Public Notice. AS it appears, that because Mr. Crane obtained no patent for smelting Iron Ore with Anthracite Coal in this country, many suppose that they are now at liberty to adopt the method of smelting Iron ore with Anthracite by the use of a heated air blast; although I gave notice last year that I had a patent for smelting Iron Ore with Anthracite Coal, both by the use of a cold atmospheric and a heated air blast, I would now inform the public again, that on the 14th of January, 1838, I received a letter from the Commissioner of Patents at Washington, stating: "Sir, upon examining the case of Mr. Crane's application for a patent for Smelting Iron by means of Anthracite, I have viewed his claim as interfering with your patent of Dec. 1833, and have given notice to his attorney of this decision." Every attempt to smelt Iron ore with anthracite by the use of a heated air blast, is an infringement upon my patent, against which I caution and warn all men; as I shall prosecute every one infringing upon my rights, according to law. And I further offer to dispose of patent rights for the erecting of furnaces, according to my patent, upon very moderate terms. FREDERICK W. GEISSENHAINER, New York, May 16, 1838. 37-1f

NO CURE NO PAY. PRICE \$1. HAY'S LINIMENT. No Fiction.—This extraordinary chemica composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed request, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Girdley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend & attendant Solomon Hays, the secret of his discovery. It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the Pile, and also so extensively and effectually as to be fully credible, unless where its effects are witnessed. Externally in the following complaints. For Dropsy—Creating extraordinary absorption at once. All Swellings—Reducing them in a few hours. Rheumatism—Acute or Chronic, giving quick ease. Sore Throat—By cancers, ulcers, or colds. Croup, and Whooping Cough—Externally, and over the chest. All Bruises, Sprains and Burns, cured in a few hours. Sores and Ulcers—Whether fresh or long standing and fever sores. Its operations upon adults and children in reducing rheumatic swellings, & loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the Piles, is "It acts like a charm." THE PILES.—The price \$1 is refunded to any person who will use a bottle of Hays's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents; and out of many thousands sold, not one has been unsuccessful. We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers. CAUTION—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agent. SOLOMON HAYS, Sold wholesale and retail by COMSTOCK & CO. HEADACHE, SICK OR NERVOUS. The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure is truly a subject of much regret. Dr. S. now avers to the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain. It is an admission fact that this complaint, whether called sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache, may rest assured that this organ, the stomach, is the source of the trouble. The system has become vitiated or debilitated, through the stomach, and that only through the same channel may they expect a restoration of the natural and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to effect. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration to health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries. Wholesale and Retail by COMSTOCK & Co. No. 2 Fletcher St. New York, and Retail by WM. T. EPTING, Pottsville, July 21, 1838. 56-1y

Lowell, Nov. 15, 1836. Dear Sir—Knowing by experience that every reference to the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest; often so bad as to deprive me of sleep three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisements in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely restoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully, THOS. K. GOODHUE, Centralist.

Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured him of the above distressing disease. Cured Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. Evans. Symptoms—Habitual constipation, loss of appetite, extreme debility, distressing pain in the epigastric region, depression of spirits, languor and other alarming symptoms of extreme debility, disturbed sleep, irregular flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high colored, with other symptoms indicating great derangement in the functions of the liver. Mrs. Browne was attended by three of the best physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans's invaluable preparation, which effectually relieved her of the above distressing symptoms, with others, which it is essential to intimate. JOSEPH BROWNE, City and County of New York, &c. Joseph Browne, of Williamsburg, Long Island, being duly sworn, did depose and say that the facts set forth in the within statement, are just and true. He has subscribed his name, as just and true. INTERESTING CASE of Tubercular Consumption.—Mr. John Rippe applied on the 15th day of September at the office 109 (Chatham street, laboring under the following symptoms: A slight spitting of blood, distressing cough, attended with an expectoration of purulent matter, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic fever on the evening. On examination, the lungs were found to contain a well circumscribed cavity in the left clavicle, and in the armpit of the same side. Treatment—Directed to take the restorative Camomile Pills, with the expectorating compound at the same time in conjunction, to call in four days; when the night sweats had ceased, the expectoration slightly diminished, a light fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week when his health continued rapidly increasing, without the least cough. Called at the office on the 4th of this month, quite convalescent returning his sincere thanks for the benefit he had obtained. The above patient chiefly used milk regimen, during his treatment.

Evans's medicine, in his complaint, which induced him to purchase a package of the Pills, which resulted in completely relieving every symptom of his disease. He wishes to say his motive of this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

PARALYTIC RHEUMATISM. A perfect cure effected by the treatment of Dr. William Evans. Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were, excruciating pain in all his joints, but especially in the hips, shoulders, knees and ankles, an aggravation of the pain towards night, and by the most part all times from external heat. Dr. Gibson was thickening of the fascia and ligaments, with a complete loss of muscular power.
