The moon that beams with golden hues, The firmarent doth rove; And as it still its course persues Proclaims that "God is Love."

The zephyrod Valmy breeze that glides, As gentle as the Dove, Makes every greatful heart arise And own that "God is Love."

Jesus that came and "died for all," Whom boundless love did move, Drank deep the wormwood, I, the gall, To prove that "God is love."

Throughout creation's wide domain, The works of nature prove, The sacred page joins in the strain, Affirms that "God is Love."

The celebrated substitute for CALOMEL.

THE proprietors of this article, having depted nearly seven years, and expended a large amount of money, in experimenting upon the various species of the Tomato, (Solanum Lycopercicum,) have at last suc the Tomato, (Solanum Lycopercicum) have at last succeeded in obtaining from that vegetable i principle which as a medicine possesses all the bendicial properties of calonel, and yet incapable of producing the detections effects sometimes resulting from theuse of that drug. This principle (hepatine) is a mild and efficient cathartic, and, as compounded, a so acts at a tonic districtic, and disphortic. (See directions accumpanying the medicine)

Its particular action and use. Its action upon the system is yery geneal, no part escaping its influence; it is, however, upon he secretories and exerctories, that its great power is princularly manifested; from this it will be seen to have a directification of the buliary organs, and to be particularly as dapted to the treatment of bilious fevers and other discusses where a torpidity or conjection of the fiver and portal circle prevail; hence the great success that has attended its administration in liver affections, dyspensiand discusses of the stomach and bourds generally. Being diffusible in its operation, it produces a fre circular tion in the vessels on the surface of the body, accompanied by a gentle perspiration. It does not exhaust, tion in the vessels of the strates at the son, accounting panied by a gentle perspiration. It does not exhaust, like drastic purges; still its action is moreuniversal, and it may be often rejected, not merely with safety, but with great benefit; this becomes indispensably no cessary in cases of long standing, for in the intense temporary impressions made by strong medicines seldom, if ever, do good, and tend to injure the tamina of the constitution.

The proprietors do not claim for it uninesality i. e. that it will cure all diseases; nor, on its introduction into a family, should the physician bo dismissed; no, they would advise all to have a family physician, and the more experienced and scientific the betty: they do claim, however, that a timely resort to this medicine may in a grest many instances save, the benese and trouble of calling the aid of such physician, being eapable of producing the effect desired in the primary stages of a majority of discasse incident to the country. The following is an editorial from the Ciginnati Telegraph, edited by Bishop Purcell:

"Extract of Tomato, a substitute for Calcael."—The injurious and freegently destructive consequences that have often resulted to the human frame from the necessity of having recourse to a drug of so powerful, and at the same time, of so deleterious a nature as calonel, induce u to welcome the announ neement of safe, and what is confidently stated to be, in most case, an effectual substitute for it, which, while it possesses, if not all, at least a great portion of its good qualities, if free from its most objectionable ones. Every discover in the virtues of the vegetable kingdom must have its affancy, and its period of probation. We are inclined to think this will stand the test of scrutiny, and be a most desirable acquisition to the world, and particularly to the people of this country. Dia. Milks:

Dear Sir. — * * * * * * * I have used your Compound Extrict of Tomato during the past summer and fall, and have no heat tupo in believing it has savel me several medical bills. Four of my family during that period were indisposed, and exhibited the usual symptoms of a billious attack. They were in every instance relieved by the use of your Tomato pills. I conside them a valuable medicine. They are perfectly safe, and I believe as efficacious as calomel in correcting a bilous habit.— I have used them myself with great benefit.
