SONG OF THE BURMAN LOVER.

By Major Calder Campbell.

Oh! come with me, in my little canoe,
For the tide is high, and the sky is blue,
And the wind is fair, and 'tis sweet to row
To the isles where the mango-apples grow!

Oh! come with me, and be my love,
And for thee the jungle depths I'll rove;
I'll gather the honey-comb, bright as gold,
And seek out the elk's most secret fold.

I'll chase the antelope over the plain;
And bind the tiger cub with a chain;
And a young gazelle, with silver feet,
I'll bring thee, for a playmate sweet!

I'll climb the palm for the bya's nest,
And red peas I'll gather to deck thy breast;
I'll pierce the cocoa for its wine,
And twine thee posies, if thou'lt be mine!

Then come with me in my light canoe,
While the waters are calm, and the skies are blue;
For, should we linger another day,
Storms may arise, and love decay!

UNDENIABLE FACTS,

AND PROOF TO SHOW THAT

DR. LEIDY'S
Sarsaparilla Blood Pills

Are the most effectual purifier of the Blood and Animal Fluids that have ever been discovered.

The following are some only of the

LATE CURES

Effected and heard from during the past TWO MONTHS, in Philadelphia.

Louisa Simpson, cured of violent pain in her head and sides, with much giddiness to which she was subject for three years.

John Stocker, relieved from habitual costiveness and want of appetite, with offensive breath and bad taste

Joseph Marlow, cured of an ulcerated leg and erysipelas

Israel Jones, cured of a breaking out all over his whole body.

Sarah Jones, cured of pain in her breasts and sides, much headache and sickness after eating

William Mowbray, cured of a rheumatism, and swelling of his legs and feet, having been unable to walk any distance for six months past.

Michael J. Rorkes, cured of swelling under his jaw and on his neck with considerable breaking out on his body.

Elizabeth Cranmer, cured of swelled breasts pain in her sides, constant disgust to food, and much sickness after eating.

Jeffery Cline, cured of rheumatic pains and swelled joints.

Samuel G. Howard, cured of a tetter and rash breaking out over his body, with some running sores and ulcers.

Rev. A. Cahoon, cured of an affection of his throat, soreness and ulceration, which previously afflicted his speech.

The following are some only of the large number of cures effected in Berks, Montgomery, Schuylkill, Dauphin, Lancaster, and Northampton counties during the past three months:

Jonathan Green, Esq. cured of a swelled neck, ulcerated sore, swelled joints and rheumatic pains.

Adam C. Carpenter, cured of a chronic cough, sick headache, dizziness, loss of appetite and shortness of breath.

Ralph Snyder, cured of a disagreeable taste in the mouth, habitual costiveness and violent pains in the stomach.

Michael Jones, after two years of great suffering, cured of a breaking out of dry scabs and watery pimples over the whole body, accompanied with pain in the head, frequent sick headaches and pains over the heart. The family was afflicted for years, and never found relief from any medicine, after a short, or temporary benefit, until using Dr. Leidy's Blood Pills, and was soon cured by Dr. Leidy.

Sarah M'Intosh, cured of violent pains in her back and limbs, the result of a severe fall.

Andrew Greer, cured of great loss of appetite, disgust for food and nobody knew what ailed him.

Adam Ross, cured of scrofula in the bones and breaking out, soreness and pain through the joints.

Daniel Crowley, cured of [illegible]

Henry Corkorny, Esq. cured of [illegible] soreness of his mouth, throat and nose, [illegible] &c.

George Layman, cured of a [illegible] excellent rheumatic pains of his head and joints.

Jonathan Stroud, Isaac Cowan and John G. Thomson, cured of various affections of the urinary organs.

Sarah Jenkins, Alfred and Mary Jones, cured of affections of the skin, breaking out, &c.

Numerous other instances of [illegible] to swell the list without unnecessarily increasing the expense of publishing them.

It may be plainly seen from the foregoing, that the Blood Pills are an excellent corrective for a disordered stomach, the cause of diseases to which the human system is liable, together *with the impurity of the blood* which exists in all diseases, and in connection with a disordered stomach, very rapidly produces fatal bodily ailments.

These pills do not purge as powerfully as do most pills of the present day, *which produce as much mischief as did ever mercury, or the venom of* [illegible] by weakening the system, destroying the tone and vigor of the stomach and rendering it a prey to constant and almost fatal diseases, distressful and bodily suffering; *nature must and will be aided, in their operation, only in obtaining the end of discharging the offending matter*, not rendering it necessary to restrain from occupation or business, change of diet, or debar even a habitual use of tea, coffee or cold water.

The process for extracting the virtue of the Sarsaparilla without destroying its efficacy, is known only to the proprietor.

Wonderful Cures.

Have been performed in this city, and throughout the country.

BY LEIDY'S

MEDICATED SARSAPARILLA,

BEING a concentrated decoction of Sarsaparilla and Guaiacum, combined with other vegetable extracts, which render it as a medicine of great efficacy in the cure of those diseases arising from an impure state of the blood, or a debilitated and constitutional derangement of the system, by the injudicious use of mercury, or the climate of the West Indies. In short, it is an invaluable remedy in all

Rheumatic Affection, General Debility, Ulcerous Sores, White Swellings, Diseases of the Liver, Cutaneous Eruptions, Scrofula, or King's Evil, Erysipelas, Tetter, Ringworm, Ulcerated Sore Throat, Ulcers of the Nose, Cancerous cases of the Bones, Scrofula, or King's Evil, Erysipelas, or St. Anthony's Fire, and all unpleasant and dangerous affections consequent on Chemical Errors, &c. &c.

Its efficacy has this year been fully proved in the cure of various diseases for which it is recommended, far surpassing all other preparations of Sarsaparilla in Philadelphia, &c.

It is now employed by numerous physicians, and has been introduced by them into many hospitals, infirmaries &c. throughout the United States.

It is a preparation of greater strength, consequently of greater efficacy than any other extract now made, also much cheaper, being but one dollar per bottle, which is sufficient to make one gallon of Syrup of Sarsaparilla, and is bought by different druggists for that purpose.

Swaim's Panacea.

AS the intemperance and luxury of the age are hastening the ravages of scorbutic complaints and rendering the blood more impure, and as thousands have destroyed their constitutions by neglecting to apply the proper remedies—to such, Swaim's Panacea must be and has been, more than doubly valuable as a certain and effectual means of restoring them to perfect health and vigor. Few families are wholly exempt from scorbutic affections, which exhibit various symptoms as eruptions, ulcerations, debility, loss of appetite and dejection, all arising from impure blood and if not properly attended to, produce the greatest injury to the constitution, and may be unheeded to their subjection.—Swaim's Panacea is recommended at this season of the year, as a valuable restorative of the system, thereby invigorating the constitution and enabling it to bear the debilitating effects of the summer season. It is confirmed by the circulating fluids and corrects their tendency to all those diseases which originate in vitiated blood diseased liver, depraved digestion or produces scrofula in all its affections of the lungs, &c. No one, however, is advised to use it without convincing the merits of the truth of what is here stated.

This medicine is now used with success in all parts of the world, and is gaining great reputation in Europe.

Patent Safety Fuse,

FOR IGNITING THE CHARGE IN

BLASTING,

Both in dry places and under water.

MANUFACTURED SOLELY IN THE UNITED STATES, BY

BACON, BICKFORD, EALES & CO.
SLIMSBURY, HARTFORD, CONN.

Numerous recommendatory certificates might be given, but the following, which briefly explains the properties of the Fuse, is deemed sufficient. The Fuse supersedes the Priming-needle, Priming, and Match.

HAVING seen the Patent Safety Fuse of Blasting, tested to our satisfaction, we cheerfully certify that we are convinced it saves much time and labor—adds to the force of the blast—ensures certainty, and renders blasting perfectly safe.—Besides it is, we think, cheaper than the common straw fuse. For dry blasting it is a great improvement; but for blasting in wet ground, it is invaluable.—Messrs. F. Hutchins & Co., contractors on the Erie canal, certify that they have been engaged in the Cornish mines, England, where the Fuse is exclusively used, and that it has never, to their knowledge, caused a miscarriage. They touch in our above expressed opinion of its value. We make no doubt that it will soon be in universal use.

DAVID HAMILTON,
Superintendent repairs, Erie Canal.
W. J. McALPINE,
Assistant Engineer, Erie Canal enlargement.
J. HOUGHTON,
Engineer Colvers Company.

Colvers, N. Y. Dec. 1837.

The Fuse is sold at the very low price of ONE CENT PER FOOT.

N. B. The common Fuse answers for wet blasting, but for blasting under water, or where a misfire would be of serious consequence, WATER PROOF should be used, being specially for such places. Price, two cents per foot, corresponding with the increased cost of making.
