Upwards of 10,090 Boxes of Dr. Leidy's Sassaparilla or Blood Pills, sold in Philadelphia alone. A QUESTION.

Who does not know the virtues, efficacy and invaluable operities of the Sar saphrilla?

NERV man, woman, and child that can read, can A consider the above, as every newspaper throughout the United States contains account of the universal efficacy of Sarsaparilla, in purifying the blood and
removing from the human system all corrupt humors.

Ask any respectable physician the question, What

Suffice it to say them; if all physicians recommend
it so universally, what better evidence can we have of its
invaluable properties?

is so universally, what better evidence can see have of its inbaluable properties?

Dr. Letter has discovered a method whereby the virtue of the Sarsaparilla is obtained in a highly concentrated form, and in such manner as to make pills therefrom, without destroying in the least its efficacy. This cannot be done by any other person, the process is known only to Dr. Leidy, and is a discovery of his own?

These Pills are offered to the public by the name of DR LEIDY'S

SARSAPARILLA OR BLOOD PILLS, SARSAPARILEA OR BLOOD FILLS, compounded principally of Sarsaparrila and with which assembined ingredients (reandly to the constitution) fendering them more effectual, being gently laxative in their effects, thus carrying of corrupt-hismors from the system very gradually, and without producing debility or any inconvenience. Taken in sufficient effactive, however, they will parge freely, and may be imployed or given to the most delicate, and even to infants, being a safe and truly efficacious purgative, requiring no testraint from diet or deviation from regular habits or from occupation of any kind.

These pills have been pre emmently successful and from their convenient form, must, sooner or leter, take the place of all the different preparations of Sarsaparilla, such as Syrups, Decuctions, Extracts, &c. which rilla, such as Syrups, Decuctions, Extracts, & c which are compained in bottles, liable to be broken, and are in

The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day saining is certainly a matter of much astonishment. That so much sufficiently a matter of much astonishment. That so much sufficiently a matter of much astonishment. That so much sufficiently are sufficiently as without any discovery of an effectual preventive, or cure is, truly a subject of anuch regret, but Dr. S. now, assures the public that such a remedy has been invested as will convince the most credulous. The principles upon, which it acts are simple and plain.—

It is an admitted fact that this complaint, whether called sick Headache, or Nervous Headache, arise that this organ, the stomach, is the first cause, that the system has become vitiated and deliberated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to attain—

The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration to health. Dr. Spohn pledges his profactional reputation on this fact. The remedy may be had of apothecaries.

In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these anpleasant circumstances OLDRIDGE'S BALM OF COLUMBIA stops the hair from failing office the first application and a few bottles restores id again. It likewise produces eyebrows and whiskers; prevents the hair from turning grey, makes it curl beautifully, and frees it from scurf.
