MORE conclusive proofs of the extraordinary efficacy of DR. WM. EVAN'S celebrated Camomile and Aperient Antibilious Pills in alleviating afflicted mankind.

To James Dickson, 36, Cornhill, Boston, Agent for the sale of Dr. Wm. Evans's Camomile Pills.

LOWELL, Nov. 15, 1836.

Dear Sir—Knowing by experience that every reference that the afflicted receive of the beneficial results of medicines, I cheerfully offer mine to the public in behalf of DR. WM. EVANS'S CAMOMILE PILLS. I have been afflicted for the last ten years with distress in the head and chest: often so bad as to deprive me of sleep for three or four nights in succession, but have never found relief by any of my friends' prescriptions, until my wife saw the advertisments in the paper, when she persuaded me to send for some, which I did, and obtained two boxes and bottles, which resulted in almost completely restoring me to health, although I have not yet entirely finished them. Should you consider this any benefit to yourself, or the public, you have my cheerful permission to publish it. Yours, respectfully,

THOS. K. GOODHUE, Centralist.

INTERESTING CASE *Cured by Dr Wm. Evans's Camomile Tonic and Family Aperient Pills.*—Mr. BENJAMIN BOWN, corner of Shippen and Georges streets, Philadelphia, affected for seven years with extreme nervousness, by which he was not able to write his name—his symptoms were, eructation, daily spasmodic pains in the head, loss of appetite, palpitation of the heart, giddiness and dimness of sight, utter inability of engaging in any thing that demanded vigor or courage, sickness and weakness extreme debility, disturbed rest, a sense of pressure and weight at the stomach after eating, great mental despondency, severe flying pains in the chest back and side, costiveness, a dislike for society and conversation. Mr. B. has made trial of various medicines now before the public, but to no effect, until, observing in a public paper some cures performed by Dr. William Evans's Camomile Tonic and Family Aperient Pills, he was induced to give them a trial, of which he is at any time happy to state that they effectually cured Him of the above distressing disease.

☞ Persons who doubt the above cure, are most respectfully directed to the above mentioned person, at the north west corner of Shippen and Georges streets. BENJAMIN BOWN.

LIVER COMPLAINT 10 YEARS STANDING.

Mrs. Hannah Browne, wife of Joseph Browne, N. 6 h street, near Second, Williamsburg, affected for the last ten years with the Liver complaint, completely restored to health through the treatment of Dr. Wm. Evans. Symptoms—Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high colored, with other symptoms indicating great derangement in the functions of the liver.

Mrs Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans's invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate. JOSEPH BROWNE.

City and County of New York, ss.

Joseph Browne, of Williamsburg, Long Island being duly sworn, did depose and say that the fac s as set forth in the within statement to which he has subscribed his name, are just and true.

JOSEPH BROWNE,

Husband of the said Hannah Browne

Sworn before me this 4th day of January, 1837.

PETER PINKNEY, Com. of deeds.

INTERESTING CASE *of Tubercular Consumption.*—Mr. John Rose elapsed on the 1st day of September at the office 109 Chatham street, laboring under the following symptoms:—A slight spitting of blood, distressing cough, attended with an expectoration of purulent matter, night sweats, general emaciation, difficulty of breathing on exertion, with a well marked hectic flush on the cheek. On examination, the chest was found to sound well every where except under the left clavicle, and in the armpit of the same side.

Treatment—Directed to take the restorative Camomile Pills, with the expectorating compound, at the same time an injunction to call in four days; when the night sweats had ceased, the expectoration slightly diminished, a slight fit of coughing still remaining in the morning. Ordered as usual to continue the medicine, and to call in the course of a week—which has steadily continued rapidly increasing, without the least cough. Called at the office on the 4th of this month, quite convalescent returning his sincere thanks for the benefit he had obtained.

The above patient chiefly used unto regimen, during his treatment.

ASTHMA, THREE YEARS STANDING.

"Wake him up, he'll do mischief," exclaimed hers; for we all thought the poor fellow was ffering under some frightful dream.

The Tennessean, bolder than the rest, seized in by the arm; upon which he dropped his ife, and his countenance changing from rage trepidation, immediately exclaimed—"I give yself up; I am your prisoner. But take notice, ntlemen, and bear witness for me, I yield to perior force—give me five minutes to say my ayers!"

"Death and thunder!" cried the varmint of nnessee, starting back, "the man is mad!" And so, indeed, it seemed to us all.

ive me five minutes to say my prayers."

Evans's medicine, in the following, which he ced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive of this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

LIVER COMPLAINT SIX YEARS STANDING.

MRS. SARAH BRENHISER, wife of Mr Amos Brenhiser, corner of Second street and Germantown Road, Philadelphia, affected for the last six years with the Liver Complaint, was completely restored to health by Dr. WM. EVANS'S Camomile Tonic and Family Aperient Pills. Her symptoms were habitual costiveness, excruciating pain in the stomach, depression of spirits, languor, extreme debility, disturbed sleep great pain in her side, could not lie on her left side without an aggravation of pain, dizziness in the head, dimness of sight, with other symptoms indicating great derangement in the functions of the Liver. Mrs. Brenhiser has made trial of various medicines now before the public, but received no relief until she was advised to make trial of Dr Evans's Pills, of which she is happy to state that they effectually relieved her of the above distressing symptoms, with others, which are not essential to intimate.

Mr. Brenhiser, the husband of the above Mrs Brenhiser, had been two years afflicted with a distressed state piles and Costiveness, of which he was effectually cured.

PARALYTIC RHEUMATISM.

A perfect cure effected by the treatment of Dr. William Evans.

Mr. John Gibson, of N. 4th street, Williamsburg, afflicted with the above complaint for three years and nine months, during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hips, shoulder, knees and ankles, an aggravation of the pains towards night; and for the most part all times from external heat, an obvious thickening of the fascia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

ASTHMA 5 YEARS STANDING.

Mr. Charles Hobart, No. 122 Orange street, N. Y. afflicted for five years with humoral habitual Asthma, applied at the office 100 Chatham street on the 4th of October, laboring under the following symptoms. A sense of tightness across the chest, with the greatest difficulty of breathing, distressing cough, generally ending with copious expectoration of viscid phlegm, disturbed rest, the face turbid and of a livid hue—could not lie in a horizontal position without the sensation of immediate suffocation, languor, drowsiness, and dizziness in the head, and loss of appetite.

Mr. H. applied to the most eminent physicians in this city, likewise used several other remedies without obtaining any permanent benefit, until his friends persuaded him to place himself under Dr. William Evans' treatment. He is now relieved of his complaint, and called at the office yesterday, avowing that he had not words to express his gratitude for the benefit he had received. October 21, 1837.

We do hereby subscribe our signatures to the truth of the above cures, that the statement is in every respect true. SARAH BRENHISER,

MOFFAT'S Vegetable Life Pills and Phenix Bitters.

☞ CONTRAST.—All nations, from the remotest ages, have had ships, but Columbus only found out the way to America. Before the time of the great Scottish navigator, people were only enabled to paddle about the shores. Just so with the Life Medicines. It is but two short years since I first ventured upon a unknown ocean, and I have discovered the precious object I was in search of—HEALTH. Vegetable medicines were indeed known when I commenced my search, but their use was not. By the use of them, I have not only passed from the dejected invalid, to the healthy, hearty and active man of business, but, comparatively speaking, I have renewed my youth. I can thus, with confidence in my own experience, advise with my fellow citizens. Does the reader want proof that the VEGETABLE LIFE MEDICINES are suitable to his own case? I have on file in my office, 346 Broadway, hundreds of letters, from some of the most respectable citizens of this my native land, voluntarily offered in testimony of the virtues of A GOOD VEGETABLE MEDICINE.

Persons whose constitutions have been nearly ruined by the "all infallible" mineral preparations of the day, will bear me witness, that the Life Medicines, and such only, are the true cause to restore good health. JOHN MOFFAT.

GENERAL REMARKS RELATIVE TO MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS.

These medicines have long been known and appreciated, for their extraordinary and immediate powers of restoring perfect health to persons suffering under nearly every kind of disease, to which the human frame is liable.

In many hundreds of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed, and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were unacquainted with the beautiful philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life and giving them with renewed tone and vigor, that they were indebted for their name, which was bestowed upon them at the spontaneous request of several individuals whose lives they had obviously saved.

The proprietors rejoice in the opportunity afforded by the universal diffusion of the daily press for placing his VEGETABLE LIFE PILLS within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral in any form whatever. They are entirely compound of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

Their first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly acting around them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind, as to produce habitual costiveness, with all its train of evils, or sudden diarrhœa, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death: and hence the prejudice of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE PILLS is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases, to which the Vegetable Life Pills are well known to be infallible—

DYSPEPSIA, by throughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind;—*Flatulency, Palpitation of the Heart, Loss of Appetite, Heart-burn and Head ache, Restlessness, Ill-temper, Anxiety, Languor, and Melancholy* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. *Costiveness*, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days. *Diarrhœa* and *Cholera*, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucus membrane. *Fevers of all kinds*, by restoring the blood to a regular circulation, through the process of perspiration in some cases, and the through solution of all intestinal obstructions in others. The LIFE PILLS have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints. *Dropsies of all kinds*, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these organs, and hence have ever been found a certain remedy for the worst cases of *Gravel*. Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere; *Asthma and Consumption*, by relieving the air vessels of the lungs from the mucus, which even slight colds if not removed becomes hardened, and produces these dreadful diseases. *Scurvy, Ulcers* and *Inveterate Sores*, by the perfect purity which these Life Pills give to the blood and all humors; *Scorbutic Eruptions*, and *Bad Complexions*, by their alterative effect upon the fluids that morbid state of which occasions all *Impure complaints, Sallow, Cloudy*, and *other disagreeable Complexions*. The use of these Pills for a very short time, will effect an entire cure of *Salt rheum, Erysipelas* and a striking improvement in the *Cleanness of the skin*. *Common Colds, and Influenza*, will always be cured by one dose or by two even in the worst cases. *Piles*,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserves a distinct and emphatic recommendation. It is well known to hundreds in this city, that the Proprietor of these invaluable Pills, was himself afflicted with them, in vain for upwards of *thirty years*, and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public, and he was cured in a very short time after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

DIRECTIONS FOR USE.—The proprietors of the VEGETABLE LIFE PILLS does not follow the base and mercenary practice of the quacks of the day, in advising persons to take his Pills in large quantities. No good medicine can possibly be so recommended. Two pills are sufficient for a dose at night, for a week or fortnight, according to the obstinacy of the disease. The usual dose is from 2 to 5, according to the constitution of the person. Very delicate persons should begin with half two, and increase as the nature of the case may require those more robust, or of very costive habit, may begin with 3, and increase to 4, or even 5 Pills, and they will effect a sufficiently happy change to guide the patient in their further use. These Pills sometimes occasion sickness and vomiting, though very seldom, unless the stomach is very foul; this, however, may be considered a favorable symptom, as the patient will find himself at once relieved, and by perseverance will soon recover. They usually operate within 10 or 12 hours, and never give pain, unless the bowels are very much encumbered. They may be taken by the most delicate females under any circumstances—It is, however, recommended that those in later periods of pregnancy should take but one at a time, and thus continue to keep the bowels open: and even two may be taken where the patient is very costive. One pill in a solution of two tablespoons full of water, may be given to an infant in the following doses—a tea spoon full every two hours till it operates; for a child from one to five years of age, half a pill: and from five to ten, one pill.

THE PHŒNIX BITTERS, are so called, because they possess the power of restoring the decaying energies of health, to a glowing vigor throughout the constitution, as the Phœnix is said to be restored to life from the ashes of its own destruction. The Phœnix Bitters are entirely vegetable, consisted of root found only in certain parts of the western country, which will infallibly cure FEVERS AND AGUES of all kinds; will never fail to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla, and will unanimously cure the determination of BLOOD TO THE HEAD; never fail in the *sickness incident to young females*, and will be found a certain remedy in all cases of *nervous debility and weakness*, the most unpleasant constitutions. As as a remedy for *Chronic and Inflamatory Rheumatism*, the efficacy of the Phœnix Bitters will be demonstrated by the use of a single bottle. The usual dose of these bitters is half a wine glass full, in water or wine, and the quantity may be taken two or three times a day, about half an hour before meals, or a less quantity may be taken at all times. To those who are afflicted with indigestion after meals, these Bitters will prove invaluable, as they very greatly increase the action of the principal viscera, help them to perform their functions, and enable the stomach to discharge into the bowels what ever is offensive. Thus indigestion is easily and speedily removed, appetite restored, and the mouths of the absorbent vessels being exercised nutrition is facilitated, and strength of body and energy of mind are the happy results. For farther particulars of MOFFAT'S LIFE PILLS, and PHŒNIX BITTERS, apply at Mr. Moffat's office, No. 346 Broadway, New York, where the Pills can be obtained for 25 cents, 50 cents, or $1 per box; and the Bitters for $1 or $2 per bottle. ☞ Numerous certificates of the wonderful efficacy of both, may be there inspected.

In some obstinate and complicated cases of chronic and inflammatory Rheumatism Liver Complaints, Fever and Ague, Dyspepsia, Palsy, *Pills, injury from the use of mercury, quinine, and other diseases of long standing*, it may be necessary to take both the Life Pills and the Phœnix Bitters, in the dose before recommended.

N. B.—These Pills and the Bitters, will get the mercury out of the system infinitely faster than the best preparations of Sarsaparilla, and a certain remedy for the *rushing of the blood to the head, or all violent headaches, tic douloureux*, &c.—All persons who are predisposed to *apoplexy, palsy*, &c., should never be without the Life Pills or the Bitters, for one dose in time will save life. They equalize the circulation of the blood, draw all pressure from the head, perspiration, and throw off every impurity by the pores of the skin.

Swaim's Panacea.

AS the intemperance and luxury of the age are hastening the ravages of scorbutic complaints and rendering the blood [illegible] constitutions by neglecting to apply the proper remedies, [illegible] Panacea does must be, and has been, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor. Few families are wholly exempt from scorbutic affections, which exhibit various symptoms, as eruptions, ulcerations, debility, loss of appetite and dejection, all arising from impure blood, and if not properly attended to, produce the greatest injury to the constitution, and may be imparted to their offspring. Swaim's Panacea is recommended at this season of the year, as a valuable restorative of the system, thereby invigorating the constitution, and enabling it to bear the debilitating effects of the summer season. It is conveyed by the circulating fluids, and corrects their tendency to all those diseases which originate in vitiated blood, diseased liver depraved appetite, or predisposition to affections of the lungs, &c. No one, however, is advised to use it without convincing themselves of the truth of what is here stated

This medicine is now used with success in all parts of the world, and is gaining great reputation in England.

Sarah Jenkins, Alfred and Tracy Jenkins, cured of affections of the skin, breaking out, pains in the limbs, &c.

Numerous other instances might be published, but to swell the list would unnecessarily increase the expense of publishing them.

It must be plainly seen from the foregoing, that the Blood Pills are an excellent corrective for a disordered stomach, the cause of diseases to which the human system is liable, together *with the immediate* [illegible] *which excels in all diseases*, and in conjunction with a disordered stomach, very rapidly prostrates the human body.

These [illegible] pills of the present day, (*which produce as much mischief as did ever mercury, or the minerals*, by weakening the system, destroying the tone and vigor of the body, and rendering it a prey to constant and universal disease, distressed and bodily suffering) *but are mild and mild and gentle in their operation, and only increasing the natural discharges sufficiently to carry off impurities as they are corrected by their use*, not rendering necessary any restraint from occupation or business, change of living or diet, or even a liability of taking cold from their use.

The process for extracting the virtue of the Sarsaparilla without destroying its efficacy, is known only to the proprietor.

So effectual has this medicine been in the cure of various diseases for which it is recommended, that it is far superceding all other preparations of Sarsaparilla, Panacea, &c.

It is now employed by numerous physicians, and has been introduced by them into many hospitals, infirmaries, &c throughout the United States.

It is a preparation of greater strength (consequently of greater efficacy) than any other extract now made, is also much cheaper, being but one dollar per bottle, which is sufficient to make one gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.

Numerous certificates have been received and published from time to time, but in consequence of the great expense attending newspaper publication of them the most incredulous can be convinced of the superior efficacy of Dr Leidy's Medicated Sarsaparilla, by calling at Dr. Leidy's Health Emporium," No. 101 north Second street, below Vine, sign of the Golden Eagle and Serpents," where certificates and references can be given to hundreds of instances of the most remarkable cures ever performed by any medicine.

Public Notice.

AS it appears, that because Mr. Crane obtained no patent for smelting Iron Ore with Anthracite Coal in this country, many suppose that they are now at liberty to adopt the method of smelting Iron ore with Anthracite by the use of a heated air blast; although I gave notice last year that I had a patent for smelting Iron Ore with Anthracite Coal, both by the use of a cold atmospheric and a heated air blast, I would now inform the public again, that on the 14th of January, 1838, I received a letter from the Commissioner of Patents at Washington, stating: "Sir, upon examining the case of Mr. Crane's application for a patent for Smelting Iron by means of Anthracite, I have viewed his claim as interfering with your patent of Dec, 1833, and have given notice to his attorney of this decision." Every attempt to smelt Iron ore with anthracite by the use of a heated air blast, is an infringement upon my patent, against which I caution and warn all men; as I shall prosecute every one infringing upon my rights, according to law. And I further offer to dispose of patent rights for the erecting of furnaces, according to my patent, upon very moderate terms.

NO CURE NO PAY. *PRICE* $1.

HAY'S LINIMENT.

NO FICTION.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend & attendant Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the *Piles*, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints.

For Dropsy.—Creating extraordinary absorption at once.

All Swellings.—Reducing them in a few hours.

Rheumatism.—Acute or Chronic, giving quick ease.

Sore Throat.—By cancers, ulcers, or colds.

Croup, and Whooping Cough.—Externally, and over the chest.

All Bruises, Sprains and Burns, cured in a few hours.

Sores and Ulcers.—Whether fresh or long standing and fever sores.

Its operations upon adults and children in reducing rheumatic swellings, & loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the *Piles*, is "It acts like a charm."

THE PILES.—The price $1 is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also *that of the Agents.*
