Balance in hands of Treas'r. 1,084 65 \$7.003 40 The committee embrace this opportunity of calling the attention of the public to the increasing usefulness and efficacy of instruction afforded by the

Common School System.

From a careful examination of the reports of the Visiting Committees appointed weekly by the Board, it is found that the improvement of the pupris taught in the Public Schools is equal to the progress made by those instructed in private schools, and that many children are instructed in the Common Schools, whose parents could not afford to pay

The parents and guardians of children who are taught in the Common Schools, as well as the Citizens generally, would, no doubt, be gratified by an iting the Schools frequently, as it would afford the pleasure to mark the good order and regularity maintained in the Schools, and the application and progress of the Scholars in their several studies.— The Scholars would thereby be stimulated to us greater exertions in learning visitors would be enabled from actual observation, to form correct o-pinions of the merits and defects of the Common School System of instruction—parents and guar-dians would discharge a duty which they owe to the Pupils who are under their direction, and all partice be benefitted.

Tickets of admission are issued Every Monday to applicants by the following persons, who have been elected Directors for the present year :- Mes-ers Benjamin F. Pomroy Benjamin Coombe, Jun., Russel, Robert Woodside, Nathan Evans, and Peter F. Mudey.
