My complaint was salt rheum, for which I have tried all the medicines which were advertised in the newspapers. I, however, received no relief from any of them. Since I was shown your Good Samaritan, which induced me to try your medicine. When I applied to yon, my legs and arms were so bad that they looked like raw beer, and were covered with sores; but after taking a 25 cent box of your pulls, the dead skin began, to scale off, and so continued until I was entirely cured. It is now four months since I was cured, and I have had no return of the complaint. I have recommended your medicine to several persons, and should advise all afflicted with the salt rheum to try it. Respect. fully, your obedient servant, M. CLEOVER, 13th, st. between 5th and Jackson Avenues.
