## Important to the Sick.

### DR. WM. EVANS' CAMOMILE PILLS.

CAUSE AND EFFECT.—When a sound and scientific remedy for diseases has long been in general use by the public, bestowing blessings and receiving praise, it is scarcely in the power of scepticism to doubt its virtues, or of envy to deny them.

When it has achieved an ascendant career of unfailable which distances the competition of mere boastful pretension, and has secured a conspicuous station in universal favor, by intrinsic worth alone, its proprietor may point out the causes of its superiority, without incurring the suspicion of invidiousness in instituting the comparison.

The CAMOMILE and FAMILY APERIENT PILLS, manufactured by Dr. William Evans, at 100 Chatham street, do not require his explanation of their acknowledged efficacy—for the most eminent physicians throughout the United States will freely, if appealed to, state the reasons which have induced them to recommend them so extensively and warmly as they do. And those reasons are, that these judicious medicines never injure even the most delicate constitutions, and have, in almost every individual case for which they are prescribed, a marked, an evident, a truly happy and permanent efficacy. Physicians, moreover, see that they are not offered to the public upon any quack theory of purifying the blood, to the utter destruction of the stomach and bowels. Purify the blood from all diseased humors, they undeniably do; but not by destroying those viscera by which alone the blood can be sustained. They are compounded upon a theory which supposes a stomach to be a very essential agent to health; and food, well digested, to be a valuable friend to flesh and blood.—They do not purify men to ghosts, and make them look like beings too refined to remain long in this world; but they make them as human as possible, and fit to encounter the hardships, and fulfil the occupations of a sublunary life. They do not make a stolen purgatory of this life, to prepare men the faster for another. They proceed upon the supposition that the blood, muscles, nerves, organs, excretory and secretory gland, mucuous and tegumentary membranes, bones and brains of every human being require to be supplied with nourishment from as healthful a stomach as can be made and kept; and upon the doctrine that unless the stomach and bowels are in good order, the blood and every other part of the system will be indifferent.

And how is it expected that they will secure health to the stomach and bowels? Why by enabling the one to digest food, and the other to carry off what is left after the nutriment is extracted, in connection with the surplus of bile, and the foul humors of the blood, mucous membranes and stomach. And they accomplish these great feats of medicine in the most simple way imaginable. The APERIENT FAMILY PILLS, if the stomach be affected with wind, bile, or coated collections, clear it out, by a natural but a most insensible, solvent action, and cleanse, the whole alimentary canal, without griping, and leaving it as free without debility, as nature ever designed it to be.—They do not take the skin off the stomach and bowels, and leave them like a piece of red velvet, as all physicians know the strong drastic pills do, but they take nature kindly by the hand without crushing her fingers. They cleanse every thing, without imparing or injuring any thing.

When this is effected, as it usually is by the use of a few of the FAMILY APERIENT PILLS, then come the celebrated CAMOMILE or TONIC PILLS, to strengthen a stomach and bowels which before, perhaps, weak and foul because they were weak, and endows them with strength to perform their important functions, without the aid of physic. The CAMOMILE FLOWER, when its valuable principles are chemically extracted, is acknowledged by all physicians, in every age, to be the best vegetable tonic known in the science of medicine.—There is nothing known in the vegetable kingdom of nature to equal it; nothing that is at once so harmless and so vigorous-healthful, and is proof of this the proprietor of thy renowned pills that are made from its purest particles; might quote almost innumerable authors, both ancient and modern; if his own practice had not proved it to tens of thousands.

The effects of these pills are not only perceived in an increase of appetite and general strength, but in a restoration of the body to that universal vigor in all its functions which indicates the return to perfectly sound health.—The face, and general complexion, speak volumes in their favor, and thousands of females can testify how much they have contributed to their comfort, their complexion, and their strength, when every other remedy had proved worse than useless. In nervous diseases, of all kinds, they are now acknowledged to be preeminent; gradually restoring firmness of body and mind, without those annoyance and changes which after nervous remedies occasion. Happy would it have been for many young persons of both sexes who are now in the silent grave, if they had resorted to, check the morbid tendencies of their stomach and bowels by these pure tonics and aperients, without resorting to quack remedies, the names of which are concealed, and of which they know nothing. That dreadful scourge CONSUMPTION, might have been checked in its commencement and disappointed of its prey, all over the land, if the first symptoms of nervous debility had been counteracted by CAMOMILE chemically prepared; and those bowel complaints which lead to a host of fatal maladies, might have been obviated by that fine alcaline extract of rhubarb, which is a leading ingredient in the APERIENT FAMILY PILLS. Before both of these medicines, which are adapted to a majority of the purposes for which a hundred others are unnecessarily used, fevers, agues, bilious disorders, headaches, female debility, male decline, indigestion, and liver complaint, would have entirely disappeared, where many of them have proved fatal.

But be it distinctly understood that these medicines are not offered instead of these natural organs of the body which other medicines dispense with, in a very summary manner. They are founded upon medical knowledge, and not quackery, and do not take all the red particles out of the human blood under the pretence of purifying it. In proof of which difference of effect, let the faces and forms of patients bear testimony. They constitute a useful, effectual, and generally applicable class of medicines for every family, and being both tonic and aperient, and of the best preparations known, no person or family should be without them. They can be obtained wholesale and retail of the proprietor, Dr. WM EVANS, New York, and of his agents in town and country, with directions for use.—They are rapidly superceding all other remedies advertised in the public prints, because they are found to belong to a very superior class of popular medicine. A single trial usually places them high in private estimation, as they are known to be in public preference, and in the opinion of physicians.

DYSPEPSIA and HYPOCHONDRIACISM.—*Interesting Case.*—Mr. William Salmon, Green st above Third st., Philadelphia, afflicted for several years with the following distressing symptons: Sickness at the stomach, headache, dizziness, palpitations of the heart, impaired appetite, sometimes acid and putrescent eructations, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of pressure and weight at the stomach after eating, nightmare, great mental despondency, occasional flying pains in the chest, back and sides, costiveness, a dislike for society, or conversation, involuntary sighing and weeping languor and lassitude upon the least exercise.

Mr. Salmon had applied to the most eminent physicians who considered it beyond the power of medicine to restore him to health; however, as his afflictions had induced him to a very deplorable condition, and having been recommended by a relative of his to make trial of Dr. Wm. EVANS' Medicine, he with difficulty repaired to the office and procured a package, to which, he says, he is indebted for his restoration to life, health and friends. He is now enjoying all the blessings of perfect health. Persons desirous of further information will be satisfied with every particular, by calling at Dr. Wm. Evans' Medical Office, 100 Chatham st., New York; and in Philadelphia, No. 19 NORTH EIGHTH St.

## MOFFAT'S Vegetable Life Pills and Phenix Bitters.

☞ A CONTRAST.—All nations, from the remotest ages, have had ships, but Columbus only found out the way to America. Before the time of the great Spanish navigator, people were only enabled to paddle about the shores. Just so with the Life Medicines. It is but two short years since I first ventured upon an unknown ocean, and I have discovered the precious object I was in search of—HEALTH. Vegetable medicines were indeed known when I commenced my search, but their use was not. By the use of them, I have not only passed from the dejected invalid, to the hale hearty and active man of business, but, comparatively speaking, I have renewed my youth. I can thus, with confidence in my own experience, advise with my fellow citizens. Does the reader want proof that the VEGETABLE LIFE MEDICINES are suitable to his own case? I have on file at my office, 546 Broadway, hundreds of letters, from some of the most respectable citizens of this my native land, voluntarily offered in testimony of the virtues of A GOOD VEGETABLE MEDICINE.

Persons whose constitutions have been nearly ruined by the "all infallible" *mineral preparations* of the day, will bear me witness, that the Life Medicines, and such only, are the true cause to permanent good health. JOHN MOFFAT.

GENERAL REMARKS RELATIVE TO MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

These medicines have long been known and appreciated, for their extraordinary and immediate powers of restoring perfect health, to persons suffering under nearly every kind of disease, to which the human frame is liable.

In many hundreds of certificated instances, they have ever rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were unacquainted with the beautiful philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life and enduing them with renewed tone and vigor, that they were indebted for their name, which was bestowed upon them at the spontaneous request of several individuals whose lives they had obviously saved.

The proprietors rejoice in the opportunity afforded by the universal diffusion of the daily press, for placing his VEGETABLE LIFE PILLS within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, *the Life Pills* are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science, and were never before administered in so happily efficacious a combination.

Their first operation is to loosen from the coats of the stomach and bowels, the various impurities, and crudities constantly setting around them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected matter behind, so to produce habitual costiveness, with all its train of evils, or sudden diarrhœa, with its imminent dangers. This fact is well known to all regular chemists, who examine the human bowels after death, the hence the prejudice of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE PILLS is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases, to which the Vegetable Life Pills are well known to be infallible—

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind;—*Flatulency, Palpitation of the Heart, Loss of Appetite, Heart-burn and Head-ache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. *Costiveness*, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days. *Diarrhœa* and *Cholera*, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucus membrane. *Fevers of all kinds*, by restoring the blood to a regular circulation, through the process of perspiration in some cases, and the through solution of all intestinal obstructions in others. The LIFE PILLS have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints. *Dropsies of all kinds*, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these organs, and hence have ever been found a certain remedy for the worst cases of *Gravel*. Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere; *Asthma and Consumption*, by relieving the air vessels of the lungs from the mucus, which even slight colds if not removed becomes hardened, and produces those dreadful diseases. *Scurvy, Ulcers* and *Inveterate Sores*, by the perfect purity which these Life Pills give to the blood and all humors; *Scorbutic Eruptions*, and *Bad Complexions*, by their alterative effect upon the fluids that morbid state of which occasions all *Eruptive complaints, Sallow, Cloudy*, and *other disagreeable Complexions*. The use of these Pills for a very short time will effect an entire cure of *Salt rheum, Erysipelas* and a striking improvement in the *Clearness of the skin*. *Common Colds and Influenza*, will always be cured by one dose, or by two even in the worst cases. *Piles*,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserves a distinct and emphatic recommendation. It is well known to hundreds in this city, that the Proprietor of these invaluable Pills, was himself afflicted with this complaint for upwards of *thirty-five years*, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however, at length, tried the medicine which he now offers to the public, and he was cured in a very short time after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

DIRECTIONS FOR USE.—The proprietors of the VEGETABLE LIFE PILLS does not follow the base and mercenary practice of the quacks of the day, in advising persons to take his Pills in large quantities. No good medicine can possibly be so required. These Pills are to be taken at bed time every night, for a week or fortnight, according to the obstinacy of the disease. The usual dose is from 2 to 5, according to the constitution of the person. Very delicate persons should begin with but two, and increase as the nature of the case may require: those more robust, or of very costive habit, may begin with 3, and increase to 4, or even 5 Pills, and they will effect a sufficiently happy change to guide the patient in their further use. These Pills sometimes occasion sickness and vomiting, though very seldom; unless the stomach is very foul; this, however, may be considered a favorable symptom, as the patient will find himself at once relieved, and by perseverance will soon recover. They usually operate within 10 or 12 hours, and never give pain, unless the bowels are very much encumbered. They may be taken by the most delicate females under any circumstances.—It is, however, recommended, that those in later periods of pregnancy should take but one at a time, and then continue to keep the bowels open: and even two may be taken where the patient is very costive. One pill in a solution of two table spoons full of water, may be given to an infant in the following doses—a tea spoon full every (wo hours till it operates; for a child from one to five years of age, half a pill—and from five to ten, one pill.

THE PHŒNIX BITTERS, are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phœnix is said to be restored to life from the ashes of its own dissolution. The Phœnix Bitters are entirely vegetable, composed of root found only in certain parts of the western country which will infallibly cure FEVERS AND AGUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the *sickness incident to young females*; and will be found a certain remedy in all cases of *nervous debility and weakness* of the most impaired constitutions. As is a remedy for *Chronic and Inflamatory Rheumatism*, the efficacy of the Phœnix Bitters will be demonstrated by the use of a single bottle. The usual dose of these bitters is half a wine glass full, in water or wine, and this quantity may be taken two or three times a day, about half an hour before meals, or a less quantity may be taken at all times. To those who are afflicted with indigestion after meals, these Bitters will prove invaluable, as they very greatly increase the action of the principal viscera, help them to perform their functions, and enable the stomach to discharge into the bowels what ever is offensive. Thus indigestion is easily and speedily removed, appetite restored, and the mouths of the absorbent vessels being cleansed, nutrition is facilitated, and strength of body and energy of mind are the happy results. For farther particulars of MOFFAT'S LIFE PILLS, and PHŒNIX BITTERS, apply at Mr. Moffat's office, No. 546 Brodway, New York, where the Pills can be obtained for 25 cents, 50 cents, or $1 per box; and the Bitters for $1 or $2 per bottle. ☞ Numerous certificates of the wonderful efficacy of both, may be there inspected.

In some obstinate and complicated cases of chronic and inflammatory Rheumatism, Liver Complaints, Fever and Ague, Dyspepsia, Palsy, *Piles, injury from the use of mercury, quinine, and other diseases of long standing*, it may be necessary to take both the Life Pills and the Phœnix Bitters, in the dose before recommended.

N. B.—These Pills and the Bitters, will get the mercury out of the system infinitely faster than the best preparations of Sarsaparilla, and a certain remedy for the *rushing of the blood to the head, or all violent headaches, tic doulereux, &c.*—All persons who are predisposed to *apoplexy, palsy, &c.*, should never be without the Life Pills or the Bitters, for one dose in time will save life. They equalize the circulation of the blood, draw all pressure from the head, prespiration, and throw off every impurity by the pores of the skin.

## Swaim's Panacea.

AS the intemperance and luxury of the age are hastening the ravages of scorbutic complaints and rendering the blood more impure, and as thousands have destroyed their constitutions by neglecting to apply the proper remedies—to such, Swaim's Panacea must be, and has been, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor. Few families are wholly exempt from scorbutic affections, which exhibit various symptoms, as eruptions, ulcerations, debility, loss of appetite and dejection, all arising from impure blood, and if not properly attended to, produce the greatest injury to the constitution, and may be imparted to their offspring. Swaim's Panacea is recommended at this season of the year, as a valuable restorative of the system, thereby invigorating the constitution, and enabling it to bear the debilitating effects of the summer season. It is conveyed by the circulating fluids, and corrects their tendency to all those diseases which originate in vitiated blood, diseased liver, depraved appetite, or predisposition to affections of the lungs, &c. No one, however, is advised to use it without convincing themselves of the truth of what is here stated.

This medicine is now used with success in all parts of the world, and is gaining great reputation in England.

UNDENIABLE FACTS, AND PROOF TO KNOW THAT

## DR. LEIDY'S Sarsaparilla Blood Pills

*Are the most effectual purifier of the Blood and Animal Fluids that have ever been discovered.*

The following are some only of the LATE CURES.

*Effected and heard from during the past TWO MONTHS, in Philadelphia.*

Louisa Simpson, cured of violent pain in her head and sides, with much giddiness to which she was subject for three years.

John Stocker, relieved from habitual costiveness and want of appetite, with offensive breath and bad taste.

Joseph Marlow, cured of an ulcerated leg and arm.

Israel Jones, cured of a breaking out all over his whole body.

Sarah Jones, cured of pain in her breasts and sides much headache and sickness after eating.

William Mowbray, cured of a rheumatism and swelling of his legs and feet, having been unable to walk any distance for six months past.

Michael J. Roskins, cured of swelling under his arms and on his neck, with considerable breaking out on his body.

Elizabeth Cranmer, cured of swelled breasts, pain in her side, constant disgust to food, and much sickness at her stomach.

Jeffery Cline, cured of rheumatic pains and swelled joints.

Samson G. Howard, cured of a tetter and rash, a breaking out over his body, with some running sores and ulcers.

Rev. A. Canby, cured of an affection of his throat, soreness and ulceration, which previously affected his speech.

The following are some only of the large number of cures effected in Berks, Montgomery, Schuylkill, Lehigh, Lancaster, and Northampton counties, during the past three months:

Jones Green, Esq., cured of a scorbutic affection, ulcerated leg, swelled joints and rheumatic pains.

Adam C. Carpenter, cured of violent pain in his sides, much costiveness, bad appetite and a shortness of breath.

Rachel Snyder, cured of a difficulty in breathing, habitual costiveness and violent pains in her herd.

Michael Jones, his two daughters and youngest son, cured of a breaking out of dry and sometimes watery pimples over their whole bodies, attended with great itching, frequent unpleasant feelings in their heads, sickness at the stomach, and pains over the heart, &c. This family was afflicted for years, and never found relief from any medical treatment, or from any medicines, until using Dr. Leidy's Blood Pills and a wash directed by Dr. Leidy.

Sarah McIntosh, cured of violent pains in her back and loins, rheumatism, swelled joints, &c.

Andrew Green, cured of griping pains, loss of appetite, disgust for food, and habitual costiveness.

Adam R. Ginnis, cured of scaly eruptions and breaking out, soreness and pain through his bones.

Dinah Crowley, cured of ringworms and tetter.

Henry C. Rooney, Esq. cured of inward fevers, soreness of his mouth, throat and nose, glandular swellings, &c.

George Layman, cured of a mercurial affection and violent rheumatic pains of his head and bones.

Jonathan Stroud, Isaac Colman and John G. Thomson, cured of various affections of the head, costiveness, sour eructations, sickness at the stomach, &c.

Sarah Jenkins, Alfred and Tracy Jenkins, cured of affections of the skin, breaking out, pains in their limbs, &c.

Numerous other instances might be published, but to swell the list would unnecessarily increase the expense of publishing them.

It must be plainly seen from the foregoing, that the Blood Pills are an excellent corrective for a disordered stomach, the cause of diseases to which the human system is liable, together *with the impurity of the blood*, which exists in all diseases, and in conjunction with a disordered stomach, very rapidly prostrates the human body.

These pills do not purge as powerfully as do most pills of the present day, (*which produce as much mischief as did ever mercury, or the minerals*, by weakening the system, destroying the tone and vigor of the body, and rendering it a prey to constant and universal disease, distressed and bodily suffering) *but are mild, and mild and gentle in their operation, and only increasing the natural discharges sufficiently to carry off impurities as they are corrected by their use*, not rendering necessary any restraint from occupation or business, change of living or diet, or even a liability of taking cold from their use.

The process for extracting the virtue of the Sarsaparilla without destroying its efficacy, is known only to the proprietor.

Prepared only and sold wholesale and retail, at Dr. Leidy's Health Emporium, 2nd St below Vine, No. 101.—Also Sold by B. BANNAN,

DR. LEIDY'S

MEDICATED SARSAPARILLA.

BEING a concentrated fluid extract of Sarsaparilla, combined with other vegetable extracts, which renders it as a medicine of great utility in the cure of all diseases arising from impurities of the blood, from imprudences in life, and constitutional diseases formed or produced by the injudicious use of mercury, arsenic, bark, or quinine. In short, it is an invaluable remedy for all.

Rheumatic Affection, General Debility, Ulcerous Sores, white Swellings, Diseases of the Liver and skin, Ulcerated Sore Throat, Ulcers of the Nose, Caries, or diseases of the Bones; Scrofula, or King's Evil; Erysipelas, or St. Anthony's Fire, and all unpleasant and dangerous affections consequent to Syphilis, Lues Venereal, &c. &c.

So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far superceding all other preparations of Sarsaparilla, Panacea: &c.

It is now employed by numerous physicians, and has been introduced by them into many hospitals, infirmaries, &c. throughout the United States.

It is a preparation of greater strength (consequently of greater efficacy) than any other extract now made, is also much cheaper, being but one dollar per bottle, which is sufficient to make one gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.

Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them the most incredulous can be convinced of the superior efficacy of Dr Leidy's Medicated Sarsaparilla, by calling at Dr. Leidy's Health Emporium," No. 101 north Second street, below Vine, sign of the Golden Eagle and Serpents," where certificates and references can be given to hundreds of instances of the most remarkable cures ever performed by any medicine.

### *A QUESTION.*

*Who does not know the virtues, efficacy and invaluable properties of the Sarsaparilla?*

EVERY man, woman, and child that can read, can answer the above, as every newspaper throughout the United States contains accounts of the universal efficacy of Sarsaparilla, in *purifying the blood and removing from the human system all corrupt humors.*

Ask any respectable physician the question, "What *is the most efficacious purifier of the Blood?* his answer will be, SARSAPARILLA.

Suffice it to say then, if all physicians recommend it so universally, *what better evidence can we have of its invaluable properties?*

DR. LEIDY has discovered a method whereby the virtue of the Sarsaparilla is obtained in a highly concentrated form, and in such manner as to make pills therefrom, *without destroying in the least its efficacy.* This cannot be done by any other person, the process is known only to Dr. Leidy, and is a discovery of his own.

These Pills are offered to the public by the name of

DR. LEIDY'S

SARSAPARILLA OR BLOOD PILLS,

compounded principally of Sarsaparilla, and with which is combined ingredients (friendly to the constitution), rendering them more effectual, being gently laxative in their effects, thus carrying off corrupt humors from the system very gradually, and without producing debility or any inconvenience. Taken in sufficient quantity, however, they will purge freely, and may be employed or given to the most delicate, and even to infants, *being a safe and truly efficacious purgative, requiring no restraint from diet or deviation from regular habits or from occupation of any kind.*

These pills have been pre-eminently successful and from their convenient form, must, sooner or later, take the place of all the different preparations of Sarsaparilla, such as Syrups, Decoctions, Extracts, &c. which *are contained in bottles, liable to be broken, and are in, consequent for taking or being carried about.*

These pills have during the past two years, been amply tested. Newspaper advertising being so very expensive, ample testimonials from numerous physicians and others accompany the directions.

They are particularly recommended in

Rheumatic affections,
General Debility,
Ulcerous sores of the throat, nose and body,
Diseases of the Liver,
Skin and Bones,
Pain over the region of the heart, breast, and stomach,
Pain of the kidneys, along the back and spine,
Inward fevers, foul breath,
a bad taste in the mouth,
Flatulency, want of appetite, costiveness, cramps of the stomach, and indigestion,
Dry and watery pimples and pustules of the face and body,
Scaly eruptions, and blotches of the skin,
Tetter, Ringworms,
Scrofula, Erysipelas,
Jaundice, Heartburn,
Stomach Coughs, Liver complaints, waterbrash,
Sour eructations, and acidities of the stomach,
Glandular affections, as swelling and hardening of the glands of the neck, in the groins, under the arms, and along the spine, the breast, &c.

and the whole train of diseases resulting from Impurity of the blood, as also constitutional diseases produced by the use of Bark, Quinine, Arsenic, Mercury or other Minerals, also in impendencies in life, Syphilis, Lues, Venereal, &c. &c.

Price 25 Cents a Box.

## Consumption.

READER, if you have a cough or cold, beware of their consequences. Colds generally progress imperceptibly, and insinuate themselves throughout the human system, finally settling upon the lungs and ending in consumption.

A WORD TO PARENTS.

How often is youth cut down when least expected by the consumption, and followed to their graves by parents who are in a measure the cause of their premature death, in neglecting to remedy colds when existing in childhood, looking upon them as trifling affections, and not attracting their notice until the destroyer has commenced its work and made sure of its victim. This is not a fanciful representation, for daily numerous instances occur which prove the fact.

In manhood colds terminate in the same way, but do not progress so rapidly as in youth; they should however, in both youth and manhood be early attended to, and not regarded as trifling affections, for it is a delusive idea that has no doubt shortened the lives of thousands.

DR. BECHTER'S
PULMONARY PRESERVATIVE.
(Price 50 Cents per bottle)

Is an invaluable preparation, discovered by a regular and celebrated German physician, who has employed it upwards of fifty years, in his own practice in Germany, throughout which country it has been during that time most extensively and successfully employed in Coughs, Colds, Influenzas, Catarrhs, Asthmas, Spitting of Blood, Whooping Coughs, Pain of the Breast and Sides, all affections of the Breast and Lungs, and arrest of approaching consumption.

Much may be said in praise of the above medicine, but newspaper advertising being too expensive, every satisfactory evidence will be found *in all its effects* upon trial, as well as numerous recommendations accompanying the directions. Upwards of 7000 bottles were sold in Philadelphia alone during the past winter, a convincing proof of its efficacy, or so large a quantity would never have been sold. The above medicines are prepared and sold only at
