. and wife, to Robert Sturgeon of Plum Creek township, for one hundred acres of land, more or less, situated on the waters of Cherry Run, in Plum Creek township, for the consideration of four hundred dollars.—That the said deed is dated 28th March, 1818, and was recorded 21st April, 1818. I also further certify that I have made a careful examination of the Records in my office, and that I do not find recorded there any deed from any person of the name of Fiscus to Samuel Sturgeon.

Witness my hand and seal of office, at Katanning, this 8th day of August, A. D. 1838.

JOHN MECHING, Recorder.

Such is the character of Samuel Sturgeon among his neighbors who, the Porterites now term a perjured vagabond.—The Porter paper, in Armstrong county, have not yet, nor dare not, publish the charges against Samuel Sturgeon in the Porter papers in other parts of the State. The editor knows that if he did, the whole county would rise up and testify to the character of Mr. Sturgeon.

Patriarchal.—A Dunstable paper mentions the marriage of Mrs. Elvina Adam, relict of Eleazer J. Adam, to Henry L. Eze. The bride may exclaim in the words of the negro's sermon.

"Adam was do first man, Eze was do tuder."

A Happy Pair.—Married in Philadelphia, on the 18th ult. by Alderman McMichael, Samuel Lively, of Bucks county, to Miss Harriet Bright, of Philadelphia. May the parties ever be

Lively and bright
As the moonbeams light
On the verdant mountain bearing,
Or the sun's rays
On the ripening dew.

When morn is freshly gleaming.

Trojan War.—In Troy, N. Y.—Mr. Henry L. Paris, has espoused Miss Helen J. Townes. We trust, the amiable Helen of the amorous Paris, will not fire: the "second Troy."

Fire Insurance.—Since the great fire at Nantucket most of the people have insured their property—much like locking the stable after the horse is stolen.

This means something.—The Princeton (N. J.) Whig says, "The elections must be near at hand, as the daily papers from Philadelphia have stopped coming. We trust the Philadelphia editors will attend to their own interests, as their Whig subscribers here, are in the same dilemma as ourselves."

Progress of Reality.—The London Patriot, in speaking of the special representatives and ambassadors of each Sovereign, sent to congratulate the Queen on her coronation—after naming Marshal South of France, Count Miraflores of Spain, Prince Schwartzburg of Austria, Prince Palatin of Prussia, &c. &c. &c. in the very measured terms of approbation, says of Mr. John Van Buren, as the representative of his father, the President of the United States, "Poor fellow, set out on his journey—'A handsome boy he is and has no fault.' We mention this to show that Mr. John Van Buren was, as we have stated, recognized among the ambassadors, extraordinary of Kings sent by the Sovereigns to be present at the Queen's coronation, and to supersede that occasion the Ministers. We wish the Democracy of the country, whether they are prepared to recognize or endorse the royal mission of this young gentleman.—New York Star.

Respect for the Sabbath.—The Van Buren loco focus of Haverstraw, Rockland co., in pursuance of the new principles of political morality, promulgated by the "bright Venus of democracy," Fanny Wright, and adopted by the cabinet at Washington, held a political meeting at Grassy Point Hotel last Sunday. James De La Mantanya was called to preside over the pious convales, the requisite number of Duncan's speech put in a way for distribution—candidates aired upon—stances regulated and the usual duties of such assemblies gone through with. If such proceedings can take place at noon during a Sabbath in a community without exciting public indignation against the party which participates in and sanctions them, we have indeed reached a fearful crisis in the moral sentiments of the people.

"After the girls, father."

"Don't you know better than that? Did you ever know me to do so when I was a boy?"
