HEADACHE, SICK OR NERVOUS.
THE extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining a certain number of most distinguished testimonials, and professional business, has induced me to try it, and I have the honor to announce that it is an admitted fact that this complaint, whether called Headache, or Nervous Headache, arises primarily from the stomach—those who think they have a cold, or a headache, may rest assured that this organ, the stomach, is the first cause of the system has become vitiated or deranged, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy state of the system. This object, Dr. Spohn's remedy is eminently calculated to effect. The truth of this position cannot be controverted, and the sooner suffers with the headache become convinced of it, the sooner will their sufferings end, and their health be restored. Dr. Spohn's remedy has professional reputation on this fact. The remedy may be had of apothecaries.

Public Notice.
AS it appears, that because Mr. Crane obtained no patent for smelting Iron Ore with Anthracite Coal in this country, many suppose that they are now at liberty to adopt the method of smelting Iron ore with Anthracite by the use of a heated air blast; although I gave notice last year that I had a patent for smelting Iron Ore with Anthracite Coal both by the use of a cold atmospheric and a heated air blast, I would now inform the public again, that on the 14th of January, 1838, I received a letter from the Commissioner of Patents at Washington, stating: "Sir, upon examining the case of Mr. Crane's application for a patent for smelting Iron by means of Anthracite, I have viewed his claim as interfering with your patent of Dec. 1833, and have given notice to his attorney of this decision. Every attempt to smelt Iron ore with anthracite by the use of a heated air blast, is an infringement upon my patent, against which I caution and warn all men; as I shall prosecute every one infringing upon my rights, according to law. And I further offer to dispose of patent rights for the erecting of furnaces, according to my patent, upon very moderate terms."

A BEAUTIFUL HEAD OF HAIR
THE grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance and prestantly brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives are consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances OLD RIDGE'S BALM OF COLUMBIA stops the hair from falling out on the first appearance and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning grey, makes it curl beautifully, and frees it from dandruff. Numerous certificates of the first respectability in support of the virtue of Oldridge's Balm, are shown by the proprietors.
Read the following:
ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentlemen:
The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable in restoring the preventive against the falling out of hair, but also a certain restorative.

Miskin's Pills.
THE Original Hygienic Universal Vegetable Medicine, prepared by W. MISKIN, Esq. Member of the Royal College of Surgeons, Licentiate of Apothecaries Company, Fellow of the Royal Society, Surgeon to the Royal Union Pension Association, Lancaster place, Waterloo Bridge and Perpetual Pupil of Guy's and St. Thomas' Hospitals, London.
These pills having gained celebrity unparalleled in every section of the Union; are now considered by all those who value good health, indispensable as a family medicine—patronized by a numerous body of the most eminent Physicians both in this country and in Europe, is sufficient, it is presumed, to stamp their character in the estimation of every thinking man, and it is hoped, a far better recommendation than the course resorted to by ignorant and unprincipled pretenders, who try to mislead and deceive the public, by publishing what they call practical proofs and certificates of Cures, that exceed all bounds of rational credibility, and most of which, if not all, are either gross fabrications, or procured by fraud and collusion.
The editor of the Long Island Farmer, says—
"This medicine has obtained an unprecedented degree of well preserved popularity. Having taken these pills myself to advantage and witnessed their beneficial effects on others, we have no hesitation in recommending them to the public as a safe, salutary and useful family medicine."
"None are genuine without the signature of the General Agent on the label by which the above medicine is imported into this country."

HAY'S LINIMENT.
No Fictitious.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend & attendant Solomon Hays, the secret of his discovery.
It is now used in the principal hospitals, and the private practice in our country, first, and most certainly for the cure of the Piles, and so extensively and effectually as to fill credulity, unless where its effects are witnessed. Entirely in the following complaints.
For Dropsy.—Creating extraordinary absorption at once.
All Swellings.—Reducing them in a few hours.
Rheumatism.—Acute or Chronic, giving quick relief.
Sore Throat.—By cankers, ulcers, or colds.
Croup, and Whooping Cough.—Externally, and over the chest.
All Bruires, Sprains and Burns, cured in a few hours.
Sores and Ulcers.—Whether fresh or long standing and fever sore.
Its operations upon adults and children in reducing rheumatic swellings, & relieving coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm."
THE PILES.—The price \$1 is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of many thousands sold, not one has been discontinued.
We might insert certificates of length, but prefer that those who sell the article, should prefer the original to purchasers.
CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents.

Illustration of Reality.
A BEAUTIFUL HEAD OF HAIR
THE grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance and prestantly brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even to shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives are consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances OLD RIDGE'S BALM OF COLUMBIA stops the hair from falling out on the first appearance and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning grey, makes it curl beautifully, and frees it from dandruff. Numerous certificates of the first respectability in support of the virtue of Oldridge's Balm, are shown by the proprietors.
Read the following:
ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentlemen:
The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable in restoring the preventive against the falling out of hair, but also a certain restorative.

JOHN GARD, Jr. 123 Arch st.
The aged, and those who pretend in wearing wig, it will certainly raise its virtues in the estimation of the public, when it is known that three of the above signatures are more than 50 years of age, and the others not less than 30.
[From the Mayor.]
COMMONWEALTH OF PENNSYLVANIA,
City of Philadelphia.
I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. Ingis, John S. Surey, and Hugh McCurdy, whose names are signed to the above certificate, that they are gentlemen of piety and respectability, and as much full credit should be given to the said certificate.
In witness whereof, I have hereunto set my hand, and caused the seal of the city to be affixed, this 15th day of December, 1837.
ROBERT WHARTON, Mayor.
